LOW EXAMINATION MALPRACTICE RATE EXCITES EDUCATION MINISTER

The Minister of Education, Prof. Tahir Mamman with the Registrar of JAMB during his visit to JAMB to inspect the 2024 UTME exercise.

The Minister of State for Education, Dr Yusuf Sununu with the Registrar of JAMB, Prof. Is-Oloyede during the monitoring of the 2024 UTME at the Bwari centres of the Board.

The Hon. Minister of Education, Prof. Tahir Mamman, has expressed satisfaction with the low prevalence of examination malpractice

in the just-concluded 2024 Unified Tertiary Matriculation Examination(UTME). According to the Hon. Minister, the Joint

JAMB HAS RESTORED PUBLIC CONFIDENCE IN ITS EXAMINATION - SUNUNU

The Joint Admissions and Matriculation Board (JAMB) has been commended for restoring hope in the conduct of public examinations in the country.

The Hon. Minister of State for Education, Dr. Yusuf Sununu, gave this verdict while

fielding questions from newsmen shortly after monitoring the 2024 UTME in Abuja. The Minister, who was at the control room of Information Technology Services Department, JAMB, to monitor the exercise, gave kudos to the Board for leveraging on cutting-edge technology

FORMER EDUCATION MINISTER LAUDS JAMB

A former Minister of Education, Prof. Chinwe Obaji, has berated critics, who were complaining about the scheduling of the Board's examination saying that candidates were given over a week's notice to print out their notification slips where the name of the centre and time of their examination were clearly indicated.

The former Minister stated this in her

report after monitoring the conduct of the 2024 UTME in Nasarawa and the Federal Capital Territory (FCT). In her report, she joined millions of Nigerians to laud the Joint Admissions and Matriculation Board(JAMB) for the successful conduct of the 2024 Unified Tertiary Matriculation Examination(UTME), which was adjudged

JAMB DRAWS THE CURTAIN ON 2024 UTME, COMMENDS NIMC, OTHER PARTNERS

The Joint Admissions and Matriculation Board (JAMB) has drawn the curtain on the 2024 Unified Tertiary Matriculation Examination (UTME) while commending the National Identity Management Commission (NIMC), the security agencies and other partners for the

successes recorded in the exercise. The Board particularly singled out NIMC as its platform, which was used for UTME registration by candidates, is the game changer as far as combating the menace of examination malpractice in the country is concerned. This is an eloquent testimony to the truism that no

JAMB RELEASES 2024 UTME RESULTS, INVESTIGATES 64, 624

The Joint Admission and Matriculation Board (JAMB) has released the results of the 2024 Unified Tertiary Matriculation Examination (UTME).

The Registrar, Prof. Is-haq Oloyede, at a press conference on Monday, 29th April, 2024, said the Board has released the results of 1,842,464 candidates, while a total of ,650 results classified as suspicious are

...JAMB has Restored Public Confidence in its Examination - Sununu

to improve the conduct of its examination.

He recalled an incident during his time as a parliamentarian at the House of Representatives that has to do with the conduct of examination for Medical and Dental Council of Nigeria (MDCN).

He said, "Let me start by thanking you for being the custodians of this year's examination. The credit goes to the Registrar. What I want to say is that the Registrar has made a lot of remarkable improvements in the conduct of the UTME. The import of this is that many professional bodies now entrust the conduct of their examination to JAMB. An example is the Medical and Dental Council of Nigeria (MDCN).

"When I was in the House of Representatives as Chairman, House Committee on Healthcare Services, we had received so many petitions on the conduct of medical examinations, which prompted us to take look at what was happening. At the end of the day, we gave a clean bill of health to the Board as we found that its examinations are not only credible but could also stand the test of time. We came out with our position and since then, the

number of petitions going to the National Assembly as a result of the CBT conducted by JAMB, has reduced significantly."

"Poor candidates would always assume that they had been failed in an examination, where they performed below expectations and, of course, parents are not helping matters as they would, more often than not, always follow the line of argument of their children. So I want to congratulate you for this feat that you have achieved".

He said our system should not be static but should rather be a dynamic one, that would always pre-empt and proactive in predicting the outcome of whatever we are going to do.

"As of today, I am convinced that the possibility of examination malpractice in the course of this examination would be less than 0.001% and I think that is a good thing.

"It is, therefore, no wonder that some international organisations and countries are requesting to benchmark with JAMB. I believe that the Registrar has been able to lay a solid foundation which others would build upon so that the system could

only get better."

In the same vein, the Chairman, Senate Committee on Tertiary Education, Senator Dandutse Muntari, also commended JAMB for conducting a seamless examination.

He disclosed that both the National Assembly and the Presidency are working assiduously towards removing any obstacle that could impede the smooth take-off of the students loan scheme.

He also gave assurance that the National Assembly would do all within its powers to make education accessible and affordable to all Nigerians through quality legislation.

Chairman Senate committee on Tertiary Education, Dist. Senator Dandutse Muntari and the Chairman, House of Representatives Committee on Basic Education Examination Board, Hon. Oboku Abonsizibe Oforji monitoring the 2024 UTME with the Registrar of JAMB, Prof Is-haq Oloyede

...Former Education Minister Lauds JAMB

the best in the annals of JAMB by critical stakeholders.

According to her, the criticism of the Board's examination scheduling was unnecessary and ill-informed, noting that the Board gave ample time for candidates to have made proper arrangements to enable them arrive at the venue of the examination on time.

While commending the Prof. Oloyede-led Management, Prof. Obaji noted the series of innovations put in place to ensure the seamless administration of the examination since her last outing with the Board.

"JAMB has come a long way, I am

proud of the innovations and other measures put in place to ensure the sanctity of its examination," she said.

The former Minister, however, pointed out some isolated hitches, which were promptly taken note of and addressed.

She urged the Board to revisit the validation of some partnering centres stating that if this is done, cases of technical glitches during the conduct of examination would be greatly reduced.

While receiving the report of the former minister, the

Registrar, Prof Is-haq Oloyede, acknowledged the positive feedback of the erudite Don and assured her that JAMB was committed to addressing the various concerns raised in the report.

The Registrar stated that, as a responsive organisation, the Board would leave no stone unturned to improve on its examination processes.

EDUCATION IN THE MEDIA

DAILY SUN, MONDAY, APRIL 22, 2024: UTME MOCK: JAMB BLACKLISTS 25 CBT Centres: The Joint Admissions and Matriculation Board (JAMB) has delisted 25 CBT centres across various states due to alleged infringements during the 2024 mock Unified Tertiary Matriculation Examination (UTME). As a result, these blacklisted centres are not being used by Board for the ongoing 2024 UTME, which started on April 19th and will end on April 29th, 2024. Out of 907 CBT centres that applied for approval from the Board, 747 were approved for the exam, with 1,985,642 candidates registered. In comparison, 735 CBT centres were approved for the 2023 exam. The breakdown of delisted centres shows that Lagos has the highest number with four, followed by Anambra, Edo, Imo, and Kaduna with two each. The remaining states with one delisted CBT centre each are Benue, Delta, Ekiti, Enugu, Abuja, Gombe, and Kwara.

TRIBUNE, MONDAY, APRIL 22, 2024: 45 Visually Impaired Students to Write UTME in Bauchi:-

On Monday, 45 visually impaired students from Borno, Bauchi, Gombe, and Yobe states in the North-East subregion took the University Matriculation Examination (UMTE) conducted by the Joint Admissions and Matriculation Board (JAMB) at a special centre in Abubakar Tafawa Balewa University (ATBU), Bauchi. The candidates, who have sight impairments, used Braille, slates, and styli on specialized typewriters to write the examination.

In a welcome development, the

government has waived the registration fee of N5,000 for these candidates and has also taken responsibility for their guides. Additionally, the respective state governments covered their transportation to and from the examination centre and provided accommodation at Jamil Guest House, Bauchi, for the duration of the examinations.

The Director of the Joint Equal Opportunity Group (JEOG) in Bauchi, Prof. Salisu Shehu, supervised the exercise to ensure a smooth process across the North-East sub-region.

THE AUTHORITY, TUESDAY, APRIL 23, 2024: UTME: We May Amend Law on Minimum Entry Age Into Varsities, Others-Senate:-

The Senate Committee on Tertiary Institutions and TETFund has indicated that lawmakers in the upper chamber of the National Assembly may soon amend the existing law on the minimum entry age into universities and other tertiary institutions in the country. This follows a joint monitoring exercise with their House of Representatives' counterpart of the ongoing Unified Tertiary Matriculation Examination (UTME) in Abuja on Tuesday.

Committee Chairman, Senator Muntari Dandutse, expressed support for the Minister of Education, Professor Tahir Mamman's proposal to set the minimum entry age for admission into tertiary education institutions at 18. This move aims to prevent minors from gaining university admission.

Senator Dandutse praised the conduct of the ongoing UTME by the

Joint Admissions and Matriculation Board (JAMB) as impressive. He also commended President Bola Tinubu for introducing the student loan scheme, which he believes will increase access to higher education in the country.

SHARPEGENEWS.COM, TUESDAY, APRIL 23, 2024: 2024 UTME: Supervisor Wants More School Enrollment for Special Needs Children- Prof. Taoheed Adedjoja, a member of the Joint Admission and Matriculation Board (JAMB) Equal Opportunity Group (JEOG), urges parents to enroll their children with special needs in schools to secure a brighter future for them. Speaking at a news conference to launch the 2024 Unified Tertiary Matriculation Examination (UTME) for visually impaired persons and others with special needs in Ibadan, Prof. Adedjoja emphasized the importance of inclusive education.

The UTME, which began nationwide on April 21, aims to provide access to tertiary institutions in Nigeria for all. Prof. Adedjoja, a member of the JEOG six-man supervisory committee, appealed to parents to enroll their children with special needs in primary and secondary schools, highlighting that many parents still keep their children at home due to stigma or lack of awareness about available opportunities.

"I urge parents to bring their children out and enroll them in primary and secondary education, so they can access higher education and pursue their dreams. No profession is out of reach for them, but we must not deny

them the opportunity. JAMB is committed to ensuring access to higher education for all, as part of its mandate," he said.

NAIRAMETRICS, TUESDAY, APRIL 23, 2024: JAMB to Refund Registration Fees Paid by Visually-impaired UTME Candidates: The Board of the Joint Admissions and Matriculation Board (JAMB) has announced that it would reimburse the fees paid for forms by visually-impaired candidates of the Unified Tertiary Matriculation Examination (UTME), subject to certain criteria. This was announced by Prof. Olarenwaju Fagbohun, Lagos Coordinator for JAMB Equal Opportunity Group, at the Distance Learning Institute (DLI) of the University of Lagos, which is the 2024 UTME centre for visually-impaired candidates from Lagos and Ogun states.

Out of the 88 registered candidates at this centre, 82 attended the examination. Prof. Fagbohun clarified that the refund would only apply to visually-impaired candidates who achieve five 'O' Level credits in one sitting. This gesture aims to encourage physically-challenged candidates to pursue their educational goals.

The coordinator emphasized that JAMB is committed to ensuring that no Nigerian child is excluded from empowerment opportunities. He also noted that special examinations are being held in 12 centres across the nation to accommodate visually-impaired candidates.

TRIBUNE, TUESDAY, APRIL 23, 2024: UTME: Ekiti Govt. Hails JAMB'S Provisions for People with Disabilities: - The Ekiti State government has praised the Joint Admissions and Matriculation Board (JAMB) for its inclusive policy of providing access to physically challenged students for the Unified Tertiary Matriculation Examination (UTME). According to the Special Adviser to the Ekiti State Governor on Special Education and Social Inclusion, Mrs. Adetoun Agboola, the creation of the JAMB

Equal Opportunity Group (JEOG) has significantly enabled disadvantaged candidates to access higher institutions and pursue their careers.

Speaking at the Ekiti State University, Ado-Ekiti, centre for the visually impaired and others participating in the 2024 UTME examination under JEOG supervision, Agboola commended JAMB's leadership for this initiative, which aligns with the state government's policy of providing equal opportunities for all citizens, regardless of physical challenges. She assured that the state government would continue to collaborate with JAMB to ensure international standards for people with disabilities, including access to education.

Agboola emphasized that education is a critical tool for personal growth, development, and empowerment, and a powerful instrument for breaking down barriers and overcoming stigmas, especially for persons with disabilities. She noted that education equips students with the skills, knowledge, and confidence they need to pursue their goals and contribute meaningfully to society and that the JAMB UTME Examination is a crucial step in this empowerment journey.

TRIBUNE, WEDNESDAY, APRIL 24, 2024: UTME: JAMB Rules Out Compensation for Lagos Hijab-Wearing Candidate: - The Joint Admissions and Matriculation Board (JAMB) has clarified that Ms Tiamiyu Ayisat Morenikeji, who was initially asked to remove her Hijab at Bafuto Institute, Ile-Iwe Bus Stop, Ejigbo, Lagos, during the 2024 Unified Tertiary Matriculation Examination (UTME), was eventually allowed to sit the examination without losing her scheduled time slot. According to JAMB's Spokesperson, Dr Fabian Benjamin, this clarification is necessary to counter misleading and erroneous claims circulating in some quarters that she was delayed for 30 minutes and deserves compensation. Dr. Fabian emphasized that this narrative is not only inaccurate but

also aims to stir up unnecessary controversy and prolong a resolved issue. He stated that JAMB has thoroughly investigated the incident and can confidently confirm that the candidate's time was not affected in any way. Therefore, no compensation is required. Also in Premium Times, Wednesday, April 24, 2024

TRIBUNE, THURSDAY, APRIL 25, 2024: JAMB Extends Direct Entry Registration Deadline: Contrary to earlier indications, the Joint Admissions and Matriculation Board (JAMB) has announced that the Direct Entry registration would not close on Thursday. In a recent post on its X handle, the Board acknowledged that its offices were closed during the Unified Tertiary Matriculation Examination (UTME) exercise, resulting in lost days for Direct Entry registration. To make up for this, JAMB has decided to extend the registration period, providing candidates with additional time to complete their registration.

PUNCH, THURSDAY, APRIL 25, 2024: JAMB Plans Meeting with NIMC over Candidates with Double NIN: Professor Is-haq Oloyede, the Registrar of the Joint Admissions Matriculation Board (JAMB), revealed that the Board has discovered cases of individuals possessing two National Identification Numbers (NINs) during the ongoing Unified Tertiary Matriculation Examination (UTME). This development has prompted the Board to engage with the National Identity Management Commission (NIMC) to address the issue. According to Oloyede, "The majority of the problems we face are related to impersonation. Despite introducing NIN, we have encountered cases of individuals with two NINs, which undermines the purpose of identity verification." He emphasized that JAMB will collaborate with NIMC to resolve this issue.

Furthermore, Oloyede highlighted the Board's successful deployment of advanced technology, which has

...Education in the Media

significantly improved the examination process. "While there is still room for improvement, we have made substantial progress in enhancing the efficiency, speed, and overall quality of the exercise through our efforts behind the scenes."

TRIBUNE, THURSDAY, APRIL 25, 2024: 18 Years Tertiary Education Admission Age Limit: WAEC, JAMB, NECO Shouldn't Register Underaged Again for Examinations-Parent Body: The National Parent-Teacher Association of Nigeria (NPTAN) has expressed support for the Minister of Education, Professor Tahir Mamman's recent pronouncement to peg the tertiary education admission age limit in Nigeria to 18 years instead of the current 16 years. The national president of NPTAN,

Alhaji Haruna Danjuma, expressed his backing on this recently during an exclusive interview with this publication.

He, however, urged the Federal Government to co-opt the three major examining bodies in the country, the West African Examinations Council (WAEC), the Joint Admissions and Matriculation Board (JAMB), and the National Examination Council (NECO) to make the proposal a policy that would work effectively. He said the three examination bodies have significant roles to play in the matter.

He added parents, who rush their children's education are mostly the rich and the educated ones, who can afford to send their children to private schools which usually admit underaged children without

considering their emotional maturity. Danjuma explained that for the minister of education to have aired his view again about the 18-year age limit for tertiary education admission is a way of reminding parents of the risk of rushing their children's education.

He further stated that the Federal Government should in that case, compel WAEC, NECO and JAMB to henceforth register only students, who are in the appropriate class and have attained the ages required for the examinations they are conducting.

He concluded that, based on the national policy on education, each examination targets certain students at a specific level of education.

EXAMINOTRICKS

PUNCH, WEDNESDAY, APRIL 24, 2024: 2024 UTME: Father Arrested for Taking Examination for Son: - The Joint Admissions and Matriculation Board (JAMB) has announced the arrest of two suspects, a father and son, for alleged impersonation during the 2024 Unified Tertiary Matriculation Examination (UTME). This revelation came as the Board confirmed that approximately 1.94 million candidates sat for the 2024 examinations nationwide. JAMB Registrar, Prof. Ishaq Oloyede, disclosed this information to reporters on Wednesday after monitoring the exam at the Kaduna State University CBT Centre, Kaduna. However, he declined to reveal the identities of the parent and child, as well as the location where the malpractice occurred.

Prof. Oloyede emphasized that cheating is not worth the risk, stating, "For those who engage in cheating, they should know that it does not pay. Our advanced technology is helping us to detect and prevent such incidents." Also in Premium Times, Wednesday, April 24, 2024

...JAMB Draws the Curtain on 2024 UTME, Commends NIMC, Other Partners

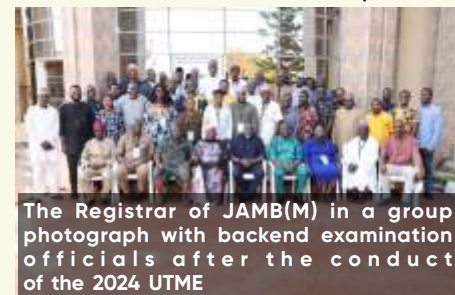

mountain is insurmountable once the will is there.

It is worthy of note that the Board's registration starts with candidates sending their National Identification Number (NIN) to the Board's two USSD sort codes (55019 and 66019) to pull their personal details. This process, without a shadow of doubt, has added significant value to the Board's efforts to establish the identity of candidates taking its examinations. It would be recalled

that examination malpractice, starts from the point of registration, through impersonation, a practice that has now been largely curtailed. If perchance this stage is compromised, the whole registration exercise would become a nullity.

With the 2024 UTME, the Board can conveniently say that it has achieved its stated goal of stamping out examination malpractice. Yes, diehard cheats would always try their luck but as witnessed during the

exercise, their chances of success is an absolute zero. Hence, the 2024 examination is adjudged to be the best in the annals of public

JOINT ADMISSIONS AND MATRICULATION BOARD

PROHIBITED ITEMS

The Joint Admissions and Matriculation Board (JAMB) has reaffirmed its stance against examination malpractice by restating the ban on certain items during the 2024 Unified Tertiary Matriculation Examination (UTME). These items as identified by the Board, are prohibited from examination venues due to their potential to aid in malpractice. Some of these prohibited items are but not limited to:

Caution
Prohibited items

1 MOBILE PHONES OR SIMILAR ELECTRONIC DEVICES

2 WATCHES

3 PEN/BIRO

4 SPY READING GLASSES WHICH SHOULD BE SCRUTINIZED

5 CALCULATORS OR SIMILAR ELECTRONIC DEVICES

6 USB, CD, HARD DISKS AND OR SIMILAR STORAGE DEVICES

7 BOOKS OR ANY READING/ WRITING MATERIAL

8 CAMERAS

9 RECORDERS

10 MICROPHONES

11 EAR PIECES

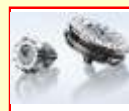

12 INK/PEN READERS

13 SMART LENSES

14 SMART RINGS/ JEWELLERY

15 OTHER SIMILAR DEVICES

The prohibition of these items is aimed at safeguarding the integrity of the UTME and preventing examination malpractice.

Over the years, these items have been noted to facilitate cheating among candidates and their collaborators. By banning them, JAMB intends to uphold the sanctity of its examinations and ensure fairness for all candidates.

The Board has reiterated its commitment to zero tolerance for examination malpractice. Any candidate or official found in possession of any of these prohibited items will face appropriate sanctions, which may include disqualification from the examination or legal action. These measures are intended to serve as a deterrent to potential offenders and maintain the credibility of the UTME results.

The restatement of the ban on prohibited items for the 2024 UTME underscores JAMB's determination to combat examination malpractice and uphold the integrity of its examinations. It is imperative for candidates and officials to adhere strictly to these regulations to ensure a fair and transparent examination process. JAMB's continued vigilance in enforcing these measures is crucial for maintaining the credibility and reliability of the UTME results.

CAREER IN FOCUS

BY OMOTOYOSI ADENLE, QA DEPARTMENT

METALLURGICAL AND MATERIAL ENGINEERING

Career in Focus is a new column in the Board's weekly publication, JAMBulletin. This column would be featuring content on profitable but not popular courses in Nigerian tertiary institutions as a way of creating career awareness for prospective candidates, most of whom lobby to study such courses as Law, Medicine, Engineering, Accounting, among others. This month, the career in focus is Material and Metallurgical Engineering.

Material and Metallurgical Engineering is a field that focuses on the study, development, processing, and application of materials, particularly metals and alloys. It encompasses various aspects related to understanding the properties, structure, and behaviour of materials, as well as designing and improving their performance for specific applications.

Let's break this further down. Imagine you have a big box of Lego bricks. A Material and Metallurgical Engineer is akin to a Lego master builder, but instead of building toys, he works with real materials such as metals, plastics, and other stuff that make up the world around us. So, let's say you have a bunch of different Lego bricks. Some are big, some are small, and are of different colours. Material engineers study all these materials to understand what they are made of, how they are put together, and how they can be used to make some really

cool stuff.

Now, let's talk about metallurgical engineering. Imagine you have a special set of Lego bricks that are made of metal, such as steel or aluminum. Metallurgical engineers focus on these metal 'Lego bricks'. They figure out how to make them stronger, lighter, and more durable. They also learn how to shape them into different things, like cars, buildings, or even spaceships! So, in simple terms, material and metallurgical engineering is all about understanding different materials and figuring out how to use them to build amazing things that make our world better and more awesome! Some key components of material and metallurgical engineering include materials science, metallurgy, materials characterization, materials processing, materials selection and design, failure analysis and prevention, industry applications and research and development.

The career prospects for material and metallurgical engineers are diverse and promising, with opportunities available in various industries and sectors. Here are some areas where knowledge in material and metallurgical engineering can be utilized: Aerospace Industry; Automotive Industry; Energy Sector; Electronics and Semiconductor Industry;

Medical and Healthcare Industry; Construction and Infrastructure; Defense and Aerospace; Research and Development; Manufacturing and Process Industries and many more. It is a five-year course under the faculty of Engineering.

UTME subjects required are: Use of English, Physics, Mathematics and Chemistry. O' level requirements are a credit pass in English Language, Mathematics, Chemistry, Physics and Biology. For special waivers from institutions, check the brochure on www.ibass.jamb.gov.ng.

Institutions offering material and metallurgical engineering include: Air Force Institute of Technology (AFIT), Nigerian Army University, Biu, Ambrose Alli University, FUTMINNA, UNILORIN and others. Check www.ibass.jamb.gov.ng for a comprehensive list of accredited institutions offering the course.

In Nigeria, the regulatory body for material and metallurgical engineers is the Council for the Regulation of Engineering in Nigeria (COREN) while the professional body is the Nigerian Metallurgical Society (NMS). A few outstanding Nigerian material and metallurgical engineers, who have made significant contributions to the field include: Professor Samuel John Ajayi, Professor Fola Esan and Dr. Theresa Akamabebe.

2024 DE REGISTRATION INSTRUCTION TO ALL REGISTRANTS

All registrants are to note that owing to the non-responsiveness of the following institutions to the 2023 verification requests from the Board, all candidates, who intend to use such certificates for Direct Entry application will, henceforth, have to pre-verify such certificates through the Board's Central

Admission Processing System(CAPS) to complete their registration. This measure is necessary to ensure that the Board will not have to go through the stress of getting concerned institutions to verify certificates issued by them.

For the avoidance of doubt, only candidates intending to use the certificates of the following fifteen

institutions will be subjected to the pre-verification process. Since all others are in good standing with the DE registration process, their candidates would be registered without pre-verification.

CERTIFICATES FROM THE FOLLOWING INSTITUTIONS TO BE PRE-VERIFIED BEFORE 2024 DIRECT ENTRY REGISTRATION

Candidates holding certificates issued by the following institutions, who intend to register for the 2024 Direct Entry, would have to pre-verify their certificates before completing their registration as their issuing institutions have failed to respond to repeated requests for verification of certificates issued by them. The institutions with their outstanding number of unverified certificates are:

I. Four(4) Universities:

- Ahmadu Bello University, Zaria (565 candidates);
- University of Nigeria, Nsukka (125);
- Ekiti State University, Ado-Ekiti (61); and
- Federal University of Technology, Owerri (12).

II. Five(5) Polytechnics/ Monotechnics: - Nuhu Bamalli Polytechnic, Zaria(61); - - Akanu Ibiyam Federal Polytechnic, Unwana, Afilpo, Ebonyi State(58);

- College of Health Technology, Calabar (25);

- Federal College of Animal Health and Production Technology, Vom, Plateau State (24); and

- Best Solution Polytechnic, Akure, Ondo State.

III. Six(6) Colleges of Education:

- Cross River State State College of Education, Akamkpa (91);

- Kashim Ibrahim College of Education, Maiduguri, Borno State (72);

- College of Education, Katsina-Ala,

Benue State (47);

- Osun State College of Education, Ila-Orangun, Osun State (27);

- Shehu Shagari College of Education, Sokoto (25); and

- College of Education, Waka-Biu, Borno State.

For the avoidance of doubt, only candidates intending to use certificates issued by these institutions for the 2024 Direct Entry, would have to pre-verify before completing their registration process.

RE: ADVISORY ON 2024 DIRECT ENTRY (DE) REGISTRATION, VERIFICATION AND ALIGNMENT OF DATA

This advisory is issued to guide stakeholders on the alignment of data for the 2024 DE registration and verification of candidates' data

1.0 PREAMBLE

The Board has been receiving series of complaints from institutions on candidates with forged or fake A-level certificates. Each institution has the policy of verifying the credentials of admitted candidates to ascertain their authenticity. One of such exercises was carried out by Bayero University, Kano, where the results of 148 admitted students were verified and 142 of them were found to be forged or faked. The Independent Corrupt Practices and other related Offences Commission (ICPC) in conjunction with the Federal Ministry of Education and JAMB subsequently carried out a sting operation at the A-level examination venues across the country. The result of which was extremely embarrassing to the Education sector. The then Chairman of ICPC said that much.

As a result of this, the Board had to, with the approval of the Federal Ministry of Education, act appropriately and establish the Nigeria Integrated Post-Secondary Education Data System (NIPEDS) which has the mandate to verify all A-level certificates used in the DE application before admission is considered.

2024 DE CANDIDATES VERIFICATION FLOW

Find below the flow of candidates' verification by NIPEDS:

Every candidate presents his/her credentials for DE registration at any of the JAMB PRCs/State Offices.

a. Upon receiving the document, it is classified as follows:

- i. For IJMB, JUPEB, NABTEB or Cambridge (post-2018) certificate or awaiting result candidates of IJMB, JUPEB or NABTEB, the candidate data is compared to the databank on NIPEDS for such qualifications. The system checks with the candidate's number as supplied by the respective examination body. The system verifies alignment of name, qualification, subject and grades (where applicable). Once the alignment is confirmed, the candidate continues and completes his/her registration.
- ii. For other qualifications other than "i" above, the credentials of the candidates are transmitted to the respective institution to authenticate/verify the claim.
- iii. If the institution is compliant (credibility of prompt response to verification request in 2023), the candidate is allowed to complete his/her DE registration without waiting for verification of the result from the awarding institution. For the avoidance of doubt, the following 15 institutions are regarded as non-compliant for the on-going 2024 DE registration:

A. Four (4) Universities:

- i. Ahmadu Bello University, Zaria (565 candidates);
- ii. University of Nigeria, Nsukka (125);
- iii. Ekiti State University, Ado-Ekiti (61); and
- iv. Federal University of Technology, Owerri (12).

B. Five (5) Polytechnics/Monotechnics:

- i. Nuhu Bamalli Polytechnic, Zaria (61);
- ii. Akanu Ibiam Federal Polytechnic, Unwana, Afi kpo, Ebonyi State (58);
- iii. College of Health Technology, Calabar (25);
- iv. Best Solution Polytechnic, Akure, Ondo State (24) and;
- v. Federal College of Animal Health and Production Technology, Vom, Plateau State (24);

C. Six (6) Colleges of Education:

- i. Cross River State State College of Education, Akamkpa (91);
- ii. Kashim Ibrahim College of Education, Maiduguri, Borno State (72);
- iii. College of Education, Katsina-Ala, Benue State (47);
- iv. Osun State College of Education, Ila-Orangun, Osun State (27);
- v. Shehu Shagari College of Education, Sokoto (25); and
- vi. College of Education, Waka-Biu, Borno State (20).

2.0 EXPERIENCE/LESSONS FROM 2023 VERIFICATION EXERCISE

The Board had on 23rd February 2023 issued an advisory to guide the registration of candidates seeking admission through Direct Entry (DE) in the 2023/2024 academic session. That was to address the issue of candidates who intended to use forged or fake A-level certificates/qualifications to secure admission.

For effective monitoring, DE registration from 2022/2023 academic session, has been restricted to JAMB-PRCs (offices).

For 2023 registration, of the 44,866 candidates who applied for the DE (or converted from UTME) 1,957 have so far been disclaimed by institutions/examination bodies.

The verification exercise by the Nigeria Post-Secondary Education Data System (NIPEDS) also revealed some discrepancies which could unduly disadvantage students/candidates or provide avenue for their impersonation. The discrepancies are:

S/N	Title	Description	2024 Solution provided by JAMB
i.	Discrepancies in Qualification	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
ii.	Discrepancies in Names	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
iii.	Discrepancies in Subjects	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
iv.	Discrepancies in Grades	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
v.	Discrepancies in Examination numbers and years of graduation	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024

Consequently, the Board introduced new measures, through the **THIRD-PARTY A-LEVEL DATA ALIGNMENT PLATFORM (TALDAP)**, to align the data supplied by the candidate with the data supplied by the examination bodies before DE registration.

Be guided, please.

...Low Examination Malpractice Rate Excites Education Minister

Admissions and Matriculation Board (JAMB) should be commended for the state-of-the-art technology it has deployed in the conduct of the UTME stating that by so doing, it has made the process seamless and credible.

A visibly-elated minister disclosed this on Monday, 22nd April, 2024, in Abuja, while monitoring the conduct of the 2024 UTME.

The Minister said, "The use of technology in our affairs and the educational system has made life easy and seamless for everybody

"From the report I have heard, the malpractice level is very low. Just about 100 cases out of the 1.2million candidates that had sat the examination so far. It has gone down drastically and I believe that it is the use of technology that has made that happen, so this is very good."

Prof. Tahir stressed the need for vocational skills acquisition for the youths, who are unable to further their education at the tertiary level.

"The issue of skills acquisition is very important because any student, who is not able to proceed to tertiary institution, should be able to have a

meaningful life even after primary education or secondary school.

"The way out is skills acquisition; by acquiring skills right from the time they enter primary school right through their educational trajectory, students should be able to finish with one skill or another.

"That is part of the assumptions of the 6-3-3-4 system. It is assumed that by the time a student finishes his JSS level, he would have acquired some skills such that even if he does not proceed to senior secondary level, he would have acquired some skills that would help him have a meaningful life and not be a burden on parents or society," he said.

The Minister also decried the desperation of some parents, who are determined to go to any lengths to get their underage wards admitted into tertiary institutions noting that an 18-year benchmark for admission into tertiary institution is in line with the 6-3-3-4 system of education.

He, therefore, urged tertiary institutions to desist from giving admissions to candidates less than 18 years of age.

He noted that parents are to blame for mounting undue pressure on school authorities to secure admission for their immature and, more often than not, inexperienced wards.

"The ideal minimum age of entry into the university for a child is 18, but we have seen students, who are 15 or 16 years taking the Board's entrance examinations.

"Parents should be encouraged not to push their wards too much on account of their inordinate ambition. Continuing, the minister said, "We are going to look at this development because these underage candidates are too young to understand what the essence of university education is all about.

"It is worthy of note that this period is the point when children migrate from controlled to uncontrolled environments as they take charge of their own affairs.

"But, if they are too young, they will not be able to manage the transition properly. I think that is part of what we are seeing in the universities today," he said.

RE: LAGOS CENTRE STOPS HIJAB-WEARING CANDIDATES AS UTME COMMENCES

The attention of the Board was drawn to an unfortunate incident at the Bafuto Institute, Ile-Iwe Bus Stop, Ejigbo, Lagos, where it was reported by Muslim News of Sunday, 21st April, 2024, and other platforms, that a candidate donning hijab was asked to remove her headcover during the accreditation process before being allowed into the examination hall.

The Board deeply regretted the incident and, on investigation discovered, that this particular incident or others in the past, is not linked to any of its examination guidelines but rather a product of the misplaced priority of some of the Board's accredited partners or officials who claimed ignorance of the Board's guidelines on accreditation, which ensures that all

candidates are screened allowing only female officials to screen female candidates before allowing them to gain entrance into the hall.

This situation was instantly addressed by a senior official of the Board at the centre and the candidate in question allowed in after the usual checks with her hijab.

However, since ignorance of the law is not an excuse, the officials have been appropriately sanctioned to serve as a deterrent to others, who might wish to toe the same line going forward.

Its worthy of note that the Board, as a national institution, has no policy barring candidates from sporting the religious paraphernalia peculiar to their religious persuasions as these are the facts of everyday life in Nigeria, which everyone should have

been familiar with by now.

Furthermore, the Board assures the general public that this issue would be properly investigated, as it had done in past incidents, to prevent a recurrence and nothing would be swept under the carpet.

The Board is committed to the discharge of its statutory role of ensuring that suitably-qualified candidates are selected for admission into the nation's tertiary institutions and would not allow anything or anyone to detract it from the pursuit of this noble goal.

Meanwhile, the conduct 2024 UTME, which commenced on Friday, 19th April, 2024, had been seamless as over 1.2million candidates would have successfully taken the examination by Monday, 22nd April, 2024.

LAGOS CENTRE STOPS HIJAB WEARING CANDIDATES AS UTME COMMENCES: THE CANDIDATE DID NOT LOSE ANY TIME

The Joint Admissions and Matriculation Board (JAMB) wishes to further reiterate that Ms. Tiamiyu Ayisat Morenikeji, who was asked to remove her Hijab at Bafuto Institute, Ile-Iwe Bus Stop, Ejigbo, Lagos, but was later allowed in through the kind intervention of the Board's officials on ground, did not lose a minute out of her scheduled time.

This clarification is necessary to dispel the erroneous insinuations in some quarters that she was not allowed into the examination venue until after 30 minutes with some even calling for compensation. This is a misleading narrative aimed at further inflaming passion and exacerbating an already-settled issue.

It is worthy of note that the incident had been thoroughly investigated by the Board and we could, therefore, state categorically that the candidate's time was not affected in anyway.

This fact was corroborated by the Supervisor at the centre, who is a lecturer of Islamics in one of the nation's universities, who has written extensively on the issue of hijab in many of his publications said, "At 6:20 am, when we were about to commence the biometric verification, I saw some female candidates removing their hijab."

"On enquiry, I was told that a centre official had asked them to remove their hijab. I immediately addressed the affected candidates and asked them to get back their hijab and proceed for their screening after

educating the official, who gave the misleading instruction. She was, thereafter, screened accordingly and allowed in with her hijab after which she sat the examination."

The Board perceives examination as a reflection of a candidate's performance especially where such a candidate was not deprived of any privilege or right. Therefore, the little drama associated with the entrance of Ms. Tiamiyu Ayisat Morenikeji into the examination venue has no effect on her time, space or anything related to her schedule as it happened within the time allotted to the biometric verification of candidates earmarked for a particular session and had, therefore, not even gained ingress into her final destination, the examination hall.

It is on record that the Board's examination officials comprising the team centre officials, the supervisor, technical staff, biometric verification officer and other officials, acted promptly to address the situation and the candidate was allowed to undergo other necessary processes preparatory to taking her examination in good time.

Part of the proactive measures taken was to immediately caution the overzealous centre official on the right way to go and the candidate subsequently asked to proceed for biometric screening prior to entering the holding hall to join her colleagues before the commencement of the examination, which she sat without any hindrance.

The call for compensation is,

therefore, misplaced not only because it has no place in our operation but because the candidate was not deprived of anything as the fracas lasted not more than five minutes and happened even before the official commencement time for screening not to talk of the examination proper. It was on record that she was one of the earliest to present herself for screening.

We urge all stakeholders, be it religious or civil society, to be circumspect with their requests, because the Board, as a national institution, does not pander to the whims and caprices of any group, creed or individual and will, therefore, continue to be fair and just in its dealings in line with its statutory duties.

It would be recalled that the Board has had cause to address such issues satisfactorily in the past and will, therefore, not shy away from doing the needful at all times.

We call for the support and understanding of individuals and groups to assist the Board in ensuring that no candidate, irrespective of his religious, social or ethnic status, is intimidated or denied his due rights even as we also urge the public to be conscious of the far-reaching implications of putting forward requests that should be situated firmly within the ambit of frivolity.

...JAMB Draws the Curtain on 2024 UTME, Commends NIMC, Other Partners

examinations in Africa.

As the Board rounds off yet another successful annual outing, the Board is looking at cases of candidates, who could not be biometrically verified during the examination and a position would be taken in due course.

For all those who miss the examination on account of lateness or other related issues not of the Board's making, they would have to wait till next year. This is owing to the fact that the examination was rescheduled only for candidates, who were biometrically verified but

unable to sit the examination, not those who are neither mentally nor materially ready to take this leap towards their dreams.

JAMB COMMENDS NITDA FOR TAKING DOWN SLIP CLONING WEBSITES

The Joint Admissions and Matriculation Board (JAMB) has commended the National Information Technology Development Agency (NITDA) for assisting the Board in taking down some cloned websites being used to print JAMB examination slips by cyber criminals with the intent of harvesting users' personal information.

The commendation came on the heels of the discovery and the taking down of one of these notorious phishing sites, "[http://slipsprinting.jamb.site/printing Examination slips.html](http://slipsprinting.jamb.site/printing_Examination_slips.html)", which was

put up to defraud unsuspecting candidates.

It would be recalled that NITDA had notified JAMB through a letter signed by its Director, Cyber Security Department, Dr. Lawan Ahmed, that the Agency had confirmed and shut down a phishing site being used to trick unsuspecting users into revealing their information through the facilitation of its Computer Emergency Readiness and Response Team (NITDA-CERT).

NITDA had subsequently recommended that the Board should issue a disclaimer regarding the cloned slips already printed by

some naive candidates from the website with a view to guiding the general public and mitigating the damage already done.

It is worthy of note that at another level, JAMB is also partnering with Nigeria Police Force National CyberCrime Centre for to address online scam-related issues through their veritable and robust platform.

Already, the Nigeria Police Force (NPF) had effected the arrest of some of these fraudsters and commenced their prosecution.

Contd From Pg 6

...JAMB Releases 2024 UTME Results, Investigates 64, 624

being investigated.

He pointed out that out of the 64,624 results classified as suspicious, 4,594 are to be subjected to further scrutiny while 78 have been flagged on account of perceived examination misconduct.

The breakdown of the results shows

that 8,401 candidates scored 300 and above; 77,070 candidates scored 250 to 299; 439,974 candidates scored 200 to 249; while 1,402,490 candidates scored 199 and below.

To check their results, the Board's helmsman advised candidates to

use the telephone number they had used to register to text UTMERESULT to 55019/66019 to check their results adding that there is no reason to approach any CBT centre or cybercafé to check their results.

NOTICE! NOTICE!! NOTICE!!!

This is to inform the general public that the Muhammadu Buhari Professional Testing Centre (PTC) 1 - 4, Kaduna, has been commercialised by the Board's Management and is now open for business.

The facility with a seating capacity of 1000 has a multi-purpose hall situated in a serene environment equipped with state-of-the-art technology and cutting edge facilities suitable for training programmes such as capacity-building workshops and seminars, ICT skills development and acquisition, social events such as wedding reception, birthday parties, meeting platform for government and private organisations, faith-based organisations, socio-cultural groups, as well as for recruitment and promotion exercises, selection test for scholarship awards, entrance examinations into basic and post-basic schools, Post-UTME screening test, among others.

ATTENTION!!!

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

🌿 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).

🌿 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.

🌿 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.

🌿 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

🌿 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.

🌿 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
