UTME REGISTRATION INFRACTIONS: WHY WE CANCELLED REGISTRATION OF 817 CANDIDATES, SANCTIONED 178 CENTRES - JAMB

Prof. is-haq Oloyede, Registrar, JAMB addressing proprietors of CBT centres.

Fresh facts have emerged as to the reason for the cancellation of the registration of 817 candidates in the ongoing Unified Tertiary Matriculation Examination (UTME) exercise by the Joint Admissions and Matriculation Board (JAMB).

The Registrar, Prof. Is-haq Oloyede, disclosed this shortly after holding a series of meetings with proprietors of CBT centres involved in the infractions, the candidates and other critical stakeholders in Abuja on Wednesday, 8th February, 2023.

The Registrar said the sanctions became imperative because the

"DON'T GIVE IN TO EXTORTION"- JAMB WARNS CANDIDATES

Sequel to the findings of the various UTME Registration Monitoring Teams on the series of registration infractions discovered in various centres nationwide, the Registrar, Joint Admissions and Matriculation Board (JAMB), Prof. Is-haq Oloyede, has warned all candidates seeking to take the 2023 UTME not to fall victims of any act of extortion as the Board would deal

DON'T KEEP CANDIDATES PHONE NUMBER OR OTHER PERSONAL DETAILS - JAMB

The Joint Admissions and Matriculation Board (JAMB), has again, reiterated the need for all its partners to comply with the requirements of the Data Protection Act by refraining from obtaining data of candidates by any means.

The Registrar, Prof. Oloyede, who led a monitoring team to some CBT centres in Abuja, to observe the conduct of the ongoing 2023 UTME registration exercise, noticed that some centres were collecting phone numbers of candidates they registered.

He maintained that no centres have the right to keep any candidates' data in terms of either phone number, profile code or passwords. He warned that any centre found to be in possession of such would be sanctioned.

WE SHALL REJIG NIM IN JAMB - OLOYEDE

The Registrar of the Joint Admissions and Matriculation Board (JAMB), Prof. Is-haq Oloyede, has assured the leadership of the Nigerian Institute of Management (NIM) that his administration would rejig the activities of the Institute within the Board for optimal service delivery.

...We Shall Rejig NIM in JAMB - Oloyede

The Registrar made this commitment when he played host to the delegation of the Institute at the Board's National Headquarters, Bwari, Abuja, on Tuesday, 7th February, 2023.

Speaking earlier, the Sole Administrator, NIM, Mr. Akin Iroko, expressed appreciation to the Registrar for the opportunity granted to the Institute to meet with the Management of the Board.

Mr. Iroko stated that his visit to the Board, which he described as historical as it marked his first visit to the Board as the Sole Administrator, NIM, was to enter into a lasting partnership with the Board towards ensuring a more robust engagement by its largely dormant members within the branch, particularly in terms of active participation in its various programmes. He also sought the sponsorship of members of NIM in the Board to the Institute's Intensive Training Management Programme (ITMA).

According to him, "ITMA is one of the Institute's executive programmes that has enjoyed immense patronage on account of its rich curriculum."

The Sole Administrator also stated that this rich curriculum would be of great benefits to members of staff of the Board, especially, the Management staff, citing example of the Institute's 'Womlead', which he said involves women in management.

Responding, Prof. Oloyede, who is also a Fellow of the Institute, expressed appreciation to the leadership of the NIM for the visit, stressing that the body had enough potential that could be of tremendous benefits to the staff of the Board.

The Registrar assured the leadership of the Institute that the Board would rejig the activities of NIM in JAMB adding that he was instrumental to the establishment of a robust branch of at the University of Ilorin.

In his words, "NIM has immense potential. I always attend the meeting of Fellows whenever I get the invitation, and I sincerely apologised for not being up-to-date in the payment of my membership dues. I know the value of NIM, as Vice Chancellor, I had established a branch of NIM at the University of Ilorin and they are doing very well."

"I will direct one of my senior members of staff to arrange for a branch meeting of all members of the Institute. We will reactivate the Institute."

Earlier, the Registrar had lamented not having enough in recent times to fully participate in the activities of NIM and for not fulfilling his financial obligation and promised to do the needful as soon as possible.

On sponsorship, Prof. Oloyede stated that the Management would look into the training application of members of the Institute within the Board in much the same way the Board handles the applications of the Institute of Chartered Accountants of Nigeria (ICAN) and the Association of National Accountants of Nigeria (ANAN) members, provided the applications received fall within manageable number, "if the number is too large, then, it would be made rotational." He concluded.

In the entourage of the Sole Administrator were the Director, Capacity Building, NIM, Mr. Jude Iheanacho, Assistant Director, NIM Office, Abuja, Mr. Emeka Emelumo, among others.

JAMB CONDUCTS WACP MEMBERSHIP AND PRIMARY EXAMINATIONS

As part of measures to uphold the credibility and sanctity of its examinations, the West African College of Physicians (WACP) has sought the services of the Joint Admissions and Matriculation Board (JAMB) to conduct its 2023 Membership and Primary Examinations.

The exercise, which took place simultaneously in Ghana and Nigeria on Wednesday, 8th and Thursday, 9th February, 2023, aimed at examining WACP Members in Paediatrics, Psychiatry, Internal Medicine, Community Health and Family Medicine towards completing their specialty training.

Ahead of the examinations in Ghana, one of the Community Health Representatives of WACP at the Ghana venue, Dr. Emelia Udofia, disclosed to the examinees that JAMB does not rate negatively, as such, candidates were advised to attempt all questions. While urging them not to panic, she stated that examination phobia has negative effects on the performance of test takers. She also admonished the candidates to be time conscious as the test allotted time would start counting down as soon as they log in.

In his address, the immediate past Secretary-General of the College, Dr. Albert Akpalu, commended the JAMB Registrar, Prof. Is-haq Oloyede, and his Management Team for providing the enabling environment for the partnership between the Board and the College.

EDUCATION IN THE MEDIA

THISDAY NEWSPAPER MONDAY FEBRUARY 6, 2023 - UTME : Over 789 Students Impersonated So Far, Says JAMB Registrar: The Registrar, Joint Admissions and Matriculation Board (JAMB), Prof Is-haq Oloyede, at the weekend disclosed that about 789 students had been impersonated in the course of registration for this year's Unified Tertiary Matriculation Examination in the country.

Professor Oloyede, who spoke during an inspection tour of some JAMB Computer-based Centres in Osogbo, Osun State capital, at the weekend said: "... they now engaged CBT workers who will work with centres, and innocently, the centres may not pay them well not knowing they are impersonator, so he will now come with his own students and he puts his fingers and register his own fingers along with the fingers of the candidate."

Oloyede opined that, "JAMB is picking them up, and we have enough intelligence to detect them, and get them arrested."

"There is no shortcut to success in UTME, the only route to success is to study hard and go through the right channel." **Also available in VANGUARD NEWSPAPER MONDAY FEBRUARY 6, 2023.**

PUNCH NEWSPAPER MONDAY FEBRUARY 6, 2023 – UTME: JAMB Nabs Corps Member, Others Over Registration Infractions: The Joint Admissions and Matriculation Board on Monday announced that it caught some culprits who were engaged in registration infractions for the 2023 registration process of the Unified Tertiary Matriculation Examination and Direct Entry examinations.

This was made known in a statement issued by the Board's Head of Public Affairs and Protocol, Dr. Fabian Benjamin.

The Board had earlier noted that it would not allow infractions and other forms of impersonation during the 2023 registration exercise.

While giving details in the statement, the Board said, "The 2023 Registration Monitoring Team of the Joint Admissions and Matriculation Board led by its Registrar, Prof. Is-haq Oloyede, was in Kano State earlier in the week, where the team nabbed the registration officers of some accredited Computer-Based Test Centres for registration infractions.

"One of the culprits, a corps member, who is serving at the Federal College of Education, Kano, and engaged by the College PTDF-ICT CBT Centre; a graduate of Engineering, who also works at the Centre as a registration officer, was caught after he had added one of his fingers to complete the ten fingers of some candidates he registered."

"The team also apprehended four other registration officers at Butale Information Technology CBT Centre.

All the arrested registration officers would be profiled and prosecuted if necessary in line with relevant laws guiding identity theft".

The Board also noted that the team was earlier in Lagos to monitor the registration exercise in the State. It was in Lagos that the team ordered the immediate suspension of 4 e-PIN vendors for extortion of innocent candidates in the ongoing 2023 UTME registration exercise nationwide.

It was also disclosed that, "One of the e-pin vendors was suspended for selling registration form at N7, 800 against the approved N5, 700 by JAMB". **Also available in INDEPENDENT NEWSPAPER MONDAY FEBRUARY 6, 2023.**

DAILY TRUST NEWSPAPER TUESDAY FEBRUARY 7, 2023 – TETFund Begins National Employability Benchmarking Programme For Varsities: Executive Secretary, Tertiary Education Trust Fund, Sonny Echono, has said that TETFund had commenced the conduct of a National Employability Benchmarking Programme in Nigerian universities.

He said it was in collaboration with the International Finance Corporation (IFC) and other local partners.

He said the move was part of efforts to improve employability in the country and help steer higher education institutions towards better alignment with market needs.

He spoke at the National Employability Benchmarking Programme in Abuja, saying, IFC was utilizing its vitae employability tool to provide a diagnostic macro snapshot of how well tertiary institutions in Nigeria are implementing employability best practices.

"The first stage of the programme was to develop a snapshot of current employability practices, specifically to understand how the current regulatory policy framework may act as an enabler or barrier to success." **Also available in LEADERSHIP NEWSPAPER TUESDAY FEBRUARY 7, 2023, NEW TELEGRAPH NEWSPAPER TUESDAY FEBRUARY 7, 2023, PUNCH NEWSPAPER TUESDAY FEBRUARY 7, 2023 and BLUEPRINT NEWSPAPER TUESDAY FEBRUARY 7, 2023**

FEBRUARY 8, 2023 - UTME Registration Closes Feb 14, JAMB Insists: Joint Admissions and Matriculation Board (JAMB) has warned candidates, who desire to take the 2023 Unified Tertiary Matriculation Examination (UTME) to create their profiles and proceed to complete their registration as the sale of e-PINs will close on Tuesday, February 14.

This was contained in a statement issued by the Board's Head of Public Affairs and Protocol, Dr. Fabian Banjamin who said, "The Board has noticed a drop in the number of candidates at registration centres and hope there will not be any late surge as no extension whatsoever will be countenanced."

The Board warned the prospective candidates to note that the UTME calendar is planned in such a way to create a window for other examination bodies to also perform their statutory roles.

According to the Board, "it is expedient to remind prospective candidates to take advantage of the near empty registration centres to register now rather than wait till the last minute to mount undue pressure on the system." **Also available in BLUEPRINT NEWSPAPER TUESDAY FEBRUARY 7, 2023.**

DAILY TRUST NEWSPAPER THURSDAY FEBRUARY 9, 2023 - UTME: JAMB Cancels Registrations Of 817 Candidates, Asks Them To Register Afresh: The Joint Admissions and Matriculation Board (JAMB) says it has cancelled the registrations of 817 candidates in the 2023 Unified Tertiary Matriculation Examination (UTME).

Registrar of JAMB, Professor Is-haq Oloyede, after separate meetings with stakeholders on Tuesday, said the registrations were invalidated over identified infractions bordering on use of strange biometric fingerprints in the registration process.

While saying some registration officers in the affected 178 Computer Based Test (CBT) centres added one or more of their fingerprints to complete the registration process for the candidates, Oloyede, however, said the 817 students would be given another opportunity to re-register for the exam with the centres bearing the cost.

He said "For the students who allowed other people to add their fingers to their registration procedure, we found out that some of them were only naive, because you will hear them saying my finger was hot, and the man added his own."

He said: "Some of them did it deliberately for impersonation but we can't identify those who are genuine from those who are not genuine. We will cancel all of them. All the registrations and we will ask them to re-register."

"The centres involved, we have just met with them, and they all confessed, nobody is disputing it, even students that were telling lies, they know we have the technology that won't allow any lie to be accommodated."

Speaking on the recent suspension of five e-pin vendors for selling UTME registration pins above the stipulated price, the JAMB boss said four of the five have been let off the hook.

He however, said the excess payment would be refunded by the affected vendors to the Federal Competition and Consumer Protection Commission (FCCPC) for necessary action. **Also available in GUARDIAN NEWSPAPER THURSDAY FEBRUARY 9, 2023, TRIBUNE NEWSPAPER THURSDAY FEBRUARY 9, 2023, NEW TELEGRAPH NEWSPAPER THURSDAY FEBRUARY 9, 2023, THISDAY NEWSPAPER THURSDAY FEBRUARY 9, 2023, NATION NEWSPAPER THURSDAY FEBRUARY 9, 2023, INDEPENDENT NEWSPAPER THURSDAY FEBRUARY 9, 2023, DAILY TRUST NEWSPAPER THURSDAY FEBRUARY 9, 2023, GUARDIAN NEWSPAPER THURSDAY FEBRUARY 9, 2023, VANGUARD NEWSPAPER THURSDAY FEBRUARY 9, 2023, SUN NEWSPAPER THURSDAY FEBRUARY 9, 2023 and LEADERSHIP NEWSPAPER THURSDAY FEBRUARY 9, 2023.**

LEADERSHIP NEWSPAPER THURSDAY FEBRUARY 9, 2023 - MDAs: Civil Servants Fault Merger Process: Some concerned civil servants, especially staff of the defunct National Planning Commission (NPC), have faulted the process of merging Ministries, Departments, and Agencies (MDAs).

The staff of the now merged Federal Ministry of Finance, Budget, and National Planning have lamented that their regularization process was marred by irregularities, nepotism, favouritism, and abuse of recruitment standards.

The staff who spoke on condition of anonymity for fear of victimisation in Abuja said the regularisation and mainstreaming process was seriously abused by the Federal Civil Service Commission (FCSC) with the alleged interference and influence of a deputy director in the FCSC chairman's office.

They stressed the need for the abnormality to be corrected and addressed by placing officers on appropriate levels, required cadre, and areas of specialisation.

DAILY TRUST NEWSPAPER FRIDAY FEBRUARY 10, 2023 - FG Directs Universities To Shut Down For Elections: The National Universities Commission (NUC) has directed Vice-Chancellors of Nigerian Universities to close universities during the upcoming 2023 elections.

This was contained in a letter directed to all Vice-Chancellors dated 3rd February and signed by the Deputy Executive Secretary (Administration) for Executive Secretary, Dr Chris J. Maiyaki.

...UTME REGISTRATION INFRACTIONS: Why We Cancelled Registration of 817 Candidates, Sanctioned 178 Centres - JAMB

candidates and centres have flagrantly breached the rules of engagements and disregard extant Advisories made available to them prior to the commencement of the registration exercise, and which were also published in both print and electronic media.

The Registrar expressed astonishment as to why the centres should contemplate compromising the Board registration process in spite of the palliative gestures and logistics that the Board had extended to CBT operators to provide succour to them.

According to him, the Board was not happy with their conduct, which he described as criminal in nature and clearly orchestrated to undermine the Board's biometric verification processes during the upcoming UTME on account of the multiple fingerprints they have inputted into the system.

He said the Board had cancelled the suspect registrations and order those candidates to go back and re-register on a date to be communicated to the candidates where they had hitherto registered at no cost to the Board as the identified CBT centres would bear the cost of the repeat exercise.

He said the implication of this act was enormous as it gives unfettered access to candidates' information by unauthorised persons to either change or edit such information and destroy the good work of JAMB.

Prof. Oloyede said having access to candidates' details is prohibited and against the Data Protection Act, which imposed 3 years imprisonment for those that run foul of this law.

According to him, the affected 178 Computer-Based Test (CBT) centres had engaged in 'fingerprint donation' whereby one of their officials would add one of their fingerprints to complete the registration process for the candidates. He said all the 817 students would be given another opportunity to re-register for the examination with the centres bearing the cost.

"For students, who allowed other people to add their fingers to their registration procedure, we found that some of them were naive, because you will hear them say: 'my finger was hot, and the man added his own.'

"Some of them did it deliberately for impersonation but we can't identify those who are genuine from those who are not. As such, we will cancel all the registrations and ask them to re-register."

The Registrar stated that the centres involved had all confessed with no exception and they had come up with workable solutions.

"We will cancel the registration of those concerned and send a message to them to go back to the same centres where they were registered."

On the recent suspension of five Vendors for selling UTME registration ePINs above the stipulated price, the Registrar said four out of the five had been cleared.

He, however, said the excess payment would be refunded by the affected CBT centres to the Federal Competition and Consumer Protection Commission (FCCPC) for necessary action.

THERE ARE NO CHALLENGES ASSOCIATED WITH CAPS - JAMB

It has come to the knowledge of the Board that some institutions are experiencing challenges accessing their Central Admissions Processing System (CAPS).

In reality, after updating the CAPS platform to improve security to serve the institutions and the public better, all users of the platform were mandated to change their existing passwords to which an Advisory on the landing page of the CAPS platform has been provided.

Institutions are, therefore, urged to carefully read the instructions contained in the Advisory as the Registrar had directed that these should be rewritten in clear and unambiguous language for all to understand.

However, any institution, which after reading and following the instructions, still encounter challenges, should contact the Director, Admissions, JAMB, for assistance.

The Board also noticed that at the inception of CAPS, some institutions used the personal email addresses of Officers responsible for access to CAPS to create their CAPS profile.

This has contributed to the inability of these institutions to promptly access their CAPS profile as the new passwords were sent only to the registered email addresses.

Consequently, institutions are advised to, henceforth, use only official email addresses to create such sensitive profiles to avoid any future challenges.

Other contributing factors could be that some institutions had logins that do not conform to the new security standard, hence such institutions would need to update their profiles with new email addresses to be able to access their CAPS.

Also worthy of note is that some institutions had typographical errors on their email addresses, thus, preventing the successful delivery of the new passwords.

JAMB REGISTRAR PLEDGES SUPPORT FOR SPORTS DEVELOPMENT IN VARSITIES

The Registrar of JAMB, Prof. Oloyede(2nd left); the National President of NUGA, Mr Emeka Ogbu with other members of NUGA at the Board's NHQ, Bwari Abuja.

The Registrar, Joint Admissions and Matriculation Board (JAMB), Prof. Is-haq Oloyede, has pledged the support of the Board to the growth of sport in the nation's universities saying that the value of sports to national development cannot be overemphasised and if encouraged, will foster the spirit of unity and patriotism among the youths.

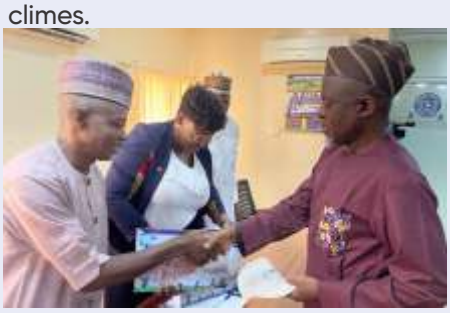
Prof. Oloyede made this declaration when he hosted members of the Nigerian Universities Games Association (NUGA) at the Board's National Headquarters, Bwari, Abuja.

The 3-man delegation, led by its National President, Mr. Emeka Ogbu, implored the Registrar to support the Association in its bid to facilitate robust sports activities in tertiary institutions in the country.

"It has been noticed that in foreign climes, most of the athletes who represent their countries in international games such as the Olympics, were groomed from their various universities to compete and win laurels for their countries.

This, he added would be a great avenue for Nigeria to look into, not only to foster sport development in the country by nurturing young talents but also to encourage sport as a profession by not restricting students to reading courses that might render them jobless upon graduation. He added that the era of tertiary institutions being used to groom students for "blue-collar" jobs should end as the world is fast diversifying.

Responding, the Registrar pledged the Board's support for whatever venture would enhance the development of the Nigerian child such that they are able to compete favourably with their peers in other climes.



FEW FACTS ABOUT JAMB

- The Joint Admissions and Matriculation Board (JAMB) was established for the general control of the conduct of matriculation examinations for admissions into all universities, polytechnics, monotechnics, colleges of education and (recently added) Innovation Enterprise Institutes (IEIs).

- Section 5 (2)of the ACT establishing the Board provided as stated: For the avoidance of doubt, the Board shall be responsible for determining matriculation requirements and conducting examinations leading to undergraduate admissions and also for admissions to National Diploma and the Nigerian Certificate in Education courses, but shall not be responsible for examinations or any other selective process for postgraduate courses and any other courses offered by the tertiary institutions. In the implementation of this section, there is always a synergy with the National Universities Commission(NUC), the National Board for Technical Education(NBTE) and the National Commission for Colleges of Education(NCCE) with the endorsement of the National Council on Education(NCE).

- In exercising this power, the Board is always guided by admission guidelines approved by the Policy Meeting under the Chairmanship of the Hon. Minister of Education with all Heads of Tertiary Institutions and other stakeholders in attendance.

- Since the inception of the Interim Joint Matriculation Board Examination (IJMBE), JAMB appoints moderators for all its questions as well as the grading of candidates scores. It has always done this without failing to still accommodate 'HSC' within the current 6-3-3-4 system. The National Council on Education(NCE) guidelines for the Joint Universities Preliminary Examinations Board (JUPEB) also endorsed the practice for JUPEB.

- The Joint Admissions and Matriculation Board shall continue to operate within its laws.

decisively with anyone who flouts the directives of the Board.

The Registrar made this pronouncement during the interrogation of 639 candidates, who were found to have been involved in registration infraction of using other fingerprints other than theirs to register for the examination.

Upon interrogation, most of the candidates claimed ignorance of the implications of their action claiming that the centre officials had used their fingerprints to complete the candidates' registration owing to their inability to complete such by themselves.

It should be recalled that the Board had announced that it would always be one step ahead of miscreants, who seek to thwart its efforts to stem the tide of examination malpractice.

The recent discoveries had underscored this assertion as it had developed appropriate techniques to detect any infraction even at the point of registration. The veracity of this claim was borne out by the way the system was able to detect two different fingerprints used in one registration.

Prof. Oloyede charged candidates not to give their details or allow anyone to help them with any of the processes as everything has been made easy for them to do everything by themselves. He added, "By allowing another person to thumbprint for you, you have exposed all your details to them which they could alter in whatever manner they like to your detriment."

2023 UTME/DE REGISTRATION: SELF - REGISTRATION PREPARES CANDIDATES FOR CHALLENGES AHEAD - Adebiyi

It would be recalled that the Board during the 2022 UTME, introduced self-registration in Lagos and Abuja to leverage on the digital competence of the increasing number of computer-savvy candidates applying for its application documents so as to reduce the crowds at Computer-Based Test (CBT) centres during the 2023 UTME/DE registration.

Against the backdrop of this initiative, the Abia State Coordinator, Mr. Johnson Adebiyi, has opened more registration access points for candidates, who daily thronged the Abia State Office of the Board, to get them directly involved in inputting their registration details on the Board's portal.

According to the State Coordinator, besides advancing the digital competence of these candidates, who believe they can do the registration on their own, the expansion of the registration points would serve to relieve the State Office of extra workload and allow the candidates take full control of their registration experience.

Furthermore, self-registration would also prepare the candidates for their rigorous academic engagements in tertiary institutions, as well as assist the State Office to meet the February 14th deadline given by the Board for the close of 2023 UTME registration.

Mr. Adebiyi stressed that self-registration is a great way to get candidates involved in the operational processes of the Board. He added that the initiative is also a veritable means to show candidates that the Board had implicit trust in them to get the job done. The State Coordinator expressed satisfaction with the seamless registration mode and concluded that it should be the norm rather than the exception.

JAMB MANAGEMENT MONITORS 2023 UTME REGISTRATION EXERCISE IN ABUJA

...Elites Schools Exploiting Parents - Oloyede

As part of efforts to sanitise all aspects of its operational processes, the Joint Admissions and Matriculation Board (JAMB) has reiterated its determination to always monitor the performance of its operatives and partners so as to preclude the unbridled exploitation of hapless candidates by profit-seeking entities and their collaborators.

The exercise, which began at the Board's Professional Testing Centre in Bwari, coincided with the conduct of staff promotion examination by the Economic and Financial Crimes Commission (EFCC), which was being held simultaneously at Total Child Care CBT Centre; the Board's Zonal Office, Abuja; Global Distance Learning CBT Centre, Sascon

FCSC RETREAT: DIGITAL LITERACY PANACEA FOR ENTRENCHING A VIRILE CIVIL SERVICE - DR INGAWA

The Chairman of the Federal Civil Service Commission (FCSC), Dr. Tukur Ingawa.

The Chairman of the Federal Civil Service Commission (FCSC), Dr. Tukur Ingawa, has advocated the adoption of digital literacy as well as the automation of the recruitment and promotion exercises, adding that digitisation was the panacea for achieving a virile civil service.

The Chairman also disclosed that the Commission was partnering with the Joint Admissions and Matriculation Board(JAMB) on the adoption of Computer-Based Test for its recruitment and promotion exercises.

The Chairman, in his remarks at a one-day retreat organised by the FCSC on Monday, 6th February, 2023, in Abuja, said there was an urgent need for the automation of the system to maximise the benefits inherent in paperless examinations, which among others, include the eradication of infractions in the conduct of the various exercises.

According to him, the retreat was aimed at brainstorming on how to make the system more efficient noting that the partnership with JAMB would enable the Commission to tap from the wealth of experience recorded by the Board in its administration of CBT.

He commended Prof. Is-haq Oloyede for his transformation agenda in the Board and the education sector in general through leveraging on appropriate technology to reposition the Board.

"We have invited JAMB to learn from the successes it has recorded. The Board is a pacesetter and we are poised to make the system more efficient. Therefore, the objective of this retreat is to make the Commission better than the way we met it," he said.

In her remarks, the Permanent Secretary, FCSC, Dr. Mary Okpe, said the retreat was to make critical appraisal of what FCSC is currently doing with a view to making it better and efficient in line with global best practices.

She said the world had moved on digitally. She noted that, in line with

The Permanent Secretary, FCSC, Dr. Mary Okpe

the mandate of the Commission, there is a need to explore better ways of doing things, hence the need toleave an enduring legacy worthy of emulation.

She said the theme of the retreat titled: "Repositioning Federal Civil Service Commission for Efficient and Effective Service" was apt and expressed optimism that things would work out well by leaving a good legacy for Nigerians as she lamented the unfortunate situation on ground at present.

In his paper titled: "The Imperative of Computer-Based Test for the Conduct of Promotion Exercise in the

Civil Service of Nigeria," the Registrar, Prof. Is-haq Oloyede, underscored the importance of digital literacy as a sine qua non for effective discharge of public service in contemporary Nigeria stating that the use of computer has become imperative even when the CBT was not an option.

Prof. Oloyede pointed out that the FCSC would be taking a bold step by conducting its promotion/recruitment examinations with the aid of technology, which, he stated could yield more efficient processes allowing for a greater number of promotions to be implemented within a short time frame.

He stressed that the use of computer-based test would help to eliminate bias as well as restore sanity and credibility to the process.

The Registrar also declared that JAMB was ready to assist the Commission in its transition from manual mode of testing to computer-based one that would eliminate all forms of favoritism and manipulation adding that the Board was ready to be part of the movement in that regard.

Prof. Oloyede's presentation also touched on the rudiments of CBT, the various stages involved in the migration from paper-pencil testing, advantages and challenges of CBT, the correlation of UTME scores and candidates' ability, post-UTME, third-party examinations, among others.

NLA CANVASSES REMOVAL OF LIBRARY AND INFORMATION SCIENCES FROM FACULTY OF EDUCATION, SEEKS OWN FACULTY

The Registrar of JAMB, Prof. Is-haq Oloyede(3rd left); the National President, NLA, Mr Mr Dominic Omokaro (3rd right) with other members of management of NLA at the NHQ of JAMB in Bwari Abuja.

In an effort to carve a niche for its members, the Nigerian Librarians Association (NLA), the umbrella professional association of practicing librarians and allied library workers in Nigeria, has canvassed for the removal of Department of Library Sciences from the Faculty of Education in all Nigerian Universities offering the course while seeking the establishment of Faculty of Library and Information Sciences with Departments in Information Science, Library Science, Information Management, Records Management, Health Informatics, Archival Studies, School Library, and Media Technology, instead.

This development was disclosed by the National President of the Association, Mr. Dominic Omokaro, when he led a delegation to the Office of the Registrar of the Joint Admissions and Matriculation Board (JAMB), Prof. Is-haq Oloyede, at the Board's National Headquarters, Bwari, Abuja, on Tuesday, 7th February, 2023.

While speaking, Mr. Omokaro expressed the Association's reservations about the alteration made to its class of degree as well as the nomenclature of graduates of the discipline from Bachelor of Library Science (B.LS) to Bachelor of Education (B. Ed.) by the National Universities Commission (NUC) and sought the Board's support towards ensuring reversal of the situation.

"We have come to identify with you and to seek your support to mediate between our Association and the National Universities Commission (NUC) to revert the class of degree of graduates of Library and Information Sciences from Bachelor of Education (B.Ed.) to Bachelor of Library Science (B.LS), which was its former designation," he said.

According to Mr. Omokaro, the Library & Information Science Core Curriculum and Minimum Academic Standard (LIS CCMAS) recently infused into the curriculum of librarians-in-training by the National Universities Commission (NUC) had completely altered the essence of the library science programme, which aims at producing library and information professionals, stressing that graduates of LIS CCMAS would be teachers not librarians.

According to the President, "It is pertinent to note that the infusion of education courses, including teaching practice into the library science curriculum, suggests that the goal of the programme is to produce teachers that would be certified by Teachers' Registration Council of Nigeria (TRCN) and not professional librarians certified by the Librarians' Professional Council of Nigeria (LRCN)."

"The award of B.Ed. degree at the end of the programme seems to us as an attempt to obliterate the training of potential librarians as the nomenclature of the new degree is contrary to the philosophy and objectives of library and information sciences."

Mr. Omokaro stated further that "The award of Bachelor of Library Science (B.LS), Bachelor of Library and Information Science (B.LIS), Bachelor of Science (B.Sc.) or Bachelor of Arts (B.A.) in Library and Information Science are the globally-accepted class of degrees for first degree graduates of library sciences not B.Ed."

The Registrar, Prof. Is-haq Oloyede, expressed appreciation to the leadership of the Association for the visit while admonishing them to be proactive on the matter as it was a serious issue that needed to be addressed with facts and data as soon as possible because it affects the lives and careers of upcoming generations of Nigerians.

The Registrar said, "Library Science is a profession that should be outside the Faculty of Education, even though the library is a part of education, because without it, there would not be a formal education. We envisaged this challenge and

that was why we took the decision to move Library Science to the Faculty of Communication and Information Science. This is to facilitate a Faculty where the programme could be properly housed, both physically and in practice, when we established the new Faculty at the University of Ilorin, when I was a Vice Chancellor, and as we speak, about five or more universities had emulated us." I urge you to contact appropriate authorities, particularly, the National Universities Commission, Prof. Peter Okebukola, who has sufficient experience to guide you on the way forward."

Other members of the delegation were the Director, FCT Education Resource Centre, Hajiya Neemat Abdulrahim; Professor of Information and Library Science, University of Abuja, Prof. R.I. Echezona; Administrative Officer, NLA, Mrs. Omoh Atsenoichai, and Mrs. Folasade Adepoju, National Library of Nigeria.

..JAMB Management Monitors 2023 UTME Registration Exercise in Abuja

International School CBT Centre, among others.

In the course of the exercise, the team, which was accompanied by members of the media, was shocked to discover that some elite schools were charging as high as N30,000 for the UTME instead of N5,700 despite the series of warnings by the Board to its partnering centres that parents should pay only the stipulated fee and not a dime more. This particular incident occurred at Sascon International School CBT Centre, where the students of Stella Maris School, who were being registered by the centre, disclosed to the monitoring team that they paid N30,000 to their school for UTME registration.

This revelation was shocking to say the least as the team wondered why parents would willingly pay such huge sums of money when they know that the official fee is far less.

Resonding, the Registrar warned that this unfortunate act of extortion, couched in the garb of group purchases of UTME registration documents and registration of candidates, is against the Board's extant rule with respect to registering candidates. He stated that this unconscionable act was capable of engendering serious challenges in the system as the schools inevitably end up complicating issues for their candidates when they thought they were helping them.

The Registrar explained further that the Board frowns at group registration because the identities of candidates are muddled up in the process. He added that even the process of buying SIMs for the candidates and creating group profiles are recipes for trouble.

The Board reiterates that no schools or individuals are allowed to extort parents using the Board's UTME as an excuse as its fees are fixed and pocket-friendly. It added that the UTME is not a school-based examination and, as such, no schools or individuals have the authority to collect any fees on behalf of the Board. Any CBT centre that acts contrary to this directive would certainly be sanctioned.

Besides these isolated cases of extortion noticed, the Board expressed satisfaction with the 2023 UTME registration exercise which is billed to end on Tuesday, 14th February, 2023.

JOINT ADMISSIONS AND MATRICULATION BOARD

NATIONAL HEADQUARTERS, BWARI, ABUJA

ADVISORY TO INSTITUTIONS ON HOW TO HANDLE THE CONDONEMENT OF UNDISCLOSED ILLEGAL INSTITUTIONAL ADMISSIONS (CUIIA)

(ADMISSIONS CONDUCTED OUTSIDE CAPS 2017-2020)

The Board introduced the **Central Admissions Processing System (CAPS)** in 2017 as the transparent platform for all admissions. Regrettably, some of the institutions continued to admit some, indeed large number of candidates (undisclosed to JAMB), thereby jeopardizing the interest of such candidates admitted through under-the table deals.

Recent events made the candidates protest the disadvantages of such non-disclosure and lack of formal recognition of their degrees. Such Institutions are now being compelled by necessity to confess their past deeds of undisclosed admission.

This Advisory is to guide the affected institutions on how the candidates can be rescued:

I. The institutions should first and foremost declare the number of candidates admitted outside CAPS by sending a formal letter of confession and disclosure (LCD) to the Registrar of JAMB.

ii. The letter of confession and disclosure should have the list of candidates attached. A copy of the letter and the list of candidates should be sent to JAMB state office where the institution is located. The list and total number of affected candidates for each year of admission should be clearly specified with the Programme (i.e Course of Study).

iii. If the Board upon receiving the letter (and after due scrutiny and investigations) grants approval, the institution shall be contacted within 2 weeks of acknowledged receipt of the LCD.

iv. The portal is then opened for the Institution to upload the list of candidates already submitted.

v. The letter of approval from JAMB to the institution and the uploaded list shall contain the following:

- the academic year for which the retroactive approval is granted;
- total number of candidates, and
- the period of grace **(not exceeding 60 days)** within which the affected candidates must complete the process of **Condonement of Undisclosed Illegal Institutional Admission (CUIIA).** Only the candidates declared by the institutions are to visit JAMB office and complete the appropriate form online after paying the prescribed fee (i.e) the application fee of N4,000 only is paid by those without JAMB Registration number for the year and N5,000 penalty paid by every candidate involved.

vi. The records of the candidates shall then be made available on CAPS after they have completed the online process.

vii. The Admission Officer of the Institution shall retroactively propose formally the candidates to the Head of Institution who in turn shall recommend the candidates within the specified time.

viii. The JAMB Desk officer too, shall retroactively approve the candidates on CAPS within the original list submitted by the institution. After approval, the previously illegal students will be able to print their JAMB admission letters from e-facility on JAMB Portal.

ix. It should be noted that the admission letter would henceforth carry the date of the retroactive approval and not backdated to protect the Board's integrity of the data it might have provided before the condonement. The admission letter would also be named **"Retroactive Letter of Admission"** to reflect the correct history of the admission.

x. Please **NOTE** that only candidates on the list declared by the institutions shall be attended to at the JAMB office. The Board shall not extend the period of grace granted to each institution. Any candidate that does not complete the process within the allotted (maximum two months) grace - period loses the remedial opportunity.

JOINT ADMISSIONS AND MATRICULATION BOARD

ATTENTION!!!

Serialisation of guidelines for the 2022 admissions exercise continues.

Second series.

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

- All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed ONLY through the Joint Admissions and Matriculation Board (JAMB).

- No Institution should advertise or sell "application forms" for admissions into the programmes. Institutions should advertise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.

- Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.

- The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

- Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.

- It should be reiterated that no Institution should advertise or sell "application forms" for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
