JAMB SENSITIZES AHFE MEMBERS ON ITS ACTIVITIES

The Joint Admissions and Matriculation Board (JAMB) recently sensitised members of the Association of Heads of Federal Establishments (AHFE), Akwa Ibom State Chapter, on its activities and services to the public. This event took place during the monthly general meeting of AHFE.

Mrs. Dorothy Udoh, the Board's State

Public Relations Officer, while introducing the organisation, provided a brief overview of its history and mandate. She reminded the gathering that JAMB was established in 1978 and is responsible for placing suitably-qualified candidates into tertiary institutions of their choice, based on the admission guidelines and criteria as stipulated by the proprietors of

EKITI STATE OFFICE PREPARES STAFF FOR RETIREMENT IN STYLE

A call has gone to the staff of the Joint Admissions and Matriculation Board (JAMB), Ekiti State Office, to start investing in real estate while in active service.

The call was made during an interactive session held at the Ekiti State Office of the

Board on 22nd May, 2024, by the State Coordinator, Mr. Hassan Lawal.

"One of the surest ways of guaranteeing a good post-retirement era is to invest in real estate as one prepares for final disengagement from active service," he

said.

To this end, he charged the staff to start exploring all avenues of securing a stress-free life after retirement by keying into a reputable mortgage scheme.

As a practical demonstration of this view, the Coordinator recently solicited a partnership with a reputable real estate company, JOMAV Homes and Properties, who are willing to offer a flexible and convenient payment package.

In her opening remarks, the team leader of the company, Mrs. Christiana Korede, rolled out a series

of incentives, which she said, included the facility of installmental payment spread over a period of 24 months with daily payment of one thousand naira, among others, for interested enrollees to acquire land as the take off point for any investment of their choice.

Other incentives are that all land acquired has site services available such as borehole, dedicated power supply with opportunity for would-be investors embarking on site visitation for on-the-spot assessment. She added that, the company is ready to give a discount to members of staff who are willing to be part of the

scheme.

She later cited the locations of the land, to include: Ilawe Road, along the fast-growing Ado-Ekiti industrial hub, as well as existing buildings at Alagbaka area in Akure, Ondo State, which she said are fast selling out at present.

In their separate responses, members of staff took their turns to commend the management of the Board as well as the State Coordinator, for exposing them to such a unique opportunity and promised to give adequate consideration to the venture.

NFSAN PAYS COURTESY VISIT TO JAMB

The National Female Students Association of Nigeria (NFSAN) has paid a courtesy visit to the Registrar of the Joint Admissions and Matriculation Board (JAMB), Prof. Is-haq Oloyede, in his office.

The NFSAN President, Comrade Choice Uche-Nna Enebeli, led a 9-man delegation to the National Headquarters of the Board, in Abuja, on 29th May, 2024.

In her address, Comrade Enebeli said NFSAN was on an advocacy visit to JAMB to promote academic excellence, general welfare and a conducive learning environment for female students across tertiary institutions in Nigeria.

She expressed gratitude to President

Bola Ahmed Tinubu whose Renewed Hope Agenda she described as a testament to his commitment to progress and prosperity of Nigerians. Comrade Enebeli also commended the Registrar for his remarkable strides in the education sector and serving as a beacon of hope for countless Nigerians seeking opportunities for growth and development.

According to her, the mission of the association to JAMB was to intimate the Registrar on their upcoming conference themed: "Women in Green: Fostering Female Leadership in Climate - focused Entrepreneurship." She also used the opportunity of the visit to formally invite the Registrar to be a guest

speaker on the occasion in addition to providing some logistics support to the body.

In his remarks, the Registrar thanked NFSAN for the advocacy visit and wish them success in the upcoming conference. He urged them to imbibe those basic essentials for success such as sincerity and commitment to their studies.

He added that these essentials would prevent any form of distractions to their studies while noting that these attributes would also serve as catalysts capable of enhancing their contributions to national development and vision of the association.

JAMB OFFICE MOURNS THE LOSS OF DEDICATED STAFF

The Joint Admissions and Matriculation Board (JAMB) Zonal Office, Maiduguri, announces with sadness, the passing of Mr. Mustapha Saidu, a dedicated and valued staff of the Board, whose unwavering commitment to excellence and dedication to the Board will be deeply missed by colleagues and the wider community.

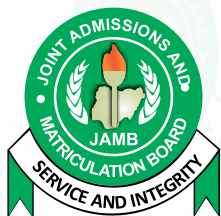

Throughout his 25-year career with the Board, Mustapha consistently exemplified exceptional work ethics, unwavering dedication, and an

unrelenting passion for excellence. His positive attitude and willingness to go above and beyond the call of duty had elicited admiration and respect from his colleagues.

The JAMB family mourns the loss of this remarkable individual, whose legacy of selfless service and professionalism, would have a lasting impact on the Board. Our thoughts and deepest sympathies are with Mustapha's family during this difficult time.

Late Mustapha Saidu

EDUCATION IN THE MEDIA

DAILY SUN, SUNDAY, MAY 26, 2024:
IBB, Abdulsalam Commend NECO Achievements, Pledges More Support: -Former Nigerian leaders, General Ibrahim Badamasi Babangida (IBB) and General Abdulsalami Abubakar, have commended the Registrar of National Examinations Council (NECO), Professor Dantani Ibrahim Wushishi, for the significant reforms he has implemented since taking office. The Emir of Minna, Alhaji Umar Farouq Bahago, has also praised the transformative efforts of the NECO management under Professor Wushishi's leadership. During courtesy visits to the elder statesmen at their Hilltop Mansions in Minna, Professor Wushishi highlighted the challenges that have been overcome through judicious resource management and laudable reforms, which have significantly improved the Council's fortunes.

The elder statesmen urged Professor Wushishi and his team to continue their excellent work in sustaining this vital government institution, which has elevated the Nigerian education sector to a prominent position on the global education map.

DAILY SUN TUESDAY, MAY 28, 2024:
We've Cleared Outstanding Certificates- OOU Management: - Olabisi Onabanjo University (OOU), Ago-Iwoye, Ogun State, has clarified

that all outstanding certificates of its graduates have been issued, contrary to rumours suggesting otherwise. The university management has also abolished the practice of issuing notification of results to students instead of their certificates, aimed at curbing associated abuses.

According to the Registrar, Femi Ogunwomaju, there are no longer any backlogs of certificates except for isolated cases where errors in names occurred during the manual processing of student results in the past. She emphasized that since 2012, the university has been fully computerized, ensuring timely issuance of certificates to graduates without any delays.

TRIBUNE, THURSDAY, MAY 30, 2024:
FG Orders Outgoing VCs to Appoint Deputies as Acting Vice-Chancellors: - The Federal Government has directed Vice-Chancellors of federal universities with impending tenure completion to nominate their deputies to temporarily assume the role of Acting Vice-Chancellor. This directive was conveyed through a circular issued by the National Universities Commission (NUC) Executive Secretary, Mr Chris Maiyaki, on May 28, 2024, to the affected outgoing Vice Chancellors. The NUC's letter was prompted by a

directive from the Federal Ministry of Education, informing the Commission of the imminent end of tenure for some Vice-Chancellors and the need for a seamless transition. The outgoing Vice-Chancellors have been instructed to recommend a Deputy Vice-Chancellor, through the university's Senate, to oversee the office until the new Governing Councils are inaugurated.

According to Mr. Maiyaki, the soon-to-be-inaugurated Governing Councils will appoint acting Vice-Chancellors following their inauguration. This move ensures continuity and stability in the leadership of federal universities during the transition period.

DAILY TRUST, THURSDAY, MAY 30, 2024:
Gombe Varsity Elevates 11 Lecturers to Professors: - The Gombe State University (GSU) Governing Council has elevated eleven senior lecturers, also known as 'Readers', to the esteemed rank of professors. This milestone was announced by the University's Registrar, Dr Abubakar Aliyu Bafeto, in a statement released in Gombe. Additionally, the Council approved the promotion of five lecturers to the position of readers, following glowing external assessment reports. These promotions recognize the outstanding achievements of the new professors and readers,

including their scholarly works, exceptional teaching, dedication to duty, and significant contributions to their fields and the university. Also, in Leadership, Thursday, May 30, 2024.

THISDAY, FRIDAY, MAY 31, 2024: Students' Loan: 60, 000 Applicants Received Since Launch, says NELFUND:

- The Nigeria Education Loan Fund (NELFund) has announced an extraordinary surge in applications, with over 60,000 submissions from students since its launch on May 24, 2024. According to the Managing Director, Akintunde Sawyerr, the response from students has been remarkable, and NELFund is committed to providing exceptional services to enhance their educational opportunities.

In a statement issued in Abuja, Mr Sawyerr expressed his delight at the overwhelming interest in the programme, stating that over 90% of federal institutions of higher learning have already submitted their students' data to NELFund. He further announced that the Fund will begin accepting applications from students enrolled in state-owned tertiary institutions in three weeks' time.

This development marks a significant milestone in NELFund's mission to support Nigerian students in accessing quality education. DAILY TRUST, FRIDAY, MAY 31, 2024: FG Commissions UBEC Digital Resource Centre to Boost Smart Education:

- The Minister of Education, Professor Tahir Mamman, officially inaugurated the Digital Resource Centre at Kado, Abuja, designed to foster a smart teaching and learning environment for educators and students. Over 10,000 teachers and educators have received comprehensive training at the centre, preparing them for the

launch of 37 Smart Schools across the 36 states and FCT, a flagship project of the federal government through UBEC.

The minister hailed the centre as a world-class facility, emphasizing the timely investment in digital technology in education, aligning with President Bola Ahmed Tinubu's vision for vocational institutions nationwide. He assured that the centre would receive continuous upgrades to ensure exceptional delivery.

Dr Hamid Bobboyi, Executive Secretary of UBEC, highlighted the centre's significance in Nigeria's pursuit of digital education, stating that UBEC is mandated to drive innovation and quality education through initiatives like the Digital Resource Centre. This pioneering effort harnesses technology to empower students and teachers in a globalized world. Also in Leadership, Friday, May 31, 2024; Authority, Friday, May 31, 2024.

SAHARA REPORTERS, FRIDAY, MAY 31, 2024: Nigeria Limits Tenure of College of Education Provosts to Single Term of 5 Years:

-The Federal Ministry of Education has issued a detailed clarification on the implementation of the Federal Colleges of Education Act, 2023, specifically regarding the tenure of Provosts. This clarification is in response to a letter from the Joint Action Committee (JAC) of Staff Unions of the Federal College of Education (Technical), Akoka, dated April 8, 2024, seeking clarity to avoid potential crises in the sector.

According to the ministry's letter dated May 23, 2024, the amended Act stipulates a single, non-renewable five-year term for Provosts of Federal Colleges of Education. This provision aims to standardize tenure across institutions and ensure a clear succession plan, promoting stability and preventing ambiguity in leadership transitions.

The ministry emphasized that the measures are designed to uphold justice and equity, allowing Provosts

to complete their appointed terms without disruption. Any unresolved issues or grievances regarding the provisions should be directed to the Governing Council of the respective institutions for further consideration. The Federal Ministry of Education commended the Joint Action Committee for its efforts to maintain a peaceful industrial environment and reiterated its commitment to enforcing the Federal Colleges of Education Act, 2023, and other relevant regulations.

NEW TELEGRAPH, FRIDAY, MAY 31, 2024: UNILORIN Don Seeks Use of ICT TO Tackle Cross-Border Challenges:

- Professor Omenogo Mejabi, of the Department of Information Technology, University of Ilorin, has urged the Federal Government to leverage Information and Communication Technology (ICT) to tackle cross-border challenges and drive sustainable development. Delivering the institution's 258th inaugural lecture, Prof. Mejabi emphasized the potential of multilateral partnerships to facilitate knowledge sharing, capacity building, and technology transfer among nations, leading to enhanced economic prosperity.

She stressed the importance of prioritizing investment in digital infrastructure, including broadband networks and robust cybersecurity measures, to ensure widespread access to reliable and secure ICT services. Prof. Mejabi also advocated for initiatives promoting digital literacy at all educational levels, empowering individuals with the skills to effectively utilize ICT tools and platforms.

Furthermore, the ICT expert called on policymakers to establish and enforce ethical guidelines and regulations governing the responsible development, deployment, and use of ICT technologies. By harnessing the power of ICT, Nigeria can overcome cross-border challenges and achieve sustainable development.

New National Anthem

**Nigeria, we hail thee,
Our own dear native land,
Though tribe and tongue may differ,
In brotherhood, we stand,
Nigerians all, and proud to serve
Our sovereign Motherland.**

**Our flag shall be a symbol
That truth and justice reign,
In peace or battle honour'd,
And this we count as gain,
To hand on to our children
A banner without stain.**

**O God of all creation,
Grant this our one request,
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.**

...Expansion of Direct Entry Registration Centres, Regularisation of CAILS - KWASU Diplome Programme

registration, the DE registration points have been expanded beyond the Professional Registration Centres (PRCs) owned by JAMB in the following States where there is upsurge of prospective DE candidates:

1) Lagos State:

- (a) JAMB PRC, No 11, Ojora Road, Ikoyi Lagos;
- (b) JAMB PRC, No 35-37, Isheri Road, Ogba, Ikeja Lagos.
- (c) ETC Nig. Ltd, 229, JKK House Ikorodu, Road, Ilupeju.

2) Oyo State:

- (a) JAMB PTC, JAMB Zonal Office, Quarters 845, Agodi G.R.A, Ibadan, Oyo State;
- (b) Federal College of Education (FCE) Special, CBT Centre, Oyo;
- (c) JAMB PTC, Igboho.

3) Kwara State:

- (a) JAMB PTC, National Headquarters Annex, After Oyun Bridge, Old Jebba Road, Ilorin, Kwara State;
- (b) University of Ilorin CBT Centre, Mini Campus.

4) Osun State:

- (a) JAMB PTC, behind Technical College WAEC Road, Alekuwodo, Osogbo, Osun State;
- (b) JAMB PTC, Block Y (Commercial) OSPDC, Oroki Estate, Service Area, Ilobu Road, Osogbo, Osun State;
- (c) JAMB PTC, Gbongon.

It is our belief that all eligible candidates would take advantage of this opportunity to register as no further extension would be entertained.

The previously announced criteria for DE registration remain unchanged.

CAILS-KWASU DIPLOMA

Also, having held high-stake meetings with the principal officers of the Kwara State College of Arabic and Islamic Legal Studies (CAILS) and the Kwara State University (KWASU), on the CAILS-KWASU Diploma programme, the Board has agreed to conduct a special registration exercise for the 3,633 prospective candidates, who did not participate in the 2024 UTME based on the assumption that they would be accommodated in the 2024 DE exercise. These candidates are, therefore, to register at any of the approved CBT centres in Kwara, Oyo or Osun State within the next one week (ending on Monday, 10th June, 2024.) to register for the UTME.

469 others among this category of UTME candidates who had already taken the 2024 UTME need not retake the examination. The one they have already taken suffices.

This concession is to ensure that, while standards are being maintained, efforts are in place to support and promote the aspirations of qualified and willing candidates even if it requires bending over backwards.

RELEASE OF ADDITIONAL RESULTS AND RESCHEDULED UTME

A supplementary 2024 UTME has been scheduled for Saturday, 22nd June, 2024 for the following candidates:

- A) CAILS-KWASU candidates referred to above
- B) Some (20,550) of the candidates whose results are up till now under investigation
- C) 2,702 of Candidates whose fingers could not be verified who are given the benefit of doubts to sit the 2024 UTME.

The remaining 322 candidates have been migrated to the category of candidates under examination misconduct as a

prima-facie case has clearly been established that those who had registered were not those who appeared for the examination. Consequently, the number of examination misconduct has increased by 322 to 431.

RESCHEDULED SUPPLEMENTARY 2024 UTME AND RELEASE OF ADDITIONAL RESULT

Similarly, the Board has painstakingly analysed the process and conduct of the 2024 UTME in some centres where there are strong proofs of substantial non-compliance with the Board's standards. Consequently, 24,535 candidates have been rescheduled to retake the examination in their chosen Examination Towns on Saturday, June 22, 2024. Meanwhile, 3,921 outstanding 2024 UTME results that had been cleared have now been released. Therefore, concerned candidates are urged to check their results from Saturday, 1st June, 2024 by sending RESULT to 55019 or 66019 to ascertain their status as those cleared would have their results while those rescheduled would be told that they had been rescheduled.

The rescheduled candidates are to print their supplementary Examination Notification Slip from Tuesday, 4th June, 2024 to ascertain their designated examination centres.

This release brings the total results released to 1,883,350.

The rescheduled examination, which is taking place on Saturday, 22nd June, 2024, two weeks from now, is to give affected candidates adequate time to prepare for the exercise.

This notice does not concern candidates whose results have been released.

Candidates with prima facie case(s) of examination misconduct, would be further interrogated to establish their culpability after which appropriate measures would be taken on them and announced.

CAREER IN FOCUS

BY OMOTOYOSI ADENLE, QA DEPARTMENT

LINGUISTICS

Linguistics is the scientific study of language. It involves analysing language structure, use, and meaning, as well as the social, cultural, psychological, and cognitive aspects of language.

Linguists study various aspects of language, including its sounds (phonetics and phonology), structure (syntax and morphology), meaning (semantics), and context of use (pragmatics). Linguistics graduates have a diverse range of career options beyond traditional academia including playing such roles as speech therapists, editors, copywriters and content creators, publishers, cross-cultural communication consultants, language instructors and translators,

analysts in technology, media, education, government, business and healthcare.

With their analytical skills and understanding of language structure, they can thrive in various industries where communication and languages play crucial roles. It is a four-year course under the Faculty of Arts and Humanities.

UTME subjects required are: Use of English, any language and 2 Arts/Social Science subjects.

For special waivers from institutions, check the brochure on www.ibass.jamb.gov.ng. O'level requirements are: a credit pass in English Language, Mathematics, Yoruba/Igbo/Hausa and any two subjects. For special waivers from institutions, check the brochure on

www.ibass.jamb.gov.ng.

Institutions offering linguistics cut across public, state and private universities among which are: University of Nigeria, Nsukka; University of Abuja; Bayero University, Kano; Olabisi Onabanjo University, Ago-Iwoye; Delta State University, University of Ilorin, etc.

The professional associations that promote the study and research of Linguistics in Nigeria are: Linguistic Association of Nigeria (LAN) and Nigerian Linguistic Society (NLS).

Personalities, who have excelled in the field include: Prof. Francis Egbokhare, Prof. Catherine Omotayo, and Prof. Ayo Banjo.

...JAMB Sensitizes AHFE on its Activities

the institutions.

According to her, to achieve this mandate, JAMB conducts the Unified Tertiary Matriculation Examination (UTME) annually for registered candidates, who have obtained the required credits in their WAEC or NECO examinations.

Mrs. Udoh advised participants to contact the SERVICOM Unit of the Board nearest to them for more guidance.

Furthermore, she highlighted the Board's role in conducting third-party examinations, such as recruitment examinations for

paramilitary organisations and promotion examinations for various institutions.

All questions raised during the presentation were thoroughly answered, and the State Coordinator, Mrs. Grace Olima William, provided a summary of the key points. In addition, she stressed that UTME is a ranking examination and clarified that JAMB only approves admission for suitably-qualified candidates based on institutional recommendations, contrary to the common misconception that JAMB offers

admission. She concluded by highlighting JAMB's core values, which are: service, integrity, transparency, inclusiveness, equity, and zero tolerance for corruption and examination malpractice.

AHFE holds a monthly forum to discuss mutual benefits, collaboration, and sensitization on member organisations' activities.

For the month of May, NIPOST, the Public Complaints Commission, and JAMB presented their services to the public, with Board's presentation receiving positive response.

CERTIFICATES FROM THE FOLLOWING INSTITUTIONS TO BE PRE-VERIFIED BEFORE 2024 DIRECT ENTRY REGISTRATION

Candidates holding certificates issued by the following institutions, who intend to register for the 2024 Direct Entry, would have to pre-verify their certificates before completing their registration as their issuing institutions have failed to respond to repeated requests for verification of certificates issued by them. The institutions with their outstanding number of unverified certificates are:

I. Four(4) Universities:

- Ahmadu Bello University, Zaria
- University of Nigeria, Nsukka
- Ekiti State University, Ado-Ekiti and
- Federal University of Technology, Owerri

II. Five(5) Polytechnics/

Monotechnics: - Nuhu Bamalli Polytechnic, Zaria; - - Akanu Ibiam Federal Polytechnic, Unwana, Afilpo, Ebonyi State;

- College of Health Technology, Calabar;

- Federal College of Animal Health and Production Technology, Vom, Plateau State; and

- Best Solution Polytechnic, Akure, Ondo State.

III. Six(6) Colleges of Education:

- Cross River State State College of Education, Akamkpa;

- Kashim Ibrahim College of Education, Maiduguri, Borno State;

- College of Education, Katsina-Ala, Benue State;

- Osun State College of Education, Ila-Orangun, Osun State;

- Shehu Shagari College of Education, Sokoto; and

- College of Education, Waka-Biu, Borno State.

For the avoidance of doubt, only candidates intending to use certificates issued by these institutions for the 2024 Direct Entry, would have to pre-verify before completing their registration process.

RE: ADVISORY ON 2024 DIRECT ENTRY (DE) REGISTRATION, VERIFICATION AND ALIGNMENT OF DATA (VERIFICATION OF A-LEVEL QUALIFICATIONS BY AWARDING INSTITUTIONS)

This advisory is issued to guide all A-level certificate awarding institutions on the procedures of verifying the certificates claimed by candidates during the 2024 DE registration exercise.

This is a follow-up to the earlier issued advisory referenced No. 2024ff01, dated 31st March, 2024 (copy attached) on the above subject. This edition is issued to reiterate the previously raised matters as well as to guide all A-level awarding institutions on the procedures to be followed to verify the certificates claimed by candidates during the 2024 DE registration exercise.

All concerned institutions should therefore take note and adhere strictly to the provisions herein:

1. As part of the requisite requirements for Direct Entry application, all applicants' qualifications must be uploaded at the registration point (JAMB Professional Registration Centre (PRC)), while the Head of the awarding institutions gets notified immediately through email to verify the candidates' claims.
2. The Institutions are expected to log in to the JAMB website via this link- <https://efacility.jamb.gov.ng/InstitutionSignin>. **Please, note that the link is also included in the mail sent to the Heads of Institutions once candidates' certificates are uploaded during registration. Institutions without efacility account should contact JAMB through the CAPS mail for details.**
3. On Login, by the left pane menu list, click on Certificate Verification (DE Registration) menu to view the list of all untreated candidates' applications.
4. To treat each candidate's application, click on the **"Process Button"** beside the name of the candidate to pull the candidate's full information, including the uploaded certificate.
5. To confirm that a candidate's certificate is genuine, select the **"first radio button"** and click the blue **"Authenticate Certificate"** button. This verifies the certificate as genuine and also sends an email and SMS to the candidate (and reflects on the JAMB's profile of the candidate) confirming the authenticity of his/her certificate.
6. To confirm that the certificate is fake or rather not issued by the institution, select the **"second radio button"**, while you specify the reason for disapproving the certificate and click on the **"Disown Certificate"** button. This disowns the certificate and also sends an email and SMS to the candidate (and reflects on the JAMB's profile of the candidate) informing him/her why his/her certificate was disowned by the institution.
7. As soon as either of steps (5) or (6) above is completed, the response will be automatically sent back to the database for update.
8. The procedure is a continuous process and all candidates must be treated individually.

Note: a. For further guidance, a manual is provided

b. The Board will NOT consider for admission any candidate whose qualification is not verified by the awarding institution.

RE: ADVISORY ON 2024 DIRECT ENTRY (DE) REGISTRATION, VERIFICATION AND ALIGNMENT OF DATA

This advisory is issued to guide stakeholders on the alignment of data for the 2024 DE registration and verification of candidates' data

1.0 PREAMBLE

The Board has been receiving series of complaints from institutions on candidates with forged or fake A-level certificates. Each institution has the policy of verifying the credentials of admitted candidates to ascertain their authenticity. One of such exercises was carried out by Bayero University, Kano, where the results of 148 admitted students were verified and 142 of them were found to be forged or faked. The Independent Corrupt Practices and other related Offences Commission (ICPC) in conjunction with the Federal Ministry of Education and JAMB subsequently carried out a sting operation at the A-level examination venues across the country. The result of which was extremely embarrassing to the Education sector. The then Chairman of ICPC said that much.

As a result of this, the Board had to, with the approval of the Federal Ministry of Education, act appropriately and establish the Nigeria Integrated Post-Secondary Education Data System (NIPEDS) which has the mandate to verify all A-level certificates used in the DE application before admission is considered.

2024 DE CANDIDATES VERIFICATION FLOW

Find below the flow of candidates' verification by NIPEDS:

Every candidate presents his/her credentials for DE registration at any of the JAMB PRCs/State Offices.

- a. Upon receiving the document, it is classified as follows:
 - i. For IJMB, JUPEB, NABTEB or Cambridge (post-2018) certificate or awaiting result candidates of IJMB, JUPEB or NABTEB, the candidate data is compared to the databank on NIPEDS for such qualifications. The system checks with the candidate's number as supplied by the respective examination body. The system verifies alignment of name, qualification, subject and grades (where applicable). Once the alignment is confirmed, the candidate continues and completes his/her registration.

Contd in Pg 15

- ii. For other qualifications other than “i” above, the credentials of the candidates are transmitted to the respective institution to authenticate/verify the claim.
- iii. If the institution is compliant (credibility of prompt response to verification request in 2023), the candidate is allowed to complete his/her DE registration without waiting for verification of the result from the awarding institution. For the avoidance of doubt, the following 15 institutions are regarded as non-compliant for the on-going 2024 DE registration:
 - A. Four (4) Universities:
 - i. Ahmadu Bello University, Zaria (565 candidates);
 - ii. University of Nigeria, Nsukka (125);
 - iii. Ekiti State University, Ado-Ekiti (61); and
 - iv. Federal University of Technology, Owerri (12).
 - B. Five (5) Polytechnics/Monotechnics:
 - i. Nuhu Bamalli Polytechnic, Zaria (61);
 - ii. Akanu Ibiam Federal Polytechnic, Unwana, Afikpo, Ebonyi State (58);
 - iii. College of Health Technology, Calabar (25);
 - iv. Best Solution Polytechnic, Akure, Ondo State (24) and;
 - v. Federal College of Animal Health and Production Technology, Vom, Plateau State (24);
 - C. Six (6) Colleges of Education:
 - i. Cross River State State College of Education, Akamkpa (91);
 - ii. Kashim Ibrahim College of Education, Maiduguri, Borno State (72);
 - iii. College of Education, Katsina-Ala, Benue State (47);
 - iv. Osun State College of Education, Ila-Orangun, Osun State (27);
 - v. Shehu Shagari College of Education, Sokoto (25); and
 - vi. College of Education, Waka-Biu, Borno State (20).

2.0 EXPERIENCE/LESSONS FROM 2023 VERIFICATION EXERCISE

The Board had on 23rd February 2023 issued an advisory to guide the registration of candidates seeking admission through Direct Entry (DE) in the 2023/2024 academic session. That was to address the issue of candidates who intended to use forged or fake A-level certificates/qualifications to secure admission.

For effective monitoring, DE registration from 2022/2023 academic session, has been restricted to JAMB-PRCs (offices).

For 2023 registration, of the 44,866 candidates who applied for the DE (or converted from UTME) 1,957 have so far been disclaimed by institutions/examination bodies.

The verification exercise by the Nigeria Post-Secondary Education Data System (NIPEDS) also revealed some discrepancies which could unduly disadvantage students/candidates or provide avenue for their impersonation. The discrepancies are:

S/N	Title	Description	2024 Solution provided by JAMB
i.	Discrepancies in Qualification	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
ii.	Discrepancies in Names	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
iii.	Discrepancies in Subjects	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
iv.	Discrepancies in Grades	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
v.	Discrepancies in Examination numbers and years of graduation	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024

Consequently, the Board introduced new measures, through the **THIRD-PARTY A-LEVEL DATA ALIGNMENT PLATFORM (TALDAP)**, to align the data supplied by the candidate with the data supplied by the examination bodies before DE registration.

Be guided, please.

RE: ADVISORY ON THE DIRECT ENTRY (DE) ALIGNMENT OF DATA FOR REGISTRATION

This advisory is issued to guide candidates with only IJMB, JUPEB and NABTEB on the process of application for alignment of data for the Direct Entry (DE) registration effective from 2024

1.0 PRE-DE REGISTRATION ALIGNMENT

Going by the experiences of the 2023 DE registration exercise, the Board has introduced, where necessary, the preregistration checks and data alignment for applicants with only **IJMB, JUPEB, and NABTEB qualifications**. This provision enables the system to authenticate the details supplied by a prospective candidate at the point of registration with what has been preloaded by the examination bodies. A platform **THIRD-PARTY LEVEL DATA ALIGNMENT PLATFORM (TALDAP)** has been provided to cater to this.

When a candidate's data (spelling of name, result/grade, subjects) do not align or are not included with the records supplied by the examination bodies, an alignment must be done on the TALDAP, before proceeding with the DE registration with JAMB.

It is worth noting that there are ONLY two (2) types of preregistration data alignment available on the TALDAP system:

- a. **Missing candidate's data alignment (data omission)** This type of alignment can only be carried out when at the point of registration, the exam/matric/registration number supplied by the candidate and on the presented credential of the candidate for a particular qualification (IJMB/JUPEB/NABTEB) does not return any candidate's data.
- b. **Data discrepancy alignment** This type of alignment can only be carried out when at the point of registration, the exam/matric/registration number supplied by the candidate and on the presented credential of the candidate, for a particular qualification, returns a candidate's data that contains name spelling mistakes/omission, different grades, and/or subject combinations, other than what was presented in the candidate's credential.

2.0 PROCESS OF APPLYING ALIGNMENTS FOR DATA OMISSION OR DATA DISCREPANCY

The processes are described below:

- i. **Visit NIPEDS A/level Home Page** Open the web browser and go to nipeds.jamb.gov.ng
- ii. **Click on Alignment of Data Application** Navigate to the alignment of data section on the homepage and click the “Visit Portal” button.
- iii. **Click on Apply for Alignment of Data button to begin the application process on the new page**
- iv. **Select the Type of Data Alignment** On the page,
 - a. candidates should choose the appropriate alignment type (missing candidate data alignment or data discrepancy alignment). If data discrepancy alignment is selected, the candidate can then select “alignment of name spelling”, “alignment of subjects” or “alignment of grades”
 - b. candidates should provide the examination number and year as shown on the claimed certificate/document;
 - c. candidates should provide a valid email address (preferably the one to be used or used for JAMB registration).
- v. **Provide the Supposedly Omitted/Correct Data:** In the subsequent step on the page, the candidate should input the name, subject, and grade, exactly as shown on his/her certificate/document and upload the proof/credential.
- vi. **Make Payment:** The final step involves making a payment.
- vii. **Application Completion** Candidates will receive an email for payment made which serves as a confirmation of the “submitted application”. An email notification will also be sent to the examination body informing them about the new application which they are to either recommend to JAMB or Reject. Any of the actions will have justifications **A submitted application does not automatically mean approval.**

3.0 JAMB APPROVAL/REJECTION

Once the application is approved or rejected, the candidate gets an email confirming the approval/rejection of his/her application and the same is reflected on the profile of the candidate.

4.0 PAYMENTS FOR SERVICES

There would be a payment for the services to be rendered. Payment should be made using ATM cards or other methods displayed at the time of payment, including USSD payment and bank transfer.

The table below contains the approved fees for aligning candidates' data with JAMB records as supplied by the examination bodies.

SN	Service	Amount
1	Alignment of Subject	5000.00
2	Alignment of Grades	
3	Alignment of Name Spellings	

Be guided, please.

2.0 PROCESS OF RECOMMENDING OR REJECTING APPLICATIONS FOR DATA ALIGNMENTS FOR IJMB, JUPEB, AND NABTEB QUALIFICATIONS

This step-by-step procedure outlines how an examination body can recommend/reject an alignment of data application processed by a candidate:

i. Visit NIPEDS Home Page:

- a. Open the web browser and go to nipeds.jamb.gov.ng
- b. Navigate to the examination bodies portal section on the homepage and click on the "Visit Portal" button.
- c. On the new page, enter your login details and click on the "Submit" button

ii. View applications

Navigate to the Data Bank menu on the homepage and click on the "Data Alignment Applications" submenu.

iii. Recommend/Reject application

Click on the desired application. On the page shown, view the details of the application.

- a. **To reject an application:** Click on the "Reject Application" button. On the confirmation modal shown, provide the reason for rejection. Confirm your rejection by clicking on the "Confirm Rejection" button.
- b. **To Recommend an application** Click on the "Recommend Application" button. On the confirmation modal shown
 - Enter the reason for recommending the application
 - If the application is a data discrepancy alignment application, select the type of data discrepancy that is applicable (alignment of name spelling, alignment of subject, alignment of grade)
 - Upload the candidate data.
 - Click on "Confirm Recommendation" to submit the entered details. Once it is submitted, it awaits approval by JAMB before the uploaded data can be added to the bank

3.0 JAMB APPROVAL/REJECTION

It is important to note the following actions that take place once the approval/rejection process is completed by JAMB:

- Once the recommendation has been approved/rejected by JAMB, the system automatically sends an email to the examination body.
- the candidate also gets an email confirming the approval/rejection of his/her application.

Thank you.

ATTENTION!!!

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).

 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.

 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.

 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.

 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
