Examination (UTME) conducted by the Joint Admissions and Matriculation Board (JAMB).

Chairman of the Committee, Senator Muntari Danduste, made this emphatic announcement while overseeing the conduct of the 2025 UTME at select CBT centres in Abuja.

The Committee expressed its satisfaction with this year's examination process and lauded the Registrar, Prof. Is-haq Oloyede, for his remarkable innovation, unwavering accountability, and commendable transparency in managing such a large-scale

examination.

Despite JAMB operating 887 CBT centres for the 2025 UTME, the Committee noted that this number falls short of adequately serving all local government councils. This deficiency poses significant challenges for candidates in rural areas, where examination centres are often located outside their localities.

In response, the Registrar expressed gratitude to the Senate for its relentless pursuit of solutions aimed at alleviating the educational challenges faced by Nigerians. Represented by the Director of Finance and Accounts, Mr. Mufutau Bello, he reaffirmed the Board's commitment to employing globally recognized best practices to tackle the complexities associated with conducting highly competitive examinations.

## JAMB DECLARES ZERO TOLERANCE FOR EXAMINATION INFRACTIONS

The Joint Admissions and Matriculation Board (JAMB) has reaffirmed its commitment to a zero-tolerance policy regarding examination infractions. The Board has vowed to take decisive action against anyone caught engaging in malpractice during the 2025 Unified Tertiary Matriculation Examination (UTME), emphasizing that unchecked examination infractions undermine the foundation of the nation's education system.

During the ongoing 2025 UTME, JAMB has already apprehended over 40 individuals involved in various forms of examination misconduct, primarily

impersonation. With the transition from traditional paper-and-pencil tests to Computer-Based Testing (CBT), impersonation has emerged as the most prevalent form of infraction. In response, the Board has implemented stringent measures to combat this issue and has successfully arrested those attempting to challenge its determination.

JAMB has consistently ensured that individuals involved in examination infractions face prosecution. Although the number of infractions reported this year has significantly decreased due to the preventive measures in place, the Board remains steadfast in its commitment

to prosecuting those apprehended. Candidates are strongly advised to refrain from any form of misconduct, as JAMB has established robust mechanisms to detect impersonation and other infractions. Any candidate attempting to engage in such activities will face immediate arrest.

## CALEB UNIVERSITY INCIDENT

JAMB has been alerted to the unauthorized restrictions imposed on candidates wearing hijabs, and swift action has been taken to address this unilateral decision, which has been

categorically condemned by the Vice-Chancellor of the university. This misguided action was the result of an overzealous security officer. We extend our sincere apologies to the affected candidates and

commend the leadership of both the centre and the university for their prompt intervention, which ensured that no candidate suffered undue disadvantage.

## EDUCATION IN THE MEDIA

PUNCH, SUNDAY, APRIL 20, 2025: Varsities Face Probe Over Student Loan Fraud: – The Independent Corrupt Practices and other related offences Commission has started investigating some universities and banks for allegedly engaging in fraudulent activities that prevented students from receiving payments allocated to them under the Federal Government's student loans scheme... This development follows an investigation by the National Orientation Agency, which uncovered widespread unethical practices in the administration of the initiative.

According to findings from the NOA's Community Orientation and Mobilisation Officers, some universities, in collusion with certain financial institutions, deliberately withhold the disbursement of approved loans. This has left many students stranded despite having secured funding through the Nigerian Education Loan Fund...

### ...JAMB WARNS AGAINST MISINFORMATION: Offers Financial Reward for Proof of Posting Outside Chosen Exam Town

to examination centres outside their chosen examination towns.

Let it be unequivocally clear: at the time of registration, candidates have the right to select their preferred examination town. JAMB subsequently assigns them to a centre within that chosen town. The baseless assertion that candidates are placed in towns different from their selections is erroneous, malicious and aimed solely at tarnishing the Board's reputation. It never happens.

JAMB acknowledges the importance of convenience for candidates, ensuring they sit for their examinations in locations of their choice among available CBT centres. Every candidate has the prerogative to choose their examination town, while JAMB only assigns the candidate within the chosen town.

The Board therefore challenges this false but popular narrative by offering a handsome financial reward to any one person who can

provide authentic proof of just one candidate who is posted outside the chosen town of the candidate.

For transparency and not "being a judge in one's case." Such proof should within the next 96 hours be sent to the Federal Competition and Consumer Protection Commission (FCCPC) WhatsApp Number; 08056003030 so that the umpire can ensure the reward is delivered or the Board is once and for all exonerated from the recurring campaign of calumny.

Similarly, anyone who finds no fault in airlines requesting air-travellers to arrive at the airport 2 hours before the departure time should find no fault in encouraging candidates to arrive at the CBT centres, 90 minutes before commencement of examination for preliminary verification. Many parents who expect candidates to spend not more than 2 hours for the 2 hours examination are apparently oblivious of the required preliminary

processes.

The public is encouraged to grant public agencies the benefit of the doubt and trust that they exist to serve public interest in the best possible manner. JAMB as a government agency is committed to public good at all times. A trial will convince any.

On a lighter note, another dimension of gullibility was exhibited by a female UTME candidate who refused to attempt any question when she sat for the examination this morning because she was complying with the instruction of her grandfather to do nothing at the examination but wait for miraculous intervention. Of course such miracles do not happen with JAMB.

Candidates are advised against superstitious and baseless dream of reaping where they did not sow

## JAMB SITUATION ROOM: A TRANSFORMATIONAL FORCE

**W**hen the Registrar of the Joint Admissions and Matriculation Board (JAMB) unveiled the concept of the

Situation Room—a strategic initiative borrowed from the best practices of service-oriented agencies in the private sector—few

could have anticipated its profound potential to revolutionize the landscape of the Unified Tertiary Matriculation Examinations (UTME).

This Situation Room, staffed by distinguished Nigerians from the academic realm, organized labour has been a vigilant overseer, remotely monitoring the conduct of the UTME across the nation. It stands as the backbone of the entire examination process, providing immediate solutions to field officials, thereby swiftly addressing challenges that could undermine the success of this critical exercise.

At the inception of this initiative, Prof. Oloyede, the Registrar, astutely recognized that an undertaking as significant and complex as the UTME would inevitably encounter obstacles. What distinguishes a truly responsive organization is not the

absence of issues but its preparedness and its ability to deliver real-time solutions to those on the ground. The Situation Room effectively fills this crucial gap, equipping field officials with the support they need to tackle any questions or challenges that arise during the examination.

The live feeds from examination centres have facilitated rapid responses to irregularities, significantly minimizing disruptions. Armed with cutting-edge technological tools, including speech-to-text devices that meticulously record communications for accountability, the team has worked tirelessly to ensure that the examination process remains transparent and above reproach, while effectively identifying any instances of malpractice.

Take, for instance, the 2025 UTME, hailed as the most successful iteration in the history of the examination—it would not have achieved this landmark status without the unwavering support of these eminent Nigerians. While a few technical glitches are to be expected in large-scale operations, the overall conduct of the examination has been remarkably smooth. The Situation Room's relentless efforts have been instrumental in safeguarding the integrity of the examination process and ensuring the seamless administration of exams nationwide. The Board is immensely proud of the caliber of individuals participating in this national service. In due course, the management of JAMB will publicly acknowledge those who have selflessly contributed to this noble endeavor in education,

underscoring the vital role they play in shaping the future of our academic landscape.

The Board is fortunate to have several dedicated groups providing invaluable support in various capacities, and it extends its heartfelt appreciation to all for their diverse sacrifices that contribute to the success of the annual UTME exercise. Each group plays a crucial role in ensuring that this monumental undertaking runs smoothly, and their collective efforts are instrumental in upholding the integrity and efficacy of the examination process. The Board recognizes and honours the commitment of these individuals and organizations, whose unwavering dedication is vital to the advancement of educational opportunities for all candidates.

## OFFICE OF THE REGISTRAR

No. 2024ff.04

6<sup>th</sup> May, 2024

### **MANDATORY USE OF THE NATIONAL IDENTIFICATION NUMBER (NIN) FOR REGISTRATION WITH JAMB BY CANDIDATES APPLYING FOR NON-REGULAR PROGRAMMES**

**This Advisory is issued to all the concerned institutions, and candidates desirous of applying to study under the non-regular mode of study in tertiary institutions in Nigeria.**

As part of measures to checkmate the nefarious activities of fraudulent characters, who are scheming to compromise candidates' records through dubious registration channels and in compliance with its enabling act, JAMB has mandated that all applicants desirous of studying in Nigerian tertiary institutions must provide their NIN while registering for any programme of study in any tertiary institution in Nigeria irrespective of whether the mode of study is **regular and non-regular**.

2. Consequently, it has now become mandatory for all prospective candidates in the **non-regular category (NOUN, Distance Learning, Part-time and Sandwich programmes)** to create a profile code, before registering with JAMB, by sending their NIN, through their unique phone number to either of the Board's sort code (55019 or 66019).
3. Immediately after the creation of profile, each candidate will proceed to a CBT Centre for registration. After the registration, the candidate's details will appear on the CAPS of the institution of choice under non-regular admission. The institution will then propose and recommend to the Board for approval and the candidate will accept and print admission letter.
4. Furthermore, all previous candidates in the non-regular programmes, who had not integrated their NIN or unique phone number on the Board's platform, would have to create a profile using their respective NINs to access any of the services of the Board.
5. No candidate can use the process to change any of the data already supplied to the Board.
6. JAMB, as a responsive organisation that is conscious of the peculiarities of the non-regular studies, will continue to make the registration process as flexible as possible by making its platform available throughout the year. It is, therefore, expected that candidates, who fall under this category, will apply through JAMB before approaching their preferred institutions to process their admission with their respective JAMB registration numbers. They would also be expected to pay their preferred institution a processing fee as determined by the respective institutions.
7. Please be guided for compliance.
