## SENATOR JIMOH IBRAHIM LEADS UNIVERSITY OF FORTUNE DELEGATION TO JAMB

Senator Jimoh Ibrahim

The Founder of University of Fortune, Igbotako, Okitipupa Local Government Area of Ondo State, Senator Jimoh Ibrahim, has reiterated his commitment to building a world-class citadel of learning in Nigeria. The Senator made this known when he

led the top management of the University of Fortune on a courtesy visit to the National Headquarters of the Joint Admissions and Matriculation Board (JAMB), Bwari, on Wednesday, 28 January, 2026.

He disclosed that the institution received its operating licence from the National Universities Commission in April 2025 and is fully prepared to commence academic activities.

According to him, the approval granted to the university to run up to 17 programmes across four faculties with a student quota of 2,000 is unprecedented for a private university in Nigeria.

Senator Ibrahim explained that the establishment of the university was driven by a desire to provide practical, real-time solutions to the challenges facing the nation. He added that the institution would operate in collaboration with leading universities across the globe, ensuring standards

## UNDERGRADUATE STUDENTS CAN REGISTER FOR THE 2026 UTME/DE BUT MUST DISCLOSE

The attention of the Joint Admissions and Matriculation Board (JAMB) has been drawn to a misleading and unfortunate distortion of a portion of the Board's clear directives to candidates registering for the 2026

UTME/DE, as contained in the 2026 UTME/DE advertisement. This deliberate misrepresentation is being propagated by some unscrupulous self-styled education advocates for parochial interests.

## JAMB TO GIVE FREE APPLICATION DOCUMENTS TO PERSONS WITH DISABILITY (PWDs)

As part of efforts aimed at giving equal opportunities to all categories of candidates with disabilities, who are desirous of pursuing their dreams of higher education, the Joint Admissions and Matriculation Board (JAMB) has reaffirmed its commitment to its policy of giving out free application documents as a gesture of assistance.

As done in previous years, the free application documents are to be

processed by the JAMB-equal Opportunity Group (JEOG) for candidates with disabilities, who wish to sit the 2026/2027 Unified Tertiary Matriculation Examination (UTME).

The Registrar, Prof. Is-haq Oloyede, disclosed this during a meeting with critical stakeholders of the Board in his office at the National Headquarters, Abuja. The Registrar had restated the Board's commitment to the welfare of

### ...Undergraduate Students Can Register For The 2026 UTME/DE But Must Disclose

This development is hardly surprising, as such individuals routinely surface at the commencement of every registration cycle. Many of them do not take the time to read or properly understand the guidelines, yet hastily rush to the public space with false narratives aimed solely at attracting traffic to their social media platforms. Had they read the instructions, they would have found them unambiguous and straightforward. For the avoidance of doubt and for record purposes, and in line with its statutory mandate to prevent multiple matriculations, the Board directed that all candidates registering for the 2026 UTME/DE

must disclose their matriculation status, where applicable.

It is not an offence for a candidate to register for the UTME/DE while still enrolled in an institution. However, failure to disclose such status constitutes an offence. Disclosure simply means that once a candidate secures admission through the latest registration, the former admission automatically ceases to subsist.

The law is explicit that no candidate is permitted to hold two admissions concurrently.

Furthermore, recent findings indicate that many matriculated students are engaged as professional examination takers. Mandatory

disclosure therefore expedites appropriate action whenever such candidates are apprehended.

Although the Board's system has the capacity to detect prior matriculation, any candidate discovered to have failed to disclose such status stands the risk of forfeiting both opportunities.

The Board therefore urges the public to be cautious of these so-called education advocates who are perpetually eager to mislead candidates and parents for selfish gain. Members of the public are advised to carefully read official guidelines and avoid accepting distorted interpretations wholesale.

## NATAP-M AWARD: JAMB GIVES OVER ₦2BILLION TO TERTIARY INSTITUTIONS IN NINE YEARS - OLOYEDE

**T**he Joint Admissions and Matriculation Board (JAMB) has doled out a whopping amount of two billion, four hundred and twenty million to tertiary institutions through its National Tertiary Admissions Performance-Merit Awards (NATAP-M) in the last Nine years.

The Registrar, Prof. Is-haq Oloyede, gave the figure at a meeting with State Commissioners of Education in Lagos.

In his presentation made at the meeting, the Registrar pointed out that the award, which was conceived in 2018, was aimed at encouraging compliance with the nation's admission guidelines.

He stated that the award is given to institutions that adhere strictly to

merit-based, transparent, and fair admission processes.

He recalled that at the commencement of the maiden edition in 2018, the Board had given out ₦125 million naira, in 2019 it was raised to ₦375 million and in 2020, the prize was fixed at the princely sum of ₦500 million.

He disclosed further that at a combined award ceremony for the 2021/2022 and 2022/2023 Awards, the prize money was further reviewed upward and consolidated at ₦710 million.

Prof. Oloyede explained that the same amount was given to winners at another combined session of 2023/2024 and 2025/2025 into sectoral awards with the overall top winner carting away the sum of ₦500million.

He also informed the dignitaries that projects being executed from the proceeds of the award included road construction, construction of CBT centres, infrastructural development and repairs, building of hostels, among others.

In his presentation, veteran winners like the University of Ilorin, Ahmadu Bello University, Zaria, revealed that they spent the prize money on building hostels and road construction with University of Ilorin

naming their built hostel as JAMB Merit Award International Hostel, University of Ilorin, Kwara State, while ABU had utilised its award money on the construction of access roads.

On the other hand, Kaduna Polytechnic, Kaduna State, had used its share of the prize money to build a radio station named "JAMB Merit Award – Spider FM Radio Station", as well as "JAMB Merit Award – Medical Laboratory, Kaduna. In addition, the school also renovated its Administration Block which was similarly renamed "JAMB Merit Award –renovated Administrative Block", Kaduna Polytechnic, Kaduna State.

Other NATAP-M Awards projects scattered across award-winning tertiary institutions included the multi-million naira mega CBT centre built by the Ogun State Institute of Technology, Igbesa. The Federal University, Wukari, had disclosed that it spent its NATAP-M Awards money on the construction of access roads and infrastructure, to mention but a few of the list of projects executed by award winners over the years.

## EDUCATION IN THE MEDIA

PUNCH, SUNDAY, JANUARY 25, 2025: Minister Refutes Banning of Indigenous Languages in Schools: The Federal Government has clarified that indigenous languages have not been banned in Nigerian schools but said their use as the main medium of instruction will be limited to ensure students are prepared for national exams conducted in English.

Minister of Education, Dr. Tunji Alausa, explained the rationale behind the policy adjustment. "Now, we've not banned the use of indigenous languages in school. What we've done is a SWOT analysis of what's happening.

"No doubt, there is evidence that shows that mother tongue as the language of instruction helps kids learn better, but then it's about deployment. We have to look at a multi-ethnic society, a multi-linguistic society. Today, we have 646 languages in this country," he added.

This was agreed upon during a courtesy visit by the Anambra State Coordinator of JAMB, Dr Ifunanya Obiano, recently at the NSCDC State Command Headquarters.

NSCDC Commandant, Anambra Command, Mr. Maku Olatunde, said that the command had put in place checks and balances to forestall

JAMB Registrar, Professor Is-haq Oloyede, disclosed the figure during an interactive session with state Commissioners for Education in Lagos. He said the centres will undergo a final test before accreditation is confirmed for participation in the UTME.

"Before the commencement of the 2026 UTME registration exercise, the Board conducted a rigorous accreditation exercise of the CBT centres, the accreditation team included Chief External Examiners such as Vice-Chancellors, Rectors and Provosts, as well as Technical Advisors, JAMB State Coordinators and Technical Officers from the Board... We're committed to curbing examination malpractice and other unwholesome practices." Oloyede added...

The circular highlighted steps for the loan repayment, urging indebted students to "strictly follow the two-step procedure." The development, however, has sparked intense debate across social media platforms, with students and stakeholders expressing confusion and concern...

GUARDIAN, WEDNESDAY JANUARY 28, 2025: Undergraduates Operate as 'Professional' UTME Exam Takers – JAMB: The Joint Admissions and Matriculation Board (JAMB) has revealed that many matriculated students were involved in examination malpractice as professional examination takers during the Unified Tertiary Matriculation Examination (UTME). It explained that requiring candidates to declare their matriculation status during registration for this year's UTME would help speed up the process of taking necessary action whenever such individuals are caught.

JAMB spokesperson, Dr. Fabian Benjamin, who stated this said, "Recent findings indicate that many matriculated students are engaged as professional examination takers. Mandatory disclosure, therefore, expedites appropriate action whenever such candidates are apprehended," Dr Benjamin said.

DAILY TRUST, THURSDAY, JANUARY 29, 2025: No Student Is Allowed to Hold 2 Admissions Concurrently – JAMB: The Joint Admissions and Matriculation Board (JAMB) has reiterated that no student is permitted to hold two admissions at the same time. The Board further warned candidates registering for the 2026 Unified Tertiary Matriculation Examination (UTME) that failure to disclose any prior admission could result in the loss of both offers.

The clarification was contained in a statement issued yesterday by Dr. Fabian Benjamin, Public Communication Advisor to JAMB, in response to what the Board described as misleading narratives circulating online about candidates' matriculation status and compliance obligations.

According to JAMB, the directive is in line with its statutory mandate to prevent multiple matriculations, stressing that all candidates registering for the 2026 UTME or Direct Entry (DE) must declare their matriculation status where applicable. The Senator also highlighted his legislative contributions as a parliamentarian, including bills he sponsored, particularly the one aimed at harmonising the retirement age in the education sector. He reaffirmed his resolve to establish a state-of-the-art Computer-Based Test (CBT) centre for the university, designed in line with the Board's specifications and best practices. He assured that tuition fees would

be affordable and reasonable, noting that interventions from NICON Insurance would help subsidise costs. He also announced a 30 per cent work-study provision, allowing students to earn an income while pursuing their academic programmes.

Senator Ibrahim stated that his visit to JAMB was not predicated on personal considerations but on the institution's pride in Is-haq Oloyede, whom he described as a distinguished son who has transformed JAMB into a model public institution. He noted that turning around a government agency is no small feat.

He further pledged to champion the Registrar's initiative at the National Assembly to ensure that CBT centres

are extended to all parts of the country, while expressing solidarity with the Registrar for his remarkable achievements.

In his response, the Registrar congratulated Senator Ibrahim on his appointment as an Ambassador and assured him of JAMB's full support for both him and the University of Fortune.

Prof. Oloyede also expressed appreciation for the Senator's kind words and visionary leadership, commending his efforts to nurture a new generation of employable and ethically grounded graduates.

## OFFICE OF THE REGISTRAR

No. 2024ff.04

6<sup>th</sup> May, 2024

### **MANDATORY USE OF THE NATIONAL IDENTIFICATION NUMBER (NIN) FOR REGISTRATION WITH JAMB BY CANDIDATES APPLYING FOR NON-REGULAR PROGRAMMES**

**This Advisory is issued to all the concerned institutions, and candidates desirous of applying to study under the non-regular mode of study in tertiary institutions in Nigeria.**

As part of measures to checkmate the nefarious activities of fraudulent characters, who are scheming to compromise candidates' records through dubious registration channels and in compliance with its enabling act, JAMB has mandated that all applicants desirous of studying in Nigerian tertiary institutions must provide their NIN while registering for any programme of study in any tertiary institution in Nigeria irrespective of whether the mode of study is **regular and non-regular**.

2. Consequently, it has now become mandatory for all prospective candidates in the **non-regular category (NOUN, Distance Learning, Part-time and Sandwich programmes)** to create a profile code, before registering with JAMB, by sending their NIN, through their unique phone number to either of the Board's sort code (55019 or 66019).
3. Immediately after the creation of profile, each candidate will proceed to a CBT Centre for registration. After the registration, the candidate's details will appear on the CAPS of the institution of choice under non-regular admission. The institution will then propose and recommend to the Board for approval and the candidate will accept and print admission letter.
4. Furthermore, all previous candidates in the non-regular programmes, who had not integrated their NIN or unique phone number on the Board's platform, would have to create a profile using their respective NINs to access any of the services of the Board.
5. No candidate can use the process to change any of the data already supplied to the Board.
6. JAMB, as a responsive organisation that is conscious of the peculiarities of the non-regular studies, will continue to make the registration process as flexible as possible by making its platform available throughout the year. It is, therefore, expected that candidates, who fall under this category, will apply through JAMB before approaching their preferred institutions to process their admission with their respective JAMB registration numbers. They would also be expected to pay their preferred institution a processing fee as determined by the respective institutions.
7. Please be guided for compliance.

## HAWKING MERCHANDISE ON DUTY: A BREACH OF WORKPLACE ETHICS

*"Professional conduct sustains institutional integrity."*

The workplace is designed to promote productivity, order, and administrative efficiency. However, there have been instances where the Board's environment has been converted into a marketplace by some staff and unauthorised individuals who gain illegal access to the premises. Such practices undermine the dignity of the Service and erode established standards of professionalism.

This edition of **HRM IN FOCUS** draws attention to the ethical, regulatory, and disciplinary implications of hawking merchandise or engaging in trading activities during official working hours.

### Why This Practice Occurs

One of the major drivers of this inappropriate behaviour is economic hardship. In the quest for additional income or the desire to showcase entrepreneurial interests, some officers engage in hawking or trading within office premises during working hours.

While these motivations may be understandable, they do not justify actions that conflict with established rules and ethical standards of the Public Service.

### Effects of Hawking Merchandise on Duty

Although it may appear harmless, hawking on duty has far-reaching consequences:

- Disruption of official duties, leading to reduced focus and efficiency
- Decline in productivity and work quality
- Missed deadlines and delayed service delivery
- Unfair workload distribution, where some officers engage in trading while others bear the burden of official tasks
- Negative impact on the image of the Service

Such practices blur the line between acceptable conduct and misconduct.

### Relevant Provisions of the Public Service Rules

To address this ethical lapse, attention is drawn to the following provisions of the **Public Service Rules (PSR)**:

- **Rule 100312 (PSR):**  
*Officers are prohibited from hawking merchandise or engaging in any form of trading within office premises during working hours.*

*Contd in Pg 10*

### ...Human Resource Management in Focus

- **Rule 100301(k) (PSR):**

This improper behaviour, being inimical to the image of the Service, is classified as **misconduct**, among other related offences.

## Consequences of Breaching the Rule

Hawking merchandise on duty, though seemingly minor, carries serious consequences:

- Upon investigation and proof, an officer's appointment may be **terminated** in line with **Rule 100301 (PSR)**.

Officers are therefore advised not to trivialize actions that constitute misconduct under the Rules.

## Implications for Unauthorized Individuals (Non-Staff)

Unauthorised persons found hawking merchandise within the premises of the Board may face:

- Seizure or loss of hawked items
- Harassment and removal from the premises
- Arrest and prosecution by relevant authorities

The Board does not condone illegal access or trading within its facilities.

## Final Word

Professionalism remains the cornerstone of an effective Public Service. Officers are strongly advised to familiarise themselves with the relevant provisions of the Public Service Rules and adhere strictly to them. Maintaining focus on official responsibilities and upholding ethical standards must remain a guiding principle in the workplace.

## Tip for the Week

*"To know what is right and not do it is the worst cowardice."*

Ethical conduct is not optional; it is a duty. When officers respect workplace rules and prioritize their assignments, they contribute to a disciplined, productive, and respected Service. Let us collectively uphold the values that define professionalism and institutional integrity.

### **ADVISORY ON PROCEDURE FOR PROCESSING OF (DEGREE) ADMISSION FOR AFFILIATED INSTITUTIONS**

In 2022, the Board proposed that universities should take full responsibility for admissions into all degree programmes offered through institutions affiliated with them. However, this directive was not fully implemented, as universities were initially given the liberty to decide on the matter, pending a final resolution. To date, only the University of Ibadan has assumed this role of overseeing and coordinating the admissions of its affiliate institutions.

2. Following the meeting held on Monday, 18th August 2025, with various institutions regarding violations of matriculation guidelines, concerns were raised about the existing admission processing structure. Notably, institutions complained that they could not be held accountable for the misdemeanors of their affiliates under the existing processing format. As a result of this, the matter was revisited.

3. Consequently, it was resolved that the previously proposed process, where Mother-Institutions take responsibility for admissions into their affiliated institutions, should now be adopted and implemented by all universities with affiliates.

4. In light of the above, the Board has developed an updated procedure for the processing of admissions by both Mother-Institutions and their affiliates, as follows:

- a. Head of the affiliated-institution logs into JAMB (CAPS) portal and downloads candidates for a particular programme;
- b. The Head of the Affiliated-Institution (wherever it is based) logs into JAMB (CAPS) portal and sets admissions criteria for every programme, such as minimum scores for UTME, post UTME, aggregate, catchment and ELDS;
- c. The Head of the affiliated institution proposes the qualified candidates for each programme on CAPS and it goes to the Head of the mother-institution;
- d. The Head of the Mother-Institution (wherever it is based) logs into the JAMB (CAPS) portal and recommends the candidate to the Registrar of JAMB (or representative) for approval or declines the proposal with a reason for the rejection;
- e. The Registrar of JAMB (or representative) approves the recommendation(s) from the Head of the Mother-Institution or declines the recommendation with a reason for the rejection;

*Contd in Pg 12*

- f. If the recommendation is approved, the candidate is notified through his/her email and SMS to either accept or reject the offer of admission. The two institutions can log in and view the status of the recommended candidates;
- g. If the candidate accepts the offer of admission, he/she can thereafter print his/her admission letter and access other services online from his/her profile.

**NOTE:** The Head of an Affiliated-Institution has access to “VIEW ONLY” all recommendations by the Head of a Mother-Institution.

5. All Universities serving as Mother-institutions, Polytechnics/Monotechnics, Colleges of Education and other institutes offering degrees in affiliation with universities are to be guided by this, please.

## STRENGTHENING PARTNERSHIP TO PROMOTE QUALITY EDUCATION IN ANAMBRA STATE

The Anambra State Coordinator, Dr. Dinah I. Obiano, recently paid a courtesy visit to the Anambra State Commissioner of Education, Prof. Ngozi Chuma-Udeh, in her office in Awka.

According to her, the visit was aimed at promoting quality education and ensuring a seamless 2026 UTME/DE registration and successful conduct of the examination in rural and urban areas in the State. The Coordinator also highlighted a few other areas where the Anambra State Office believed that support from the present administration in the State would

greatly enhance its operations, especially in terms of mobility, security, and candidate welfare, among others.

In her speech, the State Coordinator urged the stakeholders in the State to establish more CBT

centres across Anambra. She explains that expanding CBT infrastructure will not only help ease registration and examination logistics for thousands of the State's UTME candidates but also reduce malpractice risk.

To make this happens, she urged Local Government Chairmen, School Principals, State and Private ICT firms and Community Leaders to

pool resources, identify suitable sites and secure funding for new centres. She also pledged the Board's technical support and continuous monitoring aimed at ensuring quality and a seamless 2026 UTME registration exercise.

## JAMB JOINS NOA ON CAMPAIGN AGAINST INDECENT DRESSING

The Akwa Ibom State Office of the Joint Admissions and Matriculation Board (JAMB), on Monday, 22nd January, 2026, joined the National Orientation Agency (NOA) in the State on a campaign against indecent dressing.

The exercise, which began with a walk from the Conference Hall, National Orientation Agency, Federal Secretariat Complex, Abak Road, to the Main Entrance/Abak Road, Uyo, Akwa Ibom State, recorded a huge turnout of public-spirited Nigerians as well as members of the Association of Heads of Federal Establishments in

the State.

In his address on the occasion, the Akwa Ibom State Director of the Agency, Mr. Mkpoutom Mkpoutom, said that indecent dressing entails wearing clothes that expose sensitive body parts, such dresses, according to him, are not allowed in public places like schools, churches, mosques, and government offices, among others.

In her remarks, the JAMB State Coordinator, Mrs. Grace Olima-William, submitted that, "In recent times, transparent wears, body hugs, tight-fitted clothes, short dresses etc., which are supposed to be worn as undergarments, are now being

worn outside by the youths with some even exposing the upper body parts in the name of "sagging" while others wear worn-out/torn trousers and nickers, to public places. These do not only constitute indecent dressings; they are wrong in all respects," she said.

She, therefore, canvassed for parental guidance and adherence to moral practices as rooted in Nigerian cultural and traditional practices, and called on all patriotic Nigerians to join the campaign towards the preservation of our rich cultural heritage.

## CEE, PEACE MONITOR, OTHERS MONITOR UTME REGISTRATION IN AKWA IBOM STATE

In his bid to ensure effective service delivery, the newly-appointed Chief External Examiner (CEE) for Akwa Ibom State and the Vice Chancellor, Federal University of Technology, Ikot Abasi (FUTIA), Prof. Leo Daniel, in the company of other key functionaries of the Joint Admissions and Matriculation Board (JAMB), on Friday, 30th January, 2026, monitored the ongoing 2026 UTME registration exercise across the State.

Prof. Daniel, in his remarks at Divine Seed CBT Centre, Eket, charged the centre on sustained centre functionality, saying such investments should not be locked up for a year without being used.

"I encourage you to put this facility to better use. This is a huge investment; don't lock it up after UTME. Its constant usage will prolong the lifespan of the devices. Digital devices hate dust.

"WAEC is also starting full-scale Computer-Based Examination this year; you can as well partner with them to keep your devices running constantly and efficiently," he added. At Rolling King Infotech and Management Technology CBT Centre, Ikot-Ekpene, the CEE expressed appreciation to the Centre Administrator for the admirable crowd management and smooth conduct of the registration exercise.

In her reaction, the State Peace Monitor, Prof. Comfort Ekpo, insisted

that all centres must activate their Microsoft cameras for remote monitoring of the exercise, stressing that any centre whose activities could not be monitored remotely would be sanctioned.

The monitoring team interacted with candidates at the various centres to gather firsthand information and feedback, assess systems functionality, state of facilities, security arrangements, and the registration process.

The CEE promised that the exercise would be a continuous process until the end of the 2026 UTME/DE registration, as would continue during the upcoming main examination in April.

Other CBT centres visited included: Heritage Digi Link Int'l Ltd., CBT Centre, Uyo; Kemelgold CBT Centre, Onna; University of Uyo PTDF E-Resource Centre, Uyo; Akwa Ibom State Polytechnic CBT Centre, Ikot Ekpene; Pastor Patience Umo Eno ICT

Centre, Nsit-Ubium, Edet Amana Foundation ICT Hub, Oron; and Ebenezer International Schools CBT Centre, Uyo.

Earlier in a roundtable with the stakeholders in her office, the JAMB Akwa Ibom State Coordinator, Mrs. Grace Olima-William, congratulated the new CEE on his appointment, while charging the team on the task ahead of them.

"All hands must be on deck to achieve success. The monitoring exercise is a constant activity; we must be up and doing to ensure compliance and quality assurance. A stitch in time, saves nine. No Nigerian child should be disadvantaged because of someone else's negligence," she said.

In the entourage of the CEE were: the Ag. Director of ICT, FUTIA, Dr. Abasiama Akpan; the Admission Officer, Ms. Edidiong Ukpog, and the Public Relations Officer, Mr. Peter Saturday Peter.

## ABUJA ZONAL DIRECTOR WARNS CBT CENTRES AGAINST EXTORTION OF CANDIDATES

The Director, Abuja Zonal Office of the Joint Admissions and Matriculation Board (JAMB), Mrs. Doom Iyortyom, has warned Centre Proprietors against extortion of candidates particularly with respect to the monetization of the registration template allegedly being perpetrated by some nefarious elements, reiterating that no candidate should be charged extra fees above the official stipulated

charges in the ongoing UTME registration.

This was disclosed in an advisory circulated to the CBT centres in the Federal Capital Territory on Wednesday, 28th January, 2026.

Mrs. Iyortyom said that her attention has been drawn to reports of some CBT centres in the capital city extorting candidates by collecting extra charges for the registration template adding that she had taken

necessary steps to address the situation. She stated that any centre caught henceforth in this nefarious act would be sanctioned accordingly. She also called the attention of candidates registering for the 2026 UTME to the notice boldly written on the template- 'DO NOT PAY FOR THE TEMPLATE', saying, "No one should flout this directive as both the one who pays and the one who collects will be sanctioned," she warned.

**T**he National Headquarters Annexe, Kaduna (NHAK) of the Board has played host to a delegation of the Kaduna Correctional Centre led by its Principal, Mr. Tukura Yakubu Yamma. In his address, Mr. Yamma disclosed that he and his team were at the Board's office to consolidate on the existing partnership between the Centre and the Board, particularly against the backdrop of the ongoing 2026 Unified Tertiary Matriculation Examination (UTME) registration. Going down memory lane, the Principal said that the Kaduna Correctional Centre was established in 1915 during the colonial era as a Convict Prison facility and it was saddled with the responsibility of detaining offenders as well as

rehabilitating them to become useful to themselves and the society. In his words: "The Centre was saddled with the responsibility of not only detaining offenders, but also rehabilitating and preparing them to become useful to themselves and the society at large. In effect, we provide programmes that help transform and reform inmates to become law-abiding citizens after release." Furthermore, he highlighted some rehabilitative vocational skills acquisition training currently being offered at the Centre, "We train inmates in Baking, Poultry, Piggery, Soap Making and other viable trades. We also provide formal and informal education opportunities, including literacy classes, workshops, and training in practical skills. We

collaborate with some centres such as the open custodial facility, Kaduna, as well as some educational institutions across the State to offer accredited programmes."

In his remarks, the acting Zonal Director, NHA, Kaduna, Mr. Bello Hausawa Aminu, expressed appreciation to the delegation for the visit. He urged the Principal to closely monitor their Computer-Based Test (CBT) facility to keep it running efficiently, while promising unalloyed institutional support.

"My office is always open to you, please, feel free to seek clarifications on any grey areas, particularly those relating to the operations of the Board."
