...as JAMB Registrar is Represented by Director of Admissions

Mr Mohammed Ahmed Babaji, Director Admission(L) with the VC, University of Jos, Prof Tanko Ishaya during the university of Jos 2026 matriculation ceremony.

The University of Jos on Thursday, February 5, 2026, formally matriculated its newly admitted students for the 2025/2026 Academic Session, admitting them into its community of scholars in a colourful and well-attended ceremony held on the University campus.

Delivering the matriculation address, the Vice-Chancellor, Professor Tanko Ishaya, congratulated the fresh students on

securing admission into one of Nigeria's foremost universities, noting that their admission was earned through a highly competitive and rigorous selection process.

The Vice-Chancellor disclosed that as registration concludes, not fewer than 8,000 students are expected to be fully registered across the University's various academic programmes.

Professor Ishaya emphasized the consistently high demand for admission into the University of Jos, stating that thousands of candidates applied through JAMB and met the prescribed benchmarks, thereby intensifying competition for available spaces. He urged the newly admitted students to justify the confidence reposed in them by remaining disciplined, focused, and committed to academic excellence.

The Vice-Chancellor acknowledged the presence of parents and guardians,

JAMB SUSPENDS SELECTION OF EXAMINATION TOWNS FOR 2026 UTME CANDIDATES IN EKITI STATE PENDING ADJUSTMENTS

The Joint Admissions and Matriculation Board (JAMB) has suspended the selection of examination towns for candidates registering for the 2026 Unified Tertiary Matriculation Examination (UTME) who intend to sit the examination in Ekiti State.

This suspension has become necessary to enable the Board to restructure the examination towns to ensure closer proximity to candidates, thereby easing transportation challenges on examination days when centres are assigned.

2026 UTME REGISTRATION CLOSES IN 17 DAYS – NO EXTENSION

The Joint Admissions and Matriculation Board (JAMB) wishes to remind all prospective candidates that the ongoing registration for the 2026 Unified Tertiary Matriculation Examination (UTME) will close in exactly 17 days, on Thursday, 26th February, 2026.

All candidates who desire to sit for the

examination are strongly advised to register immediately, as the Board will not extend the registration deadline under any circumstance.

The Board has observed with concern the near absence of candidates at many accredited registration centres at this stage of the exercise. This recurring pattern where candidates deliberately

...JAMB Suspends Selection of Examination Towns for 2026 UTME Candidates in Ekiti State Pending Adjustments

Candidates are allowed to select examination towns of their choice, particularly those closest to their locations. However, the 2026 UTME registration commenced before the Board detected certain structural anomalies in the configuration of examination towns in the state, necessitating urgent adjustments in the interest of candidates.

Consequently, candidates will be unable to select any examination town in Ekiti State while the adjustment process is ongoing. This process is expected to be concluded shortly.

The Board regrets any inconvenience this temporary measure may cause candidates wishing to select examination towns in the ongoing

registration exercise in Ekiti State. As a matter of practice, JAMB continuously monitors its operations and promptly addresses challenges reported by candidates.

The Board remains committed to making necessary improvements to its processes to ensure that all candidates are treated with dignity and respect.

FHFE VISITS JAMB EKITI, LAUDED THE BOARD FOR EFFECTIVE SERVICE DELIVERY

The Forum of Heads of Federal Establishments in Ekiti State led by its newly-elected Chairperson, Mrs. Yemisi Omotola, on Wednesday, 4th February, 2026, paid a courtesy visit to the State Office of the Joint Admissions and Matriculation Board (JAMB).

Mrs. Omotola, who also doubles as the State Director, Federal Information, and Resource Centre (FIRC), lauded the Board's efficiency in service delivery, saying that the standard exhibited by JAMB is in line

with global standards and urged the Board to sustain the momentum as the nation's pride in the education sector.

Receiving the team, the JAMB State Coordinator, Mr. AbdulGaniyu Ishola Babaita, reaffirmed the Board's commitment to strategic and effective service delivery, while narrating the processes involved in the administration of the Unified Tertiary Matriculation Examination.

The Coordinator also briefed the team on the ongoing 2026 UTME

registration exercise, which commenced on Monday, 26th January, 2026, across the country. He then conducted the delegation round the registration area to witness the registration process, disclosing that the exercise would come to a close on Thursday, 26th February, 2026.

The visiting team included the newly-elected executive members of the Forum as well as other members in Ekiti State.

JAMB REMINDS CANDIDATES OF THE CONSEQUENCES OF INFRACTIONS, ATTESTATION

As the 2026 UTME registration enters the third week, the Joint Admissions and Matriculation Board (JAMB) has reminded candidates of the consequence of committing registration infractions and violation of the attestation signed with the Board.

The Registrar gave this reminder penultimate

week while interacting with media executives. He also pointed out that registration infraction is a serious offence noting that candidates may be barred from sitting the UTME for up to 3 years. In addition, names of defaulters may be published by the Board in the national dailies as well as circulated to other public examination bodies. He also disclosed that candidates might be handed over to the Economic and Financial Crimes Commission (EFCC), Independent Corrupt Practices and Other Related Offences Commission (ICPC) or the Nigerian Police for prosecution.

With respect to attestation, the Registrar

said in the documents, candidates had declared that the information given in their application as well as other supporting documents during registration is true and correct stating that doing anything contrary to this declaration would attract appropriate sanctions.

Prof. Oloyede said the attestation clause, which is now part of the application documents, has been incorporated into the registration process as a result of the bitter lessons the Board had learnt from the various legal battles it had with candidates. He, therefore, warned candidates against giving fictitious information that could jeopardise their quest for tertiary education.

Furthermore, the Registrar affirmed that attestation is a formal verification process that confirms the authenticity of academic credentials, and all information fielded by the candidate during registration, thereby helping to prevent fraud.

Registrar/Chief Executive

OFFICE OF THE REGISTRAR

No. 2024ff.04

6th May, 2024

MANDATORY USE OF THE NATIONAL IDENTIFICATION NUMBER (NIN) FOR REGISTRATION WITH JAMB BY CANDIDATES APPLYING FOR NON-REGULAR PROGRAMMES

This Advisory is issued to all the concerned institutions, and candidates desirous of applying to study under the non-regular mode of study in tertiary institutions in Nigeria.

As part of measures to checkmate the nefarious activities of fraudulent characters, who are scheming to compromise candidates' records through dubious registration channels and in compliance with its enabling act, JAMB has mandated that all applicants desirous of studying in Nigerian tertiary institutions must provide their NIN while registering for any programme of study in any tertiary institution in Nigeria irrespective of whether the mode of study is **regular and non-regular**.

2. Consequently, it has now become mandatory for all prospective candidates in the **non-regular category (NOUN, Distance Learning, Part-time and Sandwich programmes)** to create a profile code, before registering with JAMB, by sending their NIN, through their unique phone number to either of the Board's sort code (55019 or 66019).
3. Immediately after the creation of profile, each candidate will proceed to a CBT Centre for registration. After the registration, the candidate's details will appear on the CAPS of the institution of choice under non-regular admission. The institution will then propose and recommend to the Board for approval and the candidate will accept and print admission letter.
4. Furthermore, all previous candidates in the non-regular programmes, who had not integrated their NIN or unique phone number on the Board's platform, would have to create a profile using their respective NINs to access any of the services of the Board.
5. No candidate can use the process to change any of the data already supplied to the Board.
6. JAMB, as a responsive organisation that is conscious of the peculiarities of the non-regular studies, will continue to make the registration process as flexible as possible by making its platform available throughout the year. It is, therefore, expected that candidates, who fall under this category, will apply through JAMB before approaching their preferred institutions to process their admission with their respective JAMB registration numbers. They would also be expected to pay their preferred institution a processing fee as determined by the respective institutions.
7. Please be guided for compliance.

HUMAN RESOURCE MANAGEMENT IN FOCUS 21st Edition

HAWKING MERCHANDISE ON DUTY: A BREACH OF WORKPLACE ETHICS

"Professional conduct sustains institutional integrity."

The workplace is designed to promote productivity, order, and administrative efficiency. However, there have been instances where the Board's environment has been converted into a marketplace by some staff and unauthorised individuals who gain illegal access to the premises. Such practices undermine the dignity of the Service and erode established standards of professionalism.

This edition of **HRM IN FOCUS** draws attention to the ethical, regulatory, and disciplinary implications of hawking merchandise or engaging in trading activities during official working hours.

Why This Practice Occurs

One of the major drivers of this inappropriate behaviour is economic hardship. In the quest for additional income or the desire to showcase entrepreneurial interests, some officers engage in hawking or trading within office premises during working hours.

While these motivations may be understandable, they do not justify actions that conflict with established rules and ethical standards of the Public Service.

Effects of Hawking Merchandise on Duty

Although it may appear harmless, hawking on duty has far-reaching consequences:

- Disruption of official duties, leading to reduced focus and efficiency
- Decline in productivity and work quality
- Missed deadlines and delayed service delivery
- Unfair workload distribution, where some officers engage in trading while others bear the burden of official tasks
- Negative impact on the image of the Service

Such practices blur the line between acceptable conduct and misconduct.

Relevant Provisions of the Public Service Rules

To address this ethical lapse, attention is drawn to the following provisions of the **Public Service Rules (PSR)**:

- **Rule 100312 (PSR):**
Officers are prohibited from hawking merchandise or engaging in any form of trading within office premises during working hours.

Contd in Pg 10

...Human Resource Management in Focus

- **Rule 100301(k) (PSR):**
This improper behaviour, being inimical to the image of the Service, is classified as **misconduct**, among other related offences.

Consequences of Breaching the Rule

Hawking merchandise on duty, though seemingly minor, carries serious consequences:

- Upon investigation and proof, an officer's appointment may be **terminated** in line with **Rule 100301 (PSR)**.

Officers are therefore advised not to trivialize actions that constitute misconduct under the Rules.

Implications for Unauthorized Individuals (Non-Staff)

Unauthorised persons found hawking merchandise within the premises of the Board may face:

- Seizure or loss of hawked items
- Harassment and removal from the premises
- Arrest and prosecution by relevant authorities

The Board does not condone illegal access or trading within its facilities.

Final Word

Professionalism remains the cornerstone of an effective Public Service. Officers are strongly advised to familiarise themselves with the relevant provisions of the Public Service Rules and adhere strictly to them. Maintaining focus on official responsibilities and upholding ethical standards must remain a guiding principle in the workplace.

Tip for the Week

"To know what is right and not do it is the worst cowardice."

ADVISORY ON PROCEDURE FOR PROCESSING OF (DEGREE) ADMISSION FOR AFFILIATED INSTITUTIONS

In 2022, the Board proposed that universities should take full responsibility for admissions into all degree programmes offered through institutions affiliated with them. However, this directive was not fully implemented, as universities were initially given the liberty to decide on the matter, pending a final resolution. To date, only the University of Ibadan has assumed this role of overseeing and coordinating the admissions of its affiliate institutions.

2. Following the meeting held on Monday, 18th August 2025, with various institutions regarding violations of matriculation guidelines, concerns were raised about the existing admission processing structure. Notably, institutions complained that they could not be held accountable for the misdemeanors of their affiliates under the existing processing format. As a result of this, the matter was revisited.

3. Consequently, it was resolved that the previously proposed process, where Mother-Institutions take responsibility for admissions into their affiliated institutions, should now be adopted and implemented by all universities with affiliates.

4. In light of the above, the Board has developed an updated procedure for the processing of admissions by both Mother-Institutions and their affiliates, as follows:

- a. Head of the affiliated-institution logs into JAMB (CAPS) portal and downloads candidates for a particular programme;
- b. The Head of the Affiliated-Institution (wherever it is based) logs into JAMB (CAPS) portal and sets admissions criteria for every programme, such as minimum scores for UTME, post UTME, aggregate, catchment and ELDS;
- c. The Head of the affiliated institution proposes the qualified candidates for each programme on CAPS and it goes to the Head of the mother-institution;
- d. The Head of the Mother-Institution (wherever it is based) logs into the JAMB (CAPS) portal and recommends the candidate to the Registrar of JAMB (or representative) for approval or declines the proposal with a reason for the rejection;
- e. The Registrar of JAMB (or representative) approves the recommendation(s) from the Head of the Mother-Institution or declines the recommendation with a reason for the rejection;

Contd in Pg 12

- f. If the recommendation is approved, the candidate is notified through his/her email and SMS to either accept or reject the offer of admission. The two institutions can log in and view the status of the recommended candidates;
- g. If the candidate accepts the offer of admission, he/she can thereafter print his/her admission letter and access other services online from his/her profile.

NOTE: *The Head of an Affiliated-Institution has access to “VIEW ONLY” all recommendations by the Head of a Mother-Institution.*

5. All Universities serving as Mother-institutions, Polytechnics/Monotechnics, Colleges of Education and other institutes offering degrees in affiliation with universities are to be guided by this, please.

JAMB OKAYS DONATION OF UTME FORMS, WARNS AGAINST ABUSE

The Joint Admissions and Matriculation Board (JAMB) has said it is not against well-meaning individuals or organisations procuring UTME forms for candidates, but warned that such gesture must be strictly guided by guidelines governing the sales of 2026 UTME application documents.

The Registrar, Prof. Is-haq Oloyede, stated this at an interactive session with some media executives over the weekend.

The Registrar pointed out that public-spirited individuals, politicians, and organisations in Nigeria are free to procure UTME

forms for the 2026/2027 academic session to assist indigent students.

He also stated that, "Any person, organisation or government that wishes to distribute free application documents to prospective applicants should contact the designated official of the Board via email: fabian.benjamin@jamb.gov.ng."

He explained that such a gesture, though noble, may be abused by some unscrupulous individuals and warned that the Board would not hesitate to deal decisively with any infraction or abuse of the process.

He said arrangements under this waiver must conform with minimum

acceptable standards and regulations governing the sale of applications documents, among which is that such candidates will not be warehoused in a particular centre as they would be posted randomly within their chosen examination towns.

It is to be noted that procurement of forms for indigent candidates is a vital interventionist gesture, frequently embraced by wealthy Nigerians, politicians, NGOs, and religious bodies, to close the educational gap by enhancing accessibility to higher education by less-privileged students.

JIGAWA STATE OFFICE PLAYS HOST TO NOA

The Jigawa State Office of the Joint Admissions and Matriculation Board (JAMB), on Tuesday, 3rd February, 2025, played host to a delegation of the National Orientation Agency (NOA). The team led by the State Director of the Agency, Mr. Ahmed Tijjani Ibrahim, said the visit was necessitated by the Agency's staff promotion examination exercise which was held on Thursday, 5th February, 2026.

It is to be noted that NOA is partnering the Board to conduct the 2026 exercise using its facilities across the country.

The Director said the visit was, therefore, to, "assess the level of preparedness ahead of the coming 2026 promotion exercise."

The JAMB State Coordinator, Mr. Adekunle Makinde, in his reaction, thanked the delegation for the visit, adding that "JAMB is ever ready when it comes to test administration, you have nothing to be afraid of."

While conducting the team round the Board's facilities, the Coordinator took them through a tour of the registration/data capturing area and the Professional Test Centre where they observed, in real time, the

various operational processes of the Board.

He also took time to explain the processes involved in the ongoing 2026 UTME registration exercise to the visitors, who were pleased with the level of technology deployed by JAMB for its candidate registration and the conduct of the Computer-Based Testing (CBT).

In his response, the NOA State Director, expressed satisfaction with the level of organisation and professionalism exhibited at the State Office, while commending JAMB for its various innovative processes.

...2026 UTME Registration Closes In 17 Days – No Extension

delay registration until the final days and subsequently begin to agitate for an extension will not be entertained in 2026.

JAMB is fully aware of the deliberate tactics of examination cheats and individuals masquerading as tutorial centres owners, who misleadingly advise candidates to delay registration until the last minute. This strategy is often aimed at forcing an extension of the registration period, thereby enabling the mass movement of candidates to centres in groups, which facilitates examination malpractice.

The Board wishes to state unequivocally that it is fully aware of these antics and has taken them into

account in its planning. There will be no extension of the registration period, and this public notice is issued to ensure that genuine, law-abiding candidates are not misled or disadvantaged.

Candidates are reminded that the 2026 UTME registration commenced on Monday, 26th January, 2026, and was clearly scheduled to last five weeks. That timeline remains unchanged.

So far, about one million candidates have already indicated interest in the examination, while significant number have procured their ePINs and are expected to complete their registration without delay.

The Board further explains that

extending the registration period is practically impossible, as its operational calendar is tightly aligned with those of other sister examination bodies. Any extension would disrupt this coordinated schedule and encroach on timelines already allocated to other national examinations.

Candidates are therefore advised, in their own interest, to register now, avoid last-minute rushes, and disregard any advice suggesting that the registration period will be extended.

JAMB will not be held responsible for candidates who fail to act within the stipulated time.

ABIA STATE COORDINATOR MEETS CBT CENTRE PROPRIETORS

In her bid to ensure a hitch-free registration exercise, the Abia State Ag. Coordinator, Mrs. Juliet C. Anekwe, has warned CBT Centre Proprietors in the State to shun acts that are capable of undermining the integrity of the 2026 UTME registration process.

This statement was made during the meeting of the Coordinator with Centre Proprietors, held recently at the State Office, Umuahia.

In her remarks, Mrs. Anekwe thanked the centre owners for their cooperation over the years and urged them to continue to uphold the good work, while welcoming the new entrants.

She stated that the meeting was

organised to sensitize both existing and newly-accredited CBT Centres on the ongoing 2026 UTME registration exercise urging them to avail themselves of the various advisories on the registration activities as well as other modalities put in place by the Board.

She reiterated the Board's zero tolerance for security breaches and emphasized that the Board would not hesitate to sanction any defaulting centre or prosecute infrctors. She urged them to abide by their rules of engagement and shun all acts that could bring the image of the Board to disrepute.

The SERVICOM Desk Officer, who also doubles as the State Office Public

Relations Officer (PRO), Mrs. Calista Umeadi, charged the participants on the need to pay particular attention to sensitive issues as candidates UTME subject combination, O/L subjects requirements, data mismatch, candidates with special needs and most importantly, referring candidates with biometric verification issues to the State Office, Umuahia.

The Proprietor of Caccou Investment, Mr. Bestman Philip, who spoke on behalf of other centre owners, thanked the Coordinator for organising the meeting and promised their unalloyed support for the Board at all times.

EKITI ACTING COORDINATOR ADMONISHES STAFF ON GOOD CONDUCT

The Acting Coordinator of the Joint Admissions and Matriculation Board (JAMB) in Ekiti State, Mr. Ishola Ganiyu, has tasked members of staff of the State Office on the need for them to make optimal performance and productivity their priority, noting that achieving the Board's goals is a collective responsibility of all team players.

The Acting Coordinator stated this recently in Ado-Ekiti during a roundtable with members of staff of

the State Office while mapping out strategies for achieving unprecedented success in the ongoing 2026 Unified Tertiary Matriculation Examination (UTME) registration exercise.

The Coordinator admonished them to continue to be of good conduct and be committed to their duties at all times, while frowning at lateness to office, poor attitude to work, unguided utterances, extortion, and loitering, among other vices. He urged them to be professional in their

dealings with members of the public, while reiterating his open-door policy and promising to carry them along in the day-to-day operations of the Board.

In his reaction, the Ekiti State Public Relations Officer (PRO), Mr. Abdulrasaq Olanrewaju Bhadmus, who spoke on behalf of his colleagues, expressed appreciation to the Coordinator for keeping them informed at all times, while pledging commitment towards achieving the Board's goals in the State.
