Prof. Is-haq Oloyede, Registrar of JAMB.

The Joint Admissions and Matriculation Board (JAMB) wishes to inform all prospective candidates and the general public that the pin vending for the 2026 Unified Tertiary Matriculation Examination (UTME) will close on Thursday, 26th February, 2026.

The sale of e-PINs which enables a candidate to proceed to the Centre for

registration will end at 12:00 midnight on Thursday, 26th February, 2026, while actual registration at accredited centres for those who already procure the ePIN will cease on Saturday, 28th February, 2026.

As of Sunday, 22nd February, 2026, the Board has successfully registered over 1.8million candidates. The Board has a daily registration capacity of 100,000 candidates, yet registration centres across the country are currently operating at barely 30% of that capacity. This indicates that a significant number of prospective candidates are yet to take advantage of the opportunity to register. The Board wishes to clearly state that there will be no extension of the registration deadline. JAMB operates within a nationally coordinated examination calendar agreed upon by all examination bodies in Nigeria. The Board's registration window is strategically scheduled to allow other

President, JICCS, Mr. Caleb Musa Maigari

In his remarks, Mr. Maigari welcomed members to the meeting and disclosed that despite the prevailing challenging economic realities, the JICCS has remained resilient and achieving notable progress in terms of efficient service delivery and enhanced financial stability. He also thanked members for their steadfastness and trust. He pledged to remain focused on innovation, transparency and sustainability while continuously improving members' benefits and access to loans.

Continuing, Mr. Maigari mentioned some significant landmarks achieved by the Society in the year under review, which have not only improved its services but have also

strengthened its financial base and expanding opportunities for members.

Furthermore, the President expressed delight at the significant strides, recorded in the last financial year. Among these were: the completion and commissioning of the Society's water factory, which he noted had started providing services to members at subsidized rates, successfully reforming the loan percentage, loan tenure while launching a robust Corporate Social Responsibility (CSR) profile within Bwari community, among others.

According to Mr. Maigari, these laudable accomplishments reflect the Society's commitment to growth and members' satisfaction geared towards moving the cooperative to greater heights. He also disclosed that the membership strength of the Society as of December, 2025 has grown to 1,116 as 56 new members joined while 106 members retired, withdrew or passed away.

The President also notified members that the tenure of the current Auditor had come to an end having completed the mandatory 12-month tenure. He, therefore, asked the House to nominate replacements. Consequently, Mr. Abraham Obande and Mrs. Martina Abumbi were nominated unopposed.

The Society thereafter declared a dividend of N24,158,481.33 for the 2025 financial year.

In his goodwill message, the Director, Cooperative Society, Federal Capital Territory, Abuja, Engr. Omole, represented by Mrs Shade Abdulsalam, expressed gratitude and appreciation to the President and his remarkable Executive Committee members for providing a conducive and enabling environment for the steady growth of the JICCS. He added that the overall Cooperative Body in Nigeria would not let the esteemed Cooperators down and enjoined members to be committed to the ideals of the Society. He urged the Executives and the esteemed Cooperators to continue to work together as a team so that the mission and vision of the Society would be actualized.

In his closing remarks, Maigari expressed sincere appreciation to his executive team, management and the cooperators for their support, participation and dedication.

The highlight of the AGM was the re-swearing in of the Executive Committee members along with the newly-appointed Auditors, for the new financial year.

MANDATORY USE OF THE NATIONAL IDENTIFICATION NUMBER (NIN) FOR REGISTRATION WITH JAMB BY CANDIDATES APPLYING FOR NON-REGULAR PROGRAMMES

This Advisory is issued to all the concerned institutions, and candidates desirous of applying to study under the non-regular mode of study in tertiary institutions in Nigeria.

As part of measures to checkmate the nefarious activities of fraudulent characters, who are scheming to compromise candidates' records through dubious registration channels and in compliance with its enabling act, JAMB has mandated that all applicants desirous of studying in Nigerian tertiary institutions must provide their NIN while registering for any programme of study in any tertiary institution in Nigeria irrespective of whether the mode of study is **regular and non-regular**.

2. Consequently, it has now become mandatory for all prospective candidates in the **non-regular category (NOUN, Distance Learning, Part-time and Sandwich programmes)** to create a profile code, before registering with JAMB, by sending their NIN, through their unique phone number to either of the Board's sort code (55019 or 66019).
3. Immediately after the creation of profile, each candidate will proceed to a CBT Centre for registration. After the registration, the candidate's details will appear on the CAPS of the institution of choice under non-regular admission. The institution will then propose and recommend to the Board for approval and the candidate will accept and print admission letter.
4. Furthermore, all previous candidates in the non-regular programmes, who had not integrated their NIN or unique phone number on the Board's platform, would have to create a profile using their respective NINs to access any of the services of the Board.
5. No candidate can use the process to change any of the data already supplied to the Board.
6. JAMB, as a responsive organisation that is conscious of the peculiarities of the non-regular studies, will continue to make the registration process as flexible as possible by making its platform available throughout the year. It is, therefore, expected that candidates, who fall under this category, will apply through JAMB before approaching their preferred institutions to process their admission with their respective JAMB registration numbers. They would also be expected to pay their preferred institution a processing fee as determined by the respective institutions.
7. Please be guided for compliance.

HUMAN RESOURCE MANAGEMENT IN FOCUS 22nd Edition

ABSENCE WITHOUT OFFICIAL LEAVE (AWOL): A SERIOUS MISCONDUCT IN THE PUBLIC SERVICE

"Discipline and accountability are the pillars of effective service delivery."

AWOL in Public Service stands for Absence from duty Without Official Leave. This is a situation where an officer fails to report to his official duty post without proper permission. It is pertinent to note that not all permissions sought for get approval, as application for leave might be denied by the authority for genuine reason(s). As such, failure of an officer to report to his scheduled post without authorisation may result into being booked for AWOL.

AWOL is a serious misconduct that could be investigated and proven. When Proven, it may lead to the officer's dismissal in accordance with the provisions of the Public Service Rules (PSR) 100402 and PSR 100413 respectively. This anomaly undermines organisational discipline and also disrupts efficiency in service delivery.

As the Board advances into 2026, it is imperative that we all reaffirm our commitments to duty and adhere to the established rules governing attendance at work and leave.

Common Examples of Unauthorized Absence from Duty

The following actions, among others, constitute AWOL:

1. Failure to resume duty after the expiration of an authorised leave
2. Absence from duty without prior notification or approval
3. Taking unapproved holidays
4. Proceeding on sick leave without authorisation or valid approval

Such practices are unacceptable and inconsistent with the standards of the Public Service.

What Constitutes Approved Absence?

An absence from duty is considered authorised only when it meets the following conditions:

1. Formal Approval - Leave must be formally applied for and approved by the Board before proceeding.
2. Medical Grounds - In cases of illness, a valid medical certificate from an authorised healthcare facility must be presented and approved.

Contd in Pg 9

...Human Resource Management in Focus

Any absence that does not meet these conditions remains unauthorised.

Consequences of Absence Without Leave

Any officer who absents himself from duty without proper approval will be:

1. Issued an administrative query to explain why disciplinary action should not be taken against him. If the response is unsatisfactory, the officer may be:
2. Invited to appear before a Disciplinary Committee in line with the PSR 100801. If found guilty, the following disciplinary measures may apply:
 - i. Dismissal- an ultimate punishment for serious misconduct
 - ii. Termination- an ultimate punishment for misconduct
 - iii. Compulsory retirement
 - iv. Reduction in rank
 - v. Reduction in salary
 - vi. Withholding of salary
 - vii. Deferment of increment
 - viii. Loss of pay or non-payment for days absent without authority
 - ix. Surcharge
 - x. Reprimand
 - xi. Written or verbal warning

The severity of the sanction shall depend on the circumstances and gravity of the offence.

Final Word

While unplanned personal or medical challenges may arise, officers are strongly advised to follow due process at all times. Proper notification and approval are essential to avoid disciplinary actions, including the risk of **dismissal**.

Tip for the Week

"Responsibility begins with showing up."

HRM Reflection

Attendance is a fundamental obligation of public service. When officers respect leaves procedures and remain accountable for their presence at work, the Service becomes more efficient, disciplined, and credible. Let us recommit ourselves to duty, professionalism, and respect for the rules that guide our service.

ADVISORY ON PROCEDURE FOR PROCESSING OF (DEGREE) ADMISSION FOR AFFILIATED INSTITUTIONS

In 2022, the Board proposed that universities should take full responsibility for admissions into all degree programmes offered through institutions affiliated with them. However, this directive was not fully implemented, as universities were initially given the liberty to decide on the matter, pending a final resolution. To date, only the University of Ibadan has assumed this role of overseeing and coordinating the admissions of its affiliate institutions.

2. Following the meeting held on Monday, 18th August 2025, with various institutions regarding violations of matriculation guidelines, concerns were raised about the existing admission processing structure. Notably, institutions complained that they could not be held accountable for the misdemeanors of their affiliates under the existing processing format. As a result of this, the matter was revisited.

3. Consequently, it was resolved that the previously proposed process, where Mother-Institutions take responsibility for admissions into their affiliated institutions, should now be adopted and implemented by all universities with affiliates.

4. In light of the above, the Board has developed an updated procedure for the processing of admissions by both Mother-Institutions and their affiliates, as follows:

- a. Head of the affiliated-institution logs into JAMB (CAPS) portal and downloads candidates for a particular programme;
- b. The Head of the Affiliated-Institution (wherever it is based) logs into JAMB (CAPS) portal and sets admissions criteria for every programme, such as minimum scores for UTME, post UTME, aggregate, catchment and ELDS;
- c. The Head of the affiliated institution proposes the qualified candidates for each programme on CAPS and it goes to the Head of the mother-institution;
- d. The Head of the Mother-Institution (wherever it is based) logs into the JAMB (CAPS) portal and recommends the candidate to the Registrar of JAMB (or representative) for approval or declines the proposal with a reason for the rejection;
- e. The Registrar of JAMB (or representative) approves the recommendation(s) from the Head of the Mother-Institution or declines the recommendation with a reason for the rejection;

Contd in Pg 12

- f. If the recommendation is approved, the candidate is notified through his/her email and SMS to either accept or reject the offer of admission. The two institutions can log in and view the status of the recommended candidates;
- g. If the candidate accepts the offer of admission, he/she can thereafter print his/her admission letter and access other services online from his/her profile.

NOTE: *The Head of an Affiliated-Institution has access to “VIEW ONLY” all recommendations by the Head of a Mother-Institution.*

5. All Universities serving as Mother-institutions, Polytechnics/Monotechnics, Colleges of Education and other institutes offering degrees in affiliation with universities are to be guided by this, please.

...Makinde Visits Jigawa Commissioner for Higher Education

and the Jigawa State Government in terms of advancing the education sector in the State.

The meeting also afforded the State Coordinator the opportunity to present a situation report on the ongoing 2026 Unified Tertiary Matriculation Examination (UTME) registration exercise in the State. He highlighted operational developments, candidates' turnout, as well as emerging challenges requiring strategic intervention to enhance efficiency and accessibility. Furthermore, discussions also centred on the need to improve the

registration process through the establishment of additional Computer-Based Test (CBT) centres in the State. The expansion of CBT infrastructure, according to the Coordinator, would ease pressure on existing centres, reduce travel distance for candidates, and strengthen service delivery in line with the Board's standards.

In his remarks, the Honourable Commissioner commended the Board for its sustained commitment to transparency and innovation in the conduct of its examinations. He further reaffirmed the Jigawa State

Government's readiness to continue supporting the Board's activities in the State, particularly in terms of facilitating the establishment of additional CBT centres and ensuring a seamless 2026 UTME registration and examination process.

In his concluding remarks, the Commissioner said the visit underscored the strong partnership between JAMB and the Jigawa State Government towards promoting access to higher education and enhancing examination administration in the State.
