QUALITY ASSURANCE DEPARTMENT ORGANISES TRAINING FOR STAFF

Ahead of the 2022 Unified Tertiary Matriculation Examination (UTME), the Quality Assurance Department (QAD) has organised a training session for its staff on the enormous responsibilities ahead of the Department in the management of the examination.

The training, which held at the Conference Room of the Test Development (TD) Complex, was meant to sensitise QAD staff on the need for

adequate planning for post-examination duties of the Department as well as the need for them to be diligent and proactive in the discharge of their duties.

The Director, Mrs. Mabel Agbebaku, who was represented by Deputy Director, Archives, Records and Library Services Division (ARLS), Mrs. Temitope Akintola, chaired the session. 2022 UTME: JAMB TASKS EXAMINATION OFFICIALS ON REPORT FORMS

The Joint Admissions and Matriculation Board (JAMB) has charged examination officials to ensure that all the report forms on the conduct of the examination are filled accurately and completed as at when due.

The information gathered from the forms would assist the Board in establishing happenings during the examination for reference purposes as well as serve as evidence for punitive measures.

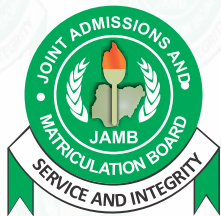

The Director of Quality Assurance, Mrs. Mabel Agbebaku, gave the charge at a

training for staff ahead of the 2022 UTME on Thursday, 28th April, 2022. The Director, who was represented at the training by Deputy Director, Archives, Records and Library Services Division, Mrs. Temitope Akintola, stressed the importance of accurate filling of examination reports by officials stating that information harvested from the reports would assist the Board in the event of complaints from stakeholders.

Mrs. Akintola said Post-UTME sorting of reports is done twice yearly - after the Mock and after the main examination. She said, "All Examination Officers should

fill their forms accurately by indicating their Centre Number and Session on the form. All sessions must be reported separately. Do not use one form to report the two or three sessions held daily.

Continuing, she said, "All forms should be arranged according to sessions in the following order: Supervisor, Technical, BVR, Resident Monitor, CPN (CCTV), Proctor, Centre Administrator and Centre Technical Officer forms. Other forms include payment made to Centre Owners, Daily Attendance, Unverified Candidates and Malpractice, all of which are to be packed separately."

This is even as he called on tertiary institutions in Nigeria to produce entrepreneurs and not just graduates. He said investments in creating entrepreneurs would go a long way in curbing the menace of unemployment and consequently tackle the socio-economic problems prevalent in the country.

He restated the present administration's full support to education, adding that this is evident in the recent presidential approval of upward review of education tax from 2 per cent to 2.5 per cent, which he said would enable TETFund cope with increasing demands.

This is because such teachers are not licensed, certificated and registered by the Teachers Registration Council of Nigeria, TRCN. It was gathered that the government has made being registered with the TRCN a condition for benefiting from the scheme.

Speaking on the matter, the Registrar of the TRCN, Prof. Josiah Ajiboye, said being licensed by the TRCN is a requirement for benefiting from the package. He added that the Council has the capacity to conduct examinations for teachers yet to be licensed by it. He said, "We are now conducting the PQE four times a year and we have set up many centres to do that across the country. We implore those yet to do so to take the window of opportunity that is opened now and do so," he stated. **Also in Vanguard, Thursday, 28th April, 2022**

Sonny Echono made this statement recently when he received Plateau State Governor Simon Lalong at his office in Abuja. He said this would enable TETFUND to cope with the increasing demands on the agency.

He was also optimistic that the education tax would likely increase to 3% as the government harnessed educational investment. This investment, Echono stressed, would go into expanding the frontiers of education and the way education was structured in the country.

The Yobe State University has completed arrangements to begin the Interim Matriculation Board (IJMB) programme latest by June 2022.

The Vice-Chancellor, Prof. Mala Daura said, YSU introduced the programme to complement the efforts of Governor Mai Mala Buni's administration in improving the educational sector to fast-track the actualization of the State of Emergency declared by the government.

The IJMB is a one-year Advanced Level (A-Level) programme of the Federal Government moderated by the Ahmadu Bello University that would give alternative means of admission for students to gain entry into tertiary institutions in the country through Direct Entry.

BLUEPRINT MONDAY, 25TH APRIL, 2022 – FCT: AISA Pays JAMB Fees for 62 Students Distributes Books to Pupils:

The Abuja Indigenous Students Association (AISA) has paid the Joint Admissions and Matriculation Board (JAMB) fees of 62 students across the Federal Capital Territory (FCT) Abuja political wards, at the sum of N5, 000 each. This is besides the distribution of quality exercise books to primary schools within the FCT with a view to enhancing teaching and learning.

While presenting the books at the Kwali Town Hall in Kwali area council, the National President of AISA, Comrade AbdulAziz Abdullahi, said the exercise was conducted in line with their philosophy of giving back to the society which nurtured and trained them.

He said the essence of leadership is to impact positively on the populace, explaining that the JAMB fees and exercise books were "their token and modest way of giving back to the society, particularly our disadvantaged brethren at the grassroots across FCT."

The AISA national president stressed that "quality basic education is no-negotiable, because with sound basic education, tertiary training will be walk over. It's alarming whenever you visit public schools in the grassroots to see pupils without single exercise books while some times you see them with one exercise book for all the subjects."

THISDAY WEDNESDAY, 27TH APRIL, 2022 – UBEC to Address Low Transition of Girls to Secondary Schools:

The Universal Basic Education Commission has expressed concern over girls' non-completion of basic education across the country and has organised consultative meetings with girls, in partnership with UNICEF, to highlight their challenges of transiting to junior secondary schools.

Speaking at the two-day meeting with girls from South-West states in Lagos recently, the UBEC Executive Secretary, Dr. Hamid Bobboyi, said available data indicated that primary school enrolment rate for the girl-child starts high and drops significantly with less than 30 per cent of the enrollees transiting to the junior

secondary level.

He said over time, the government at federal and state levels, the private sector, public and private institutions and organisations have implemented various interventions geared towards addressing the girl-child challenge. However, he said gaps still exist in this direction prompting renewed concerns and programmes by UBEC to nip the dangerous trend in the bud. **Also in Nation, Thursday, 28th April, 2022, Leadership, Thursday, 28th April, 2022**

Executive Secretary, Tertiary Education Trust Fund, Arc. Sonny Echono, has chided politicians for failing to prioritise public education system, lamenting that politicians would rather send their children abroad for schooling at a very high cost.

According to him, politicians prefer investing on roads, markets and other infrastructure they can use to bolster their campaigns at next elections.

He said: "A good governor who invests in education understands that the fruits of those seeds he is planting may come forward between 12 and 16 years when his two terms would have expired.

He added, "We must invest so that every child in this country has at least an opportunity to learn how to read and write."

He called for more investment in basic education to enhance pursuit of purposive tertiary education tailored towards meeting the needs of the society. He said, if Nigeria could address its educational problems, unemployment, criminalities and other social vices would be tackled. **Also in Voice of Nigeria, Friday, 29th April, 2022**

2022 UTME: JAMB RESTATES BAN ON PROHIBITED ITEMS

- Warns Candidates and Examination Officials

As part of its preparations for the 2022 Unified Tertiary Matriculation Examination (UTME), the Joint Admissions and Matriculation Board (JAMB) has restated its ban on certain items which are barred from the venue of its examinations. These items, according to the Board, have been noted to have aided candidates in perpetrating examination malpractice. Therefore, the ban on these items is to

protect the sanctity of the Board's examination especially from the antics of some candidates and their collaborators. The Board also reiterates her avowed commitment to zero tolerance for examination malpractice adding that any candidate or official caught with any of these items would be duly sanctioned. Some of the prohibited items are mobile phones, watches, pens/biro, spy reading glasses except medicated which must be

verified, calculators or similar electronic devices, USB, CDs, hard disks and other similar storage devices, books or any reading/writing materials, cameras, recorders, microphones, ear pieces, ink/pen readers, smart lens, smart jewellery, smart buttons, bluetooth devices, key holders, ATM cards, erasers, handkerchiefs, face towels and money.

JAMB TO HOLD FOUR EXAMINATION SESSIONS IN SOME EXAMINATION TOWNS

In its desire to better serve its teeming population of candidates as well as conclude its examination within the stipulated time, the Joint Admissions and Matriculation Board (JAMB) has announced its decision to hold four sessions instead of its traditional three in four of its examination towns.

This decision was announced by the Registrar of the Board, Prof. Is-haq Oloyede, at the end of a consultative meeting with critical stakeholders held to finalise all arrangements for the conduct of the upcoming 2022 UTME. The affected centres are situated in the following examination towns: Abule Egba/Agege/Ikeja (Lagos); Mainland (Lagos) Funtua/ Malumfashi (Katsina) examination towns.

The Registrar disclosed that the Board was constrained to adopt this course of action because one of the centres was gutted by fire while the others failed as a result of technical incapacity on their part and in line with the Board's policy of not moving candidates outside their chosen examination towns, the Board had no option but to ensure that an additional session is created in centres within these examination towns. This, according to him, would enable the candidates who had picked these examination towns to take their respective examinations within the window allotted to the Board by the Federal Ministry of Education so as to afford other examination bodies the opportunity to conduct their examinations.

It is to be noted that candidates applying for the UTME, choose the examination town they wish to sit their examination on the basis of which the Board would assign them to centres within the chosen examination towns.

Consequently, candidates who are to sit the UTME in the affected centres are to ensure that they are at their allocated centres at the time specified in their e-slips.

Meanwhile, the Board is continuing its consultations with critical stakeholders including Technical Officers, Chief Technical Advisors, Resident Monitors, BVR Operators, Supervisors and its eight select monitoring groups, in order to deliver a hitch-free 2022 UTME.

location of their examination centres, date of their scheduled sessions and time of the examination beforehand especially with the adjustment in examination schedules this year. This would guide them in making necessary arrangements ahead of the exercise as the Board frowns at lateness to its examination, as no excuses would be entertained from any candidates as a stitch in time, saves nine." He stated further that "Candidates need not visit any CBT centres for the printing of the notification slip as it can be done at any available internet point, be it private or public. To print the slip, candidates are to visit <https://www.jamb.gov.ng> then click on 2022 UTME slip printing then

insert registration number to print."

The slip contains the candidates' important details like registration number, the centre to which they are to sit the examination within their chosen examination town and the expected time to be at the centre.

In a related development, the Board has reiterated that all candidates would be checked into the examination hall using the Biometric Verification Machine (BVM) which is also a register of attendance in line with the Board's policy of "No biometric verification, no examination." Candidates are also to note that no examination would be rescheduled for whatever reason.

Therefore, all candidates are advised to prepare ahead and stay close to their examination venues, if possible, they should pay a prior visit to their centres before the date of the examination.

Candidates are also reminded that the ban on prohibited items is still in force. Therefore, candidates should be careful not to run foul of the law as necessary sanctions would be meted out to violators of its code of conduct.

The list of the banned items within the examination hall include but not limited to: flash drives, smart watches, calculators, recorders, mobile phones, spy reading glasses, jewellery, among others.

AISA PROCURES UTME FORMS FOR 62 CANDIDATES, DISTRIBUTES EXERCISE BOOKS

Pupils display exercise books donated by AISA

The Abuja Indigenous Students Association (AISA) has paid a total sum of three hundred and ten thousand naira (₦310, 000) only as registration fees for sixty-two (62) members of its Association participating in the 2022 Unified Tertiary Matriculation Examination (UTME) across the Federal Capital Territory (FCT).

In addition, the Association has also distributed a number of exercise books to selected primary schools

across the FCT with a view to enhancing the teaching and learning process as well as supporting indigent parents who wish to educate their wards.

The National President of the Association, Comrade AbdulAziz Abdullahi, while addressing the recipients of the scholarship at the Kwali Town Hall in Kwali Area Council, Abuja, on Saturday, 23rd April, 2022, said the exercise was conducted in line with the Association's philosophy of giving back to the society that nurtured them.

The President stressed further that, "Quality basic education is non-negotiable, because with sound basic

education, tertiary training becomes a walkover. It is alarming to see pupils without a single exercise book at schools or sometimes see them with one exercise book for all subjects."

AISA implored JAMB to collaborate with the Association with a view to strengthening the scholarship scheme and expand the scope of the scheme to accommodate more beneficiaries.

He said, "We want JAMB to partner with us by extending its educational support initiative under its Corporate Social Responsibility programme to other Area Councils in the FCT through our scholarship scheme."

The Registrar, Pro. Is-haq Oloyede, who was represented by Mr. Abdulrahman Akpata, said the Board was impressed with the students' gestures while assuring them of the Board continued support.

FEW FACTS ABOUT JAMB

- The Joint Admissions and Matriculation Board (JAMB) was established for the general control of the conduct of matriculation examinations for admissions into all universities, polytechnics, monotechnics, colleges of education and (recently added) Innovation Enterprise Institutes (IEIs).
- Section 5 (2)of the ACT establishing the Board provided as stated: For the avoidance of doubt, the Board shall be responsible for determining matriculation requirements and conducting examinations leading to undergraduate admissions and also for admissions to National Diploma and the Nigerian Certificate in Education courses, but shall not be responsible for examinations or any other selective process for postgraduate courses and any other courses offered by the tertiary institutions. In the implementation of this section, there is always a synergy with the National Universities Commission(NUC), the National Board for Technical Education(NBTE) and the National Commission for Colleges of Education(NCCE) with the endorsement of the National Council on Education(NCE).
- In exercising this power, the Board is always guided by admission guidelines approved by the Policy Meeting under the Chairmanship of the Hon. Minister of Education with all Heads of Tertiary Institutions and other stakeholders in attendance.
- Since the inception of the Interim Joint Matriculation Board Examination (IJMBE), JAMB appoints moderators for all its questions as well as the grading of candidates scores. It has always done this without failing to still accommodate 'HSC' within the current 6-3-3-4 system. The National Council on Education(NCE) guidelines for the Joint Universities Preliminary Examinations Board (JUPEB) also endorsed the practice for JUPEB.
- The Joint Admissions and Matriculation Board shall continue to operate within its laws.

ADVISORY ON EXTENDING THE SCOPE OF SERVICE FOR CBT CENTRES

Following persistent requests from CBT centres, the Board has approved that some services hitherto, restricted to JAMB Offices, be extended to other approved CBT centres.

2. These services being extended to the CBT centres are registrations for:
 - (i) **Part-time**
 - (ii) **NOUN**
 - (iii) **Sandwich**
 - (iv) **Distance Learning**
3. The following steps are to be followed by each centre while attending to these category of candidates:
 - a. First create a Profile for the candidate (note that profile creation is free);
 - b. Login to the Candidate's Profile on e-Facility;
 - c. Expand the "Other Registrations" Tab and select the appropriate registration for the candidate;
 - d. Follow the prompts to make the payment of N3,500 application fees online using the candidate's ATM card (do not collect any candidate's card details, let the candidate be the one to enter his/her card details);
 - e. After payment, the centre will proceed to register the candidate on the Registration App platform and print out the Registration Slip.
 - f. For DE candidates of 2017 onwards, after registration, only the Registration Slip is to be given to them as the candidate's registration information goes straight to CAPS;
 - g. For candidates of year 2016 and before, after registration, the centre is expected to give them both the Registration Slip and an Indemnity Form;
 - h. The service charge for this type of registration is N700 only and payable directly to the centre.
4. Do not write down or copy any vital data of the candidates such as card details, profile code, password etc.
5. Recall that like the UTME/DE, the template is to be uploaded while candidates are to go away with the original (hard copy) template.
6. CBT centres shall abide by the rules as severe sanctions would be meted out to infractors.

ADVISORY TO INSTITUTIONS ON HOW TO HANDLE THE CONDONEMENT OF UNDISCLOSED ILLEGAL INSTITUTIONAL ADMISSIONS (CUIIA) (ADMISSIONS CONDUCTED OUTSIDE CAPS 2017-2020)

The Board introduced the **Central Admissions Processing System (CAPS)** in 2017 as the transparent platform for all admissions. Regrettably, some of the institutions continued to admit some, indeed large number of candidates (undisclosed to JAMB), thereby jeopardizing the interest of such candidates admitted through under-the-table deals.

Recent events made the candidates protest the disadvantages of such non-disclosure and lack of formal recognition of their degrees. Such Institutions are now being compelled by necessity to confess their past deeds of undisclosed admission.

This Advisory is to guide the affected institutions on how the candidates can be rescued:

- i. The institutions should first and foremost declare the number of candidates admitted outside CAPS by sending a formal letter of confession and disclosure (LCD) to the Registrar of JAMB.
- ii. The letter of confession and disclosure should have the list of candidates attached. A copy of the letter and the list of candidates should be sent to JAMB state office where the institution is located. The list and total number of affected candidates for each year of admission should be clearly specified with the Programme (i.e Course of Study).
- iii. If the Board upon receiving the letter (and after due scrutiny and investigations) grants approval, the institution shall be contacted within 2 weeks of acknowledged receipt of the LCD.
- iv. The portal is then opened for the Institution to upload the list of candidates already submitted.
- v. The letter of approval from JAMB to the institution and the uploaded list shall contain the following:
 - the academic year for which the retroactive approval is granted;
 - total number of candidates, and
 - the period of grace (**not exceeding 60 days**) within which the affected candidates must complete the process of **Condonement of Undisclosed Illegal Institutional Admission (CUIIA)**. Only the candidates declared by the institutions are to visit JAMB office and complete the appropriate form online after paying the prescribed fee (i.e) the application fee of N4,000 only is paid by those without JAMB Registration number for the year and N5,000 penalty paid by every candidate involved.
- vi. The records of the candidates shall then be made available on CAPS after they have completed the online process.
- vii. The Admission Officer of the Institution shall retroactively propose formally the candidates to the Head of Institution who in turn shall recommend the candidates within the specified time.
- viii. The JAMB Desk officer too, shall retroactively approve the candidates on CAPS within the original list submitted by the institution. After approval, the previously illegal students will be able to print their JAMB admission letters from e-facility on JAMB Portal.
- ix. It should be noted that the admission letter would henceforth carry the date of the retroactive approval and not backdated to protect the Board's integrity of the data it might have provided before the condonement. The admission letter would also be named "**Retroactive Letter of Admission**" to reflect the correct history of the admission.
- x. Please **NOTE** that only candidates on the list declared by the institutions shall be attended to at the JAMB office. The Board shall not extend the period of grace granted to each institution. Any candidate that does not complete the process within the allotted (maximum two months) grace - period loses the remedial opportunity.
