INCLUSION OF QUESTIONS FROM "SWEET SIXTEEN" IN THE MOCK EXERCISE DELIBERATE

The Board is aware of the anxiety on whether the featuring of questions from the text, "Sweet Sixteen" and some other prescribed texts in Arabic, Hausa, Igbo and Literature-in-English in the 2024 Mock-UTME is indicative of its

replacement of the chosen reading text "The Life Changer" and other prescribed texts. The Board hereby states categorically that the mix-up was not a mistake but an attempt to up our game

Consequently, candidates are expected to study "The Life Changer", which is part of the syllabus and was issued to all candidates, who registered for the 2024 UTME. They are also to do likewise for all other subjects as highlighted in the syllabus.

It should be noted that the essence of the mock exercise is for the candidates to familiarise

themselves with the CBT environment as well as enable the Board to ascertain its level of preparedness for the upcoming main UTME billed to commence on Friday, 19th April, 2024.

For emphasis, "The Life Changer" remains the approved reading text for the 2024 UTME Use of English which is compulsory for all candidates irrespective of their

intended fields of study. It is worthy of note that the Board had issued the reading text through a QR code placed in each candidate's profile, email address, among others, to reduce financial burden on candidates occasioned by the high cost of printing materials. Candidates are, therefore, to study the books listed above in preparation for the 2024 UTME.

geopolitical zones and hosted at the Board's virtual studio National Headquarters, Abuja.

In his remarks, the Registrar, Prof. Is-haq Oloyede, underscored the importance of proctors in ensuring the integrity and success of the examination on account of their direct contact with the candidates in the examination halls. He, therefore, stressed the need for the participants to uphold high standards of integrity and professionalism while performing their duties while seeing the assignment as their contribution to national development.

The Registrar also reminded them that they had been selected based on the recommendations of their

respective institutions stating that any lapse on their part would not only affect the examination but also reflect poorly on their institutions.

"The role of proctors in any given examination should be seen as a very crucial one as they have direct contact with the candidates in the examination halls. I urge you to take this examination as a call to national service and urge you to put in your best for the benefit of our education system," he said.

The Registrar further described the training as an opportunity to familiarise the proctors with their duties and responsibilities during the Mock-UTME and the upcoming main UTME. He pointed out that the success of the examination

depended on their commitment to delivering quality service.

In his remarks, the Chairman of Chief External Examiners (CEEs), Prof. Vincent A. Tenebe, stated that the training had exposed the participants to innovations put in place by the Board to ensure the success of the 2024 UTME.

"We assure the Board of our commitment to quality service delivery to ensure the overall success of the exercise."

SUCCESS OF 2024 UTME MOCK EXAMINATION SIGNALS PROGRESS IN JAMB REPOSITIONING EFFORTS

The successful conduct of the 2024 Unified Tertiary Matriculation Examination (UTME) mock examination has shown that the ongoing re-engineering process embarked upon by the management of the Board is yielding fruits.

The Registrar, Joint Admissions and Matriculation Board (JAMB), Prof. Is-haq Oloyede, made this declaration while addressing the media in Abuja during his tour of examination centres where candidates are sitting the Mock-UTME, which was held across the country on Thursday,

7th March, 2024.

According to the Registrar, the exercise further afforded the Board the opportunity to implement some groundbreaking changes in its examination architecture, which to a large extent, would reshape the conduct of public examinations not only in Nigeria but Africa as a whole for a long time to come.

It would be recalled that the Board had, during its 2023 post-examination review exercise, assured the public that it was set to unveil some landmark changes in the examination landscape given the

quantum of interesting discoveries and innovative strategies emanating from the exercise to combat emerging and existing threats.

He asserted that the Board would not rest on its laurels but would rather continue to innovate to make its processes a model for all.

With the Mock-UTME successfully conducted, the focus of the Board is on the 2024 main UTME, which will commence on Friday, 19th April, 2024, with a total of 1,985,642 candidates scheduled to take the examination nationwide.

TAKE CARE OF YOUR BODY

...As Culled from Charles Awuzie's Page

Mr. Ibu died of blood clots in his leg. This is the disease that almost killed me. I still have a clot in my left leg. 200,000 Nigerians die of blood clot annually. Please, know the symptoms. I almost died if not for medical intervention. This was three years ago; I lived with undiagnosed DVT for several months. Then it dislodged and travelled to my lungs, causing Pulmonary Embolism...I almost died; breathing was like stabbing myself with every draw of air...

Already, walking was almost impossible. At one point, I couldn't get out of bed because of the pain. Doctors couldn't find what was wrong. Blood tests and X-ray couldn't find anything. This is where many Africans become superstitious and conclude that they are being 'pursued by village people'. I was undiagnosed until the day I almost stopped breathing. I remember walking into my GP's room that morning. Immediately he saw me, he ordered a D-Dimer blood test. This is a test that checks for blood clotting problems by measuring the amount of the D-dimer level in your body. My result came out positive and he ordered an ambulance to take me straight to hospital. According to him, I could

drop dead any moment from then if I wasn't admitted in hospital. I told him I needed to see my family and kiss them goodbye before being taken to hospital.

I drove myself back to the house, packed my laptop and few clothes, said my goodbyes to the family and drove myself to the hospital. It was during COVID, so hospitals were filled with COVID patients and it took longer to get me admitted. Once fully admitted, they injected me with CLEXANE. My oxygen level was dropping. I was taken in for a CT scan and boom, it was confirmed that I had clots in my lungs. I was diagnosed of Bilateral Massive Pulmonary Embolism. The size of the blood that clotted in my lungs is what was described as massive. It was then that my physician told me I would have died in two days if I didn't make it to hospital. At that point, everything lost value. I knew I could die any moment. I called a few friends and prepared them for my potential exit. I contacted business partners and shared every necessary information they need for continuity. I blocked my mind from thinking about my son as the thought of him in this world without me was killing me faster than the massive clot in my lungs. But I had faith in medical science. I trusted the

process. I surrounded myself with friends in the medical field - from Dr. Idee in the UK, who first mentioned I should be checked for DVT/PE, Sister Joy in the US, Dr. Adetola also in the US, and others. On ground, I had the best specialists monitoring me closely.

After ten days of fighting for my life in the hospital, my physician discharged me and said I cheated death. According to him, blood clots kill faster yet few people are aware of it. I knew at that point that the universe wanted me to use my story to raise awareness about this killer but unpopular medical condition. If you sit long hours in flights or at work, you are at a risk of developing a blood clot. If you have high blood pressure, cancer or on cancer therapy, your risk of clotting is high. If you have a sibling or relative who suffered blood clot, please investigate the possibility of a genetic clotting disorder. And finally, if you're sick and multiple blood tests do not show what's wrong with you, do not conclude that the condition is spiritual. You just haven't been tested correctly. Some laboratory tests or radiological scans may also not be available in your city. A lot of Nigerians die because they mistook a medical condition for a spiritual problem.

My name is Charles Awuzie and I just wanted to raise awareness about blood clots especially after learning that Mr. Ibu died of clot-related complications.

CAREER IN FOCUS

BY OMOTOYOSI ADENLE, QA DEPARTMENT

HORTICULTURE

Career in Focus is a new column in the Board's weekly publication, JAMBulletin. This column would be featuring content on profitable but not popular courses in Nigerian tertiary institutions as a means of creating career awareness for prospective candidates most of whom go extra lengths to study conventional courses such as Law, Medicine, Engineering, Accounting, among others.

This month, the career in focus is Horticulture.

Horticulture is a branch of agriculture dedicated to cultivating plants utilised by people for food, medicinal purposes or aesthetic enjoyment. It encompasses various specialisations, including fruits, vegetables, ornamental, aromatic, plantation, and medicinal plants, all of which play a pivotal role in fostering agricultural prosperity and contributing to the nation's economy.

In Nigeria, there exist diverse career prospects for individuals in the field of agriculture. One of such avenues is that of a horticulturist, who can engage in a wide range of industries and settings, such as agriculture, landscape design, gardening, golf courses, horticultural research, and ornamental plant production. Beyond plant production, horticulturists may explore

opportunities in management, marketing, education, and research. Some individuals may even choose to be self-employed, establishing ventures in fruit or vegetable production, landscape design, nurseries, greenhouses, and gardens.

It is a five-year course under the Faculty of Agriculture in most Nigerian Universities.

UTME subjects include Chemistry, Biology/Agriculture and one of Mathematics, Economics, Physics and Geography. For special waivers from institutions, check the brochure @ www.ibass.jamb.gov.ng

The O'level requirements include a

credit pass in English Language, Mathematics, Chemistry, Biology or Agriculture.

A' LEVEL VERIFICATION: ASEFON, NANS NATIONAL LEADERSHIP VISIT JAMB

The Registrar, Prof. Is-haq Oloyede, on Friday, 8th March, 2024, played host to the leadership of the National Association of Nigerian Students (NANS).

The students body, which was accompanied by the Senior Special Assistant to the President on Students Engagement, Mr. Sunday Asefon, disclosed that the visit became imperative to seek clarifications on the perceived delays in processing the 2023 Direct Entry (DE) applications by the Board.

It would be recalled that some 2023 DE applicants had claimed that the Board was responsible for the delay they experienced in getting admissions to their institutions of choice. Consequently, many of the

affected applicants had reached out to the office of the President of the Federation, President Bola Ahmed Tinubu, as well as NANS, to prevail on the Board to speedily resolve all pending issues related to their inability to secure admission.

Receiving the delegation in his office at the National Headquarters in Bwari, Prof. Oloyede urged NANS to always get its facts before acting on any matter. He added that had NANS reached out to him, it would have been part of the solutions to resolving all outstanding issues.

Taking the delegation down memory lane, the Registrar recalled that a committee was set up by the former Minister of Education, Malam Adamu Adamu, to look into the various reports of misconduct in the A'level certificates value chain. He

further disclosed that it was on account of the high level of infractions that the committee had advised the Federal Ministry Education to immediately put mechanisms in place to verify all certificates presented for Direct Entry admission.

In his response, the NANS National President, Comrade Lucky Emonefe, sincerely apologised for his earlier statements on the matter, stating that he was misinformed. He, therefore, admonished the Board to always carry NANS along in matters of such nature so that the students body would be well-informed to properly guide their members.

Other members of the delegation included the NANS National Senate President, Akinteye Babatunde Afeez, Director of Programmes, Prince Oyoyo, among others.

ATTENTION!!!

 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).

 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.

 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.

 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.

 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
