Respected Sir

LETTER OF APOLOGY AND UNDERTAKING

I am writing this letter to sincerely apologize to you for trying to get another JAMB customised sim card. I understand that what I did was completely wrong and unprofessional. This is the least that JAMB expects from me. Having pleaded guilty in court of law and faced the law, I am truly sorry.

This experience has taught me so much lessons. I realize now that I should have start registration instead of looking for a way to collect another sim card. I assure you that moving forward, I will strive to take more considerate actions and decisions to prevent similar situations from happening again. I will work hard to regain your trust and the trust of JAMB.

Though it is impossible to change what happened now I have decided to be a very good ambassador and new person to my country Nigeria and JAMB so as to rectify my mistakes. Having that said, I can assure you that it will not ever happen again.

Once again I sincerely apologize to you and I hope that you will accept my apologies and will provide me a chance to fix my mistakes.

Yours Sincerely,

Eze Chionso

JAMB HEALTH INTERVENTIONS EXCITE NATIONAL HOSPITAL

The Joint Admissions and Matriculation Board (JAMB) has been commended for the various healthcare delivery interventions rendered to the National Hospital, Abuja, and other health facilities across the six geopolitical zones of the country through its landmark Project C.U.R.E initiative, donations of medical consumables and other critical interventions.

The Chief Medical Director, NHA,

Prof. Muhammed Raji Mahmud, CMD, NHA

Prof. Muhammed Raji Mahmud, gave this commendation when he paid a courtesy visit to the Registrar, Prof. Is-haq Oloyede, on Tuesday, 13th February, 2024.

In his remarks, the CMD enjoined other agencies of government and public-spirited Nigerians to emulate the JAMB CSR model with a view to complementing healthcare delivery programmes of government.

According to Prof. Mahmud, the mission of the management of the NHA to the Board was to express its appreciation for its financial intervention to the NHA Christian and Muslim Chapels through which succour is provided to indigent patients in dire need of financial assistance to meet their cost of operations or procurement of drugs, among others.

He pointed out that the hospital was in JAMB to institutionalise the existing intervention with a view to enhancing proper monitoring, accountability and probity even as he vouched that the funds advanced to the two chapels had

been used judiciously since the inception of the programme. He also solicit more assistance to the hospital in terms of the provision of facilities, equipment and infrastructure.

In his remarks, the Registrar stressed the need for institutional harmony and synergy as a recipe for accelerated national development. He noted that while the primary mandate of JAMB is to place suitably-qualified candidates into tertiary institutions inconjunction with the Institutions, it also believes in fostering national development through thoughtful and impactful programmes.

On the need for disbursement of intervention funds to religious organisations through the ambit of their parent body, the Registrar submitted that this was the right way to go for proper utilization. This, he added, was owing to the fact that good intentions are not enough in Nigeria as people, who are not well-informed might misconstrue the efforts of the Board. He, therefore, welcomed the measure as one that would no doubt enhance accountability and supervision. He stated that going forward, the Board would rely on the recommendations of the parent body for future releases.

CAREER IN FOCUS

BY OMOTOYOSI ADENLE, QA DEPARTMENT

HORTICULTURE

Career in Focus is a new column in the Board's weekly publication, JAMBulletin. This column would be featuring content on profitable but not popular courses in Nigerian tertiary institutions as a means of creating career awareness for prospective candidates most of whom go extra lengths to study conventional courses such as Law, Medicine, Engineering, Accounting, among others.

This month, the career in focus is Horticulture.

Horticulture is a branch of agriculture dedicated to cultivating plants utilised by people for food, medicinal purposes or aesthetic enjoyment. It encompasses various specialisations, including fruits, vegetables, ornamental, aromatic, plantation, and medicinal plants, all of which play a pivotal role in fostering agricultural prosperity and contributing to the nation's economy.

In Nigeria, there exist diverse career prospects for individuals in the field of agriculture. One of such avenues is that of a horticulturist, who can engage in a wide range of industries and settings, such as agriculture, landscape design, gardening, golf courses, horticultural research, and ornamental plant production.

Beyond plant production, horticulturists may explore opportunities in management, marketing, education, and research. Some individuals may even choose to be self-employed, establishing ventures in fruit or vegetable production, landscape design, nurseries, greenhouses, and gardens.

It is a five-year course under the Faculty of Agriculture in most Nigerian Universities.

UTME subjects include Chemistry, Biology/Agriculture and one of Mathematics, Economics, Physics and Geography. For special waivers from institutions, check the brochure @ www.ibass.jamb.gov.ng

The O'level requirements include a credit pass in English Language, Mathematics, Chemistry, Biology or Agriculture.

Institutions offering Horticulture cut across Universities, Polytechnics and Colleges of Agriculture, among which are: Federal University, Minna; Nnamdi Azikiwe University, Awka and Federal University of Agriculture, Abeokuta.

The Horticultural Society of Nigeria (HORTSON), which was established in 1977 is a registered society in Nigeria and was one of the most respected and influential professional societies for horticulturists.

OFFICE OF THE REGISTRAR

URGENT CALL TO INSTITUTIONS YET TO VERIFY THEIR DIRECT ENTRY QUALIFICATIONS REQUEST BY JAMB

Institutions are aware of the series of measures being put in place by the Board to address the discovered and unenvisaged sharp practices by candidates, who intended to use unacceptable or forged A' level certificates/qualifications to gain admission. One of these was the forwarding of the submitted qualifications to the awarding bodies/institutions for verification.

- It is to be noted that institutions that issued the various A' level qualifications/certificates to be used for Direct Entry admission had been requested, through the Central Admissions Processing System (CAPS) on 15th November, 2023; 19th December, 2023; 18th January, 2024, and follow-up phone calls, to verify the authenticity of these certificates presented by candidates to the Board for Admission.
- Based on the above developments, I am to inform all institutions that are yet to verify the certificates claimed by candidates as emanating from them that as the 2023 admissions are being rounded off and the expected commencement of the 2024 application process, which is slated for 28th February, 2024, all institutions that have not responded have been given till Monday, 26th February, 2024, to do so. Failure to comply comes with the implication that:
 - candidates from such institutions will not be considered for admission as such, affected institutions have, therefore, denied their products the 2023 admissions they deserve.
 - their qualifications/certificates will not be accommodated in the 2024 Direct Entry registration exercise due to commence by 28th February, 2024.
- In view of the above, the Board expects institutions to confirm such certificates issued by them. However, if they were not issued by them, then it is expected that they declare them as fake. The statistics of the non-responsive institutions are as follows

OSINLU BIDS FAREWELL

It was with a heavy heart that the Management and Staff of the Board received the news of the passing of Opeyemi Osinlu of the Kogi State Office.

Osinlu, whose unfortunate demise occurred in the early hours of Saturday, 10th February, 2024, died in an auto accident in Lokoja, the state capital.

As a loyal and hardworking staff of the Information Technology Services Unit of the State Office, he was loved by all on account of his amiable nature.

On behalf of the Registrar, Prof. Is-haq Oloyede, and his Management team, JAMBulletin prays that the Almighty God would comfort his family and grant the staff of the Board, the fortitude to bear the loss.

ATTENTION!!!

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

- 🌿 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).
- 🌿 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advertise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
- 🌿 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.
- 🌿 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

- 🌿 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.
- 🌿 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
