...NRCD: JAMB Registrar Pledges Equal Opportunity for Persons With Disabilities

The Registrar made this pledge when the National Resource Centre for the Disabled (NRCD), Federal College of Education (Special), Oyo, paid him a courtesy visit in his office on Tuesday, 14th February, 2023.

The Registrar, in his remarks, thanked the delegation for the visit. He, however, stated that, ordinarily, he would not have given audience to the visitors as the Board does not attend to an arm of institutions but had to bend over backwards to accommodate the delegation on account of the calibre of people managing the Centre.

He congratulated the Director of the Centre on his appointment and assured him of equal opportunity for all groups that yearn for higher education.

He advised that to facilitate synergy and proper planning, it would be

better if persons with disabilities are categorised their peculiarities and national outlook rather than the various individual centres being established by institutions, which he said might not yield the results or elicit the kind of attention required.

He urged the Director, NRCD, to ensure that their requests are presented through their Provost for onward delivery to the Board.

Further in his remarks, Prof. Oloyede briefed the delegation on the various proactive measures taken by the Board to cater for candidates with disabilities through the creation of the JAMB Equal Opportunity Group (JEOG), of which the Director was a member stating that the request would be referred to it for appropriate recommendations.

Earlier, the Director of NRCD, Mr. Dagbo Suleiman Saka, commended

the Registrar on his various achievements since his assumption of office, particularly with respect to initiatives in special education.

While informing the Registrar of the mandates of the centre, he pointed out that the FCE, Oyo, was the only College of Special Education in the whole of sub-Sahara Africa and which incidentally also has the largest concentration of students with disabilities in Africa.

He said the College currently houses 459 Deaf students, 73 Blind students and 83 students with other disabilities. He, thereafter, sought the Board's intervention in terms of enabling the Centre to function in line with global best practice on issues concerning persons with disabilities.

JAMB IS COMMITTED TO SUSTAINABLE INSTITUTIONAL DEVELOPMENT - ADELEKE

The Ag. Director of Ibadan Zonal Office of the Joint Admissions and Matriculation Board (JAMB), Mrs. Olajumoke Adeleke, has restated the commitment of the Board to sustainable institutional development.

The Zonal Director gave these remarks while speaking with JAMB Bulletin in Ibadan over the weekend.

In her remarks, Mrs Adeleke recalled an incident which ensued in her office when a candidate visited to make an enquiry about the 2023 Unified Tertiary Matriculation Examination (UTME).

According to her, "the candidate had visited the Zonal Office to enquire whether she could register for the 2023 UTME because she had previously sat the UTME some years back and someone informed her that the Board would automatically disqualify her from registering and sitting the 2023 UTME."

"Further interrogation revealed that the candidate had been

misinformed by a fraudster who wanted her to register for a Part-Time programme in order to extort her, saying that the Board automatically disqualifies candidates, who have sat the UTME a number of times from registering for the 2023 UTME."

This, according to her, is one of the various ploys of criminal elements designed to extort candidates. She, therefore, advised candidates to seek proper guidance from JAMB on any issues bothering them rather than falling into the traps of scammers.

"The current Management of the Board under the leadership of Prof. Is-haq Oloyede doesn't condone corruption in whatever guise. The Board is committed to building sustainable institutional development devoid of any sharp practices," she added.

Furthermore, she disclosed that the Board had, within the same period, achieved laudable feats through the automation of its services, thereby precluding human manipulations.

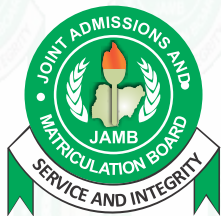

She cited such examples as the integration of all modes of admissions to tertiary institutions in Nigeria- full-time, part-time, sandwich, distance learning, among others, which had been fully captured in the Board's Central Admissions Processing System (CAPS).

Besides CAPS, there is also the multifaceted Integrated Brochure and Syllabus System (IBASS), where the integration of curriculum, accreditation and communications on admissions and general administration matters are daily being seamlessly implemented between the Board and its stakeholders.

This, she noted, underscored the entire paperless communication regime instituted by the Board and is a veritable testament of its prioritisation of institutional reforms for national development.

"The Matriculation List is also there to validate the legitimacy of admissions while making it possible

Candidates Jostle For Admission At UNILORIN: About 25,000 admission seekers, recently, began the year 2023 post-Unified Tertiary Matriculation Examination (UTME) test of the University of Ilorin.

Deputy Vice Chancellor (Academic), Prof. Abayomi Omotesho, who disclosed this in a chat with reporters, said adequate arrangements have been put in place to ensure the test was hitch-free.

He clarified that while the test would be completed by Thursday 16 February, Friday 17 February, 2023 would be set aside to accommodate any candidate that did not sit the test the previous day.

Omotesho said the test would be conducted only within the university campus, pleading with parents to ensure their wards comply with all instructions, while charging candidates to maintain decorum, assuring that the university has capacity to handle the mammoth population.

He warned the candidates to beware of scammers and urged them to use only official platforms of the institution for information and communication.

The Deputy Vice Chancellor also advised the candidates to attend the test punctually, adding: "They should dress decently as the university places great emphasis on decent dressing on its campus."

VANGUARD NEWSPAPER THURSDAY FEBRUARY 16TH, 2023 - JAMB

Extends 2023 UTME Registration For 1 Week: The Joint Admissions and Matriculation Board, JAMB, has extended its 2023 Unified Tertiary Matriculation Examination, UTME, registration exercise by one week.

The extension begins on Wednesday, 15 February 2023, according to the nation's tertiary institutions' admissions body.

The development came contrary to its earlier position that it would not extend the deadline for the registration

A statement made to this effect by its Head, Public Affairs and Protocol, Fabian Benjamin, JAMB explained that "By this extension, the sale of e-PINs would end on Monday, 20th February 2023, while the UTME registration ends on Wednesday, 22nd February 2023."

The statement read in part: "Recall that in line with the Board's 2023 Schedule of activities, as earlier released, the closing date for the sale of both the e-PINs and the 2023 UTME application documents was slated for Tuesday, 14th February 2023.

"At the close of the sale of e-PINs on Tuesday, 14th February 2023, 1,527,068 candidates had successfully registered for the 2023 UTME exercise inclusive of the

168,748, who indicated their interest to take the Mock-UTME.

"It should also be noted that the Board, based on its projections, had expanded its capacity to register up to a hundred thousand candidates per day. With this, it was possible to register all desiring candidates within the space of a few days. However, less than fifty thousand candidates were turning up for registration which is less than the installed registration capacity. Surprisingly, in the last two days before the closing date, the pace picked up remarkably with over a hundred thousand candidates registering on a daily basis.

"Furthermore, the Board, as a responsive and proactive agency, took cognisance of the reports from across the country indicating some difficulties being faced by many Nigerians in using their electronic channels to purchase the e-PINs or obtain cash readily within the stipulated period.

"It has, as a consequence, granted this extension to ensure that all candidates who desire to register for the 2023 UTME are given the

opportunity to do so especially when the extant challenges are not of their own making." **Also available in THISDAY NEWSPAPER THURSDAY FEBRUARY 16TH, 2023, GUARDIAN NEWSPAPER THURSDAY FEBRUARY 16TH, 2023, LEADERSHIP NEWSPAPER THURSDAY FEBRUARY 16TH, 2023, INDEPENDENT NEWSPAPER FEBRUARY THURSDAY 16TH, 2023 AND PUNCH NEWSPAPER THURSDAY FEBRUARY 16TH, 2023.**

■ EXAMINOTRICKS ■

TRIBUNE NEWSPAPER FRIDAY FEBRUARY 17TH, 2023 - Examination Malpractices: NECO Books 11,419 Candidates During The 2022 SSCE Registrar of NECO, Professor Dantani Ibrahim Wushishi, who announced the release of the results on Thursday in Minna, vowed that the Council would henceforth begin prosecution of candidates involved in examination malpractices.

The Registrar said, 11,419 candidates were booked for various forms of malpractices, as against 4,454 in 2021, which shows a sharp rise in the number of malpractice cases.

According to him, this is largely due to the improvement in the strategy and technique adopted by the monitoring officers.

"This led to the blacklisting of four (4) supervisors, one (1) each from Rivers and Plateau States and two (2) from Ogun State for aiding and abetting as well as poor supervision," he said.

He noted that the nature of the examination malpractice is collusion as it was discovered from their scripts during marking that some of them copied from one another with the same words, full stop, and comma, everything word for word.

He noted that apart from cancellation and withholding of results, the Council had resolved to start taking legal actions against the offenders, saying even though there are no special tribunals to try the examination malpractice cases but once NECO has all the facts and advice from the legal counsels, the Council would proceed to take up the case in a conventional court. **Also available in PUNCH NEWSPAPER FRIDAY FEBRUARY 17TH, 2023.**

...Oloyede Decorated as Life Member, Hall of Fame of NANS

theme: "Sustaining the Gains of the Charter of Demand/Constitution" had NANS Zonal Coordinators, JCC Chairmen and other Stakeholders in attendance.

In his welcome address, the NANS Senate President, Comr. Attah Felix Nnalue, said the event was basically to reposition the student movement, honour some Nigerians, who have distinguished themselves in their fields of endeavours, by presenting awards to them and also inducting them into the NANS Hall of Fame as life members. He said by this decoration such members of the public have become part of NANS for life and anything that touches them touches the body of NANS. According to him, the recipients were honoured with the award on account of their stewardship and their consistent demonstration of those qualities expected of public and private figures.

In his presentation titled: "Sustaining the Gains of the Charter of Demand/Constitution", Comr. Jacob Okpanachi, former Zone 'C' Coordinator of NANS, stated that the wellbeing of Nigeria rests on the shoulders of Nigerian students as they are the hope of a new Nigeria. He said the current geopolitical arrangement of the country was co-opted from the NANS Constitution which was designed to foster national cohesion and inclusiveness. He called on the present leadership of NANS to always create fora where

there will be opportunity for interaction and integration to avoid what he referred to as "inbreeding".

He called for a change of strategy in line with the NANS three Cs of "Consultation, Consolidation before Confrontation" saying a platform must always be provided for the Leader and the Led to interact noting that the idea of constant confrontation with the government is outdated in a democratic setting.

He urged the NANS leadership to imbibe the art of dialogue, advising that the body should never be involved in any bid to extricate any student expelled on non-political issues like examination malpractice, among others. He stated that whoever aspires to be part of the student body must be above board and enjoined the student union leaders to acquire knowledge even beyond their disciplines.

A former NANS leader, Comr. Kennedy Tabuko, in his goodwill message, charged the body to maintain the tempo of educating its members on prevailing national issues while speaking out on current national challenges.

The Registrar of JAMB, Prof. Is-haq Oloyede, in his acceptance speech, thanked the leadership of NANS for the honour accorded him and charged the NANS leadership to note that education remains the pillar of national and individual development. The Registrar who was represented by the Director of Legal of the Board, Dr Abdul Wahab Oyedokun advised the body against allowing themselves to be used by politicians and other interests saying they should remain neutral so as to be able to speak with one voice.

He called for a paradigm shift in the modus operandi of the body and other movements in tertiary institutions in Nigeria to forestall the negative occurrences of previous years. In addition, he said factors like federalism should be considered in their agitation for better service as productivity varies and strength of institutions differs, as such, it will be a fallacy to expect a uniform applicability of even reward.

Also honoured at the event were: the Director-General of PENCOR, Aisha Dahir-Umar; the CEO of Maicat Nigeria Ltd., Engr. Ishaku Maigida; and the CEO of Caleb Danladi Foundation, Mr. Caleb Danladi.

"If not that time will not permit us, I would have continued to mention the various innovations that the Board had put in place to

"I hereby call on parents, candidates and other stakeholders not to hesitate to visit any JAMB office close to them or raise tickets on any issue of concern at

Mr. Hausawa gave the charge while speaking with JAMB Bulletin at the sidelines of the 8th Combined Matriculation Ceremony for fresh intakes of the institution for the 2021/2022 and 2022/2023 Academic Sessions held on 9th February, 2023.

While congratulating the new students, he said, "I would like to urge the new students to shun all social vices and face their studies, which is their primary assignment

here as well as follow all the rules and regulations of the institution."

"I must remind them of the pains they went through to secure the admission and should, therefore, not forfeit their good fortunes through engaging in unprofitable ventures."

Earlier, the Vice Chancellor of the University, Prof. Lawan Taura, congratulated the fresh students on their diligence at their studies at the lower levels, which, he said was responsible for getting them admitted by the University and urged them to stay focused till graduation.

Admonishing the new students further, Prof. Taura cautioned them to shun cultism, examination misconduct, drug abuse and other vices capable of ruining their future

stressing that any erring students would be sanctioned accordingly. He encouraged them to seek counselling from the Guidance and Counseling Office of the University whenever they encountered any challenges.

While juxtaposing the statistics of the two sessions, the Vice Chancellor stated that the University admitted 1,585 candidates for the 2021/2022 Session while 1,670 candidates were admitted for that of 2022/2023. He noted that the increase in the enrolment figure was attributable to the efficient service delivery being rendered by the institution by parents across the country, and consequently sent their wards to the institution for sound academics and character development.

In the implementation of this section, there is always a synergy with the National Universities Commission(NUC), the National Board for Technical Education(NBTE) and the National Commission for Colleges of Education(NCCE) with the endorsement of the National Council on Education(NCE).
- ✿ In exercising this power, the Board is always guided by admission guidelines approved by the Policy Meeting under the Chairmanship of the Hon. Minister of Education with all Heads of Tertiary Institutions and other stakeholders in attendance.
- ✿ Since the inception of the Interim Joint Matriculation Board Examination (IJMBE), JAMB appoints moderators for all its questions as well as the grading of candidates scores. It has always done this without failing to still accommodate 'HSC' within the current 6-3-3-4 system. The National Council on Education(NCE) guidelines for the Joint Universities Preliminary Examinations Board (JUPEB) also endorsed the practice for JUPEB.
- ✿ The Joint Admissions and Matriculation Board shall continue to operate within its laws.

...JAMB Will Continue to Provide A Level Playing Field in its Admission Placement Policy - Oloyede

higher education in Nigeria have their dream fulfilled without undue favouritism from any quarter.

Prof. Oloyede, who was represented by the As g. Coordinator, Ekiti State, Mr. Ebenezer Owolafe, made this declaration at the recently-concluded 7th Convocation Ceremony of the Federal University, Oye-Ekiti. According to the

Registrar, JAMB would continue to provide a level playing field, not only during the conduct of its examinations but also at all levels of admission placement of candidates in all tertiary institutions in the country. He stressed that, all candidates would be treated equally irrespective of their status or their parents in the society.

While admonishing the graduands to continue to be good ambassadors of the institution, he counselled them to be employers of labour rather than seekers of white collar jobs, which might not be readily available.

OAUTH MATRICULATES 149 INTO SCHOOL OF HEALTH AND INFORMATION MANAGEMENT

The Head, School of Health and Information Management, Obafemi Awolowo University Teaching Hospital, Ile-Ife, Mr. S A Omokanye, has stated that out of 598 candidates, who made the institution their first choice, only 149 were selected for admission in the 2022

Unified Tertiary Matriculation Examination (UTME) conducted by JAMB. Mr. Omokanye made the disclosure during the institution's Matriculation Ceremony for the 2022 Academic Session, which took place at the school's premises on Friday, 10th February, 2023.

In his remarks, Mr. Omokanye called on the fresh students to count themselves lucky to have been selected for admission. He admonished them to make the best of their academic pursuits in the school while urging them to shun examination malpractice and other

social vices. He also charged them to take the oath-signing ceremony seriously as any breach of it would attract appropriate sanctions by the institution.

In his goodwill message, the Osun State JAMB Coordinator, Mr. Jacob Babatunde, conveyed the best wishes of the Board to the matriculants and enjoined them to shun cultism and other despicable acts that could jeopardise their academic success. He also counselled them to be of good behaviour and make the institution proud, pointing out that the epoch-making event was the beginning of greater things to come in their lives.

LET'S TALK HEALTH

SIGNS THAT YOUR LIVER IS GRADUALLY FAILING AND WHAT YOU SHOULD DO IMMEDIATELY

According to Medicalnewstoday, the liver is a powerful organ that perform important functions in the body including deamination of proteins, detoxification of harmful compounds, production of bile, and many more. Toxins, germs, and other harmful substances can infiltrate the liver cells, impair their functions, and cause them to fail. However, when the liver fails gradually, there are some signs it shows, and in this post, I want to briefly educate you on them, and also discuss what you should do immediately according to Healthline.

A skin condition characterized by the yellowing of the skin, caused by a substance called jaundice. If the liver isn't functioning normally, bile can leak into the bloodstream, causing a disease known as jaundice.

Rashes and chronic itching of the skin can develop when the liver is unable to remove toxins from the blood, which is a symptom of liver failure.

Third, if your urine is black in color, it could be a sign that your liver is failing or that you have a significant condition that affects your liver. Make an appointment with a doctor if you notice that your urine is always

dark in color, even after you've had plenty to drink.

A buildup of fluid in the lower extremities causes swelling in those areas.⁴ This is most noticeable in the legs and feet. This problem arises when the liver is unable to properly remove liquid substances or excess fluid from the body. Leg and foot swelling that doesn't respond to conservative treatment should prompt a visit to the doctor.

It's important that you immediately reach out to your healthcare provider or medical doctor when you notice the signs explained above, and get tested and treated

FOODS YOU SHOULD LIMIT OR AVOID AT OLD AGE TO STAY HEALTHY

According to Healthline, Our bodies' need for the fuel provided by the food we eat is fundamental to our own existence. You may discover, though, that your dietary preferences change as you get older. Possibly you have dietary restrictions due to allergies or a medical condition.

Maintaining a regular diet might be challenging as you go through life's changes, according to WebMD. A healthy, well-rounded diet is always a priority. The following foods are particularly harmful to your health as you age and should be avoided or consumed in much smaller quantities.

01. Grapefruit

Food intake while taking medicine may lessen its effectiveness. Because of this, it is important to get the okay from a medical professional or pharmacist before cutting anything out of your diet. The effectiveness of your prescription, for instance, may decrease if you drink grapefruit juice.

Do not skip grapefruit to avoid missing out on your daily intake of vitamin C and potassium. Citrus

fruits, such as oranges and limes, should be eaten instead to fulfill a sweet tooth.

02. Raw vegetables

Avoid raw foods if you have sensitive teeth, deteriorating teeth, or no teeth at all. You should eat enough to meet your nutritional needs.

Vegetables should be cooked all the way through but should still have a little of crunch to them. Instead of using fresh vegetables, you can use canned ones. Seek out products that don't add extra salt.

03. Beans

Beans are avoided by certain people due to the discomfort they produce in the digestive system. Maybe you shouldn't ban beans from your diet altogether.

You'll get plenty of iron, protein, and

fiber from them, plus very little fat. Due to their high dietary fiber content, beans are beneficial to eating habits. The trick is to gradually boost your bean intake until you reach your goal. Starting out with a small amount, a few times a week, is fine.

04. Toxic substances

Alcohol can raise blood pressure and make it harder to sleep when drunk in high quantities. Diabetes patients are more likely to experience hypoglycemia after consuming alcohol. Consequently, this reduces the effectiveness of pharmaceuticals.

05. Dairy

Over time, it may become more challenging to digest milk and other dairy products. It's possible that you

won't have to give up the protein and calcium found in dairy products. Moderate dairy consumption is likely safe for many people.

Some dairy products are better for humans to consume than others. Low-fat cheeses and sugar-free yogurt provide several health benefits. Dairy products that don't contain lactose are worth trying if this is the case.

06. Caffeine

Coffee and tea contain caffeine, which can make some people jittery and edgy. Since caffeine raises heart rate, it could be difficult to drift off to sleep after consuming it. To keep costs down, it's best to take it easy.

Pain in the head, stomach, and even the bowels are common withdrawal symptoms from caffeine. Replace your coffee or energy drink with

water, herbal tea, or a decaffeinated beverage.

07. Meats

Like other lean cuts of meat, lean steak can be difficult to digest. If you can, look for ground beef with a fat percentage of 10% or less. In contrast, fish is a protein-rich, nutritious, and easy choice.

08. High-sodium foods.

You should limit your salt intake if you are over the age of 51 or if you have any preexisting health conditions. Dosage increases to 2,300 mg daily after age 51. High-risk individuals should consume no more than 1,500 mg of sodium per day.

Heart attacks and strokes are just two of the hypertension-related issues that can be brought on by eating a diet high in sodium.

JOINT ADMISSIONS AND MATRICULATION BOARD

NATIONAL HEADQUARTERS, BWARI, ABUJA

ADVISORY TO INSTITUTIONS ON HOW TO HANDLE THE CONDONEMENT OF UNDISCLOSED ILLEGAL INSTITUTIONAL ADMISSIONS (CUIIA) (ADMISSIONS CONDUCTED OUTSIDE CAPS 2017-2020)

The Board introduced the **Central Admissions Processing System (CAPS)** in 2017 as the transparent platform for all admissions. Regrettably, some of the institutions continued to admit some, indeed large number of candidates (undisclosed to JAMB), thereby jeopardizing the interest of such candidates admitted through under-the table deals.

Recent events made the candidates protest the disadvantages of such non-disclosure and lack of formal recognition of their degrees. Such Institutions are now being compelled by necessity to confess their past deeds of undisclosed admission.

This Advisory is to guide the affected institutions on how the candidates can be rescued:

- i. The institutions should first and foremost declare the number of candidates admitted outside CAPS by sending a formal letter of confession and disclosure (LCD) to the Registrar of JAMB.
- ii. The letter of confession and disclosure should have the list of candidates attached. A copy of the letter and the list of candidates should be sent to JAMB state office where the institution is located. The list and total number of affected candidates for each year of admission should be clearly specified with the Programme (i.e Course of Study).
- iii. If the Board upon receiving the letter (and after due scrutiny and investigations) grants approval, the institution shall be contacted within 2 weeks of acknowledged receipt of the LCD.
- iv. The portal is then opened for the Institution to upload the list of candidates already submitted.
- v. The letter of approval from JAMB to the institution and the uploaded list shall contain the following:
 - the academic year for which the retroactive approval is granted;
 - total number of candidates, and
 - the period of grace (**not exceeding 60 days**) within which the affected candidates must complete the process of **Condonement of Undisclosed Illegal Institutional Admission (CUIIA)**. Only the candidates declared by the institutions are to visit JAMB office and complete the appropriate form online after paying the prescribed fee (i.e) the application fee of N4,000 only is paid by those without JAMB Registration number for the year and N5,000 penalty paid by every candidate involved.
- vi. The records of the candidates shall then be made available on CAPS after they have completed the online process.
- vii. The Admission Officer of the Institution shall retroactively propose formally the candidates to the Head of Institution who in turn shall recommend the candidates within the specified time.
- viii. The JAMB Desk officer too, shall retroactively approve the candidates on CAPS within the original list submitted by the institution. After approval, the previously illegal students will be able to print their JAMB admission letters from e-facility on JAMB Portal.
- ix. It should be noted that the admission letter would henceforth carry the date of the retroactive approval and not backdated to protect the Board's integrity of the data it might have provided before the condonement. The admission letter would also be named "**Retroactive Letter of Admission**" to reflect the correct history of the admission.
- x. Please **NOTE** that only candidates on the list declared by the institutions shall be attended to at the JAMB office. The Board shall not extend the period of grace granted to each institution. Any candidate that does not complete the process within the allotted (maximum two months) grace - period loses the remedial opportunity.

MANAGEMENT

JOINT ADMISSIONS AND MATRICULATION BOARD

ATTENTION!!!

Serialisation of guidelines for the 2022 admissions exercise continues.

Second series.

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

- 🌐 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).
- 🌐 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advertise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
- 🌐 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.
- 🌐 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

- 🌐 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.
- 🌐 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
