JAMB WARNS PARENTS, GUARDIANS TO STAY AWAY FROM REGISTRATION CENTRES

The Joint Admissions and Matriculation Board (JAMB) has warned parents and guardians to stay away from its various registration centres as well as avoid any act capable of jeopardising the registration exercise.

The warning came on the heels of a woman, a graduate of Business Administration from Ahmadu Bello University, Zaria, who was caught at one of the Board's Professional Registration Centre (PRC), while

attempting to procure a registration e-PIN for her brother, an act that ran contrary to the series of advisories on interference by third-parties in matters relating to candidates with the Board.

In her explanation, the culprit explained that she decided to purchase the e-PIN on behalf of her brother, who was in Kaduna, and as she was available in Abuja, she had planned to enable him to procure the e-PIN for him to conclude the registration, when he returned to

Abuja.

The Board viewed this act as a gross violation of the ethics of the registration exercise as it was capable of compromising the integrity of the process.

...Don't Use Discretion When the Rules are Clear - Ogun State Coordinator

Mr. Abdulhameed stressed that the innovations introduced ahead of this year's registration were designed to achieve a seamless exercise while stating that no iota of infraction would be tolerated from any quarters.

In his words, "...Don't use discretion when the rules are clear. Let me stress it again that e-PINs must be delivered to candidates electronically while the candidates most show such on their physical phones before being registered, while e-copies of the Reading Text must be given to all candidates pro bono. Also, for security reasons, registration must be completed not later than 6:00p.m. daily, while all documents collected from candidates must be returned to

them before they depart the registration point."

Furthermore, he reiterated that NIMC details recently updated is now allowed during registration so as to apply corrections made on NIN biodata after generation of profile codes. He also stressed that upload of NIN slip, sworn affidavit and NIMC update form for candidates, who requires correction of biodata had also been enabled.

AbdulHameed also warned that no centre operators should complete any registration with their fingerprints, saying that, "where it is difficult to capture a candidate's biometrics, the affected candidate should be directed to the State Office."

In his speech, the State Coordinator

reiterated that the provided centre SIM card was a unique centre identifier, as such, the loss of it means loss of accreditation. He, therefore, admonished centres to keep it safe while encouraging them to thoroughly supervise their outlets as infractions committed by any outlet would definitely affect their mother centres.

...British Council in JAMB, Calls for Closer Ties

L-R: Director of Programmes, British Council, Mr Chikodi Onyemerea and Director, Exams Nigeria, Mr Deep Adikhari during the Council's visit to JAMB.

Akinola Oladunmoye, were at the Board's National Headquarters, Bwari, on Wednesday, 17th January, 2024, on a courtesy visit.

According to Mr Owyemerea the visit was also to thank the Board for nominating two of its staff for the Council's conference scheduled to hold between 27th and 29th February, 2024, in South Africa. He stated that the annual conference was to showcase the Council's programmes and activities across the world for students exposed to UK curriculum.

He pointed out that the event would

highlight best practices and engender new avenues to network and interface with other countries on best practices which they could replicate in their various curricula.

On the verification of A'level results, he explained that there are two different kind of bodies, the recognising organisation, which verifies the result and the centre where the students would take the test and get their results. He also noted that essentially within the framework of Cambridge A'levels, the centres do not have access to the verification platform but the

recognising body would be issued with a password to access a secured site. He said JAMB as a recognised organisation, had been granted access to the secured site.

In his remarks, the Registrar stated that JAMB had no problem in carrying out needed verifications, but noted that specific directives were given to holders of 2018 results to verify these with the Council on their own and bring the same to the Board as JAMB does not have access to pre-2018 results.

While noting that the relationship between the two bodies had always been cordial, he expressed hope that the Board would continue to interact meaningfully with the Council at various levels.

The Registrar also intimated the Council of the proposed training for staff of the Board on spoken and written English to enhance staff efficiency and productivity.

CAREER IN FOCUS

BY OMOTOYOSI ADENLE, QA DEPARTMENT

Career in Focus is a new column in the Board's weekly publication, JAMBulletin. This column would be featuring content on profitable but not popular courses in Nigerian tertiary institution as a means of creating career awareness for prospective candidates most of whom go extra lengths to study conventional courses such as Law, Medicine, Engineering, Accounting among others.

This month, the career in focus is Audiology.

Audiology is the scientific study of hearing, encompassing the assessment, diagnosis, and treatment of disorders related to the auditory and vestibular systems. It is a branch of healthcare science, which identifies and assesses hearing and balance disorders.

Audiologists and professionals in this field, specialise in identifying and managing various hearing impairments, communication disorders, and balance issues. They employ advanced technologies and conduct comprehensive evaluations to determine the extent and nature of a patient's auditory challenges.

The inception of Audiology as an academic discipline in Nigeria traces its roots back to its establishment as a branch of Special Education at the University of Ibadan and the University of Calabar. In the third year of undergraduate studies (300 Level), students are granted the

opportunity to specialise in Audiology and Speech Pathology, marking it as a rehabilitative science where merit is a crucial consideration.

At present, the University of Medical Sciences in Ondo stands out as the pioneering institution offering Audiology as an independent and singular course of study. Notably, the Federal University of Health Sciences in Ila-Orangun, has also incorporated Audiology into its initial line-up of courses, reflecting the growing recognition and importance of this field within the academic landscape.

Career prospects in Audiology are promising, as they are driven by an increasing awareness of hearing health and advancements in technology. Audiologists can find employment in diverse settings, including hospitals, private practices, schools, and research institutions. With an increasing aging population and the prevalence of hearing-related issues, the demand for audiologists is on the rise. Moreover, audiologists play a crucial role in rehabilitation, providing interventions such as hearing aids, cochlear implants, and therapeutic strategies to enhance communication skills. The profession is far from being not saturated in Nigeria.

Audiology offers a fulfilling career path for those passionate about improving the lives of individuals with hearing impairments. As society

recognises the importance of hearing health, the role of audiologists becomes increasingly significant, making it an intellectually rewarding and socially-impactful profession with promising long-term career prospects.

It is a five-year course under the faculty of medical sciences and faculty of education in most institutions.

UTME subjects required are: Use of English, Physics, Mathematics and Biology.

O' level requirements are credit passes in English Language, Mathematics, Chemistry, Physics and Biology. For special waivers from institutions, check the brochure on www.ibass.jamb.gov.ng. Institutions offering Audiology (single or combined with speech therapy) include University of Ibadan as Special Education, University of Medical sciences, Ondo, University of Calabar and others.

The professional bodies monitoring the profession are the Speech Pathology and Audiology Association of Nigeria, and Medical Rehabilitative Therapist Board. Professor Clement A. Bakare, Prof. Wahab D. Owolabi and Prof. Julius Ademokoya are notable Audiologists in Nigeria.

ALL SET FOR A SEAMLESS 2024 UTME - JAMB

Prospective candidates desirous of sitting the 2024 Unified Tertiary Matriculation Examination (UTME)/ Direct Entry (DE) have been assured of a seamless and intellectual-enriching exercise.

This assurance was given by the Board's Public Communication Advisor, Dr. Fabian Benjamin, on Sunday, 21st January, 2024, while speaking on the ongoing 2024 UTME/DE registration exercise, on an X space (formerly known as Twitter) hosted by The Town Hall Ng.

The JAMB PCA disclosed that the admission regulatory agency has set necessary machinery in motion for a stress-free 2024 UTME through the deployment of professional personnel and state-of-the-art technology.

He highlighted various steps the Board had taken to make the

process seamless for candidates, particularly in terms of cost reduction through sustaining its signature three thousand, five hundred naira (₦3,500) registration fee; the supply of its reading text "The Life Changer" free of charge as against the previous fee of five hundred naira (₦500); the slashing of centre fee charged by accredited CBT centres from three thousand naira (₦3,000) to one thousand, five hundred naira (₦1,500); among others.

Dr. Benjamin also stressed the robustness of the Board's database, which he described as foolproof. He, therefore, charged candidates to concentrate on their studies rather than patronising unscrupulous tutorial centres, who are out to swindle them through fake promises of live questions, score upgrade, underhand admissions, and so on.

While responding to questions from candidates, parents and other stakeholders, the Board's spokesman reiterated that candidates should endeavour to effect all necessary changes on their biodata through the National Identification Management Commission (NIMC) platform before registering for the Board's examination as their details are pulled directly from the Commission's database, hence, any uncorrected mistakes, especially with regard to e-mail address, phone number, date of birth, state of origin, local government and many more, cannot be changed on the JAMB portal once registered.

The Town Hall Group is a group of young, patriotic Nigerians, who are dedicated to bringing governance and government officials closer to the people.

NIPEDS: PROGRESS REPORT ON VERIFICATION OF A'LEVEL CERTIFICATES

The Board, on 23rd February 2023, issued an Advisory to guide the registration of candidates seeking to gain admissions through Direct Entry in the 2023/2024 Academic Session. That was basically to address the issue of candidates using unacceptable or forged A' level certificates/qualifications to gain admission.

However, recent discoveries from the verification exercises conducted by the Nigeria Post-secondary Education Data System (NIPEDS) have compelled the Board to introduce further steps to address the series of sharp practices and inconsistencies in the ongoing 2023 DE admission exercise.

As part of efforts to arrest these series of unwholesome practices, NIPEDS has written to all tertiary institutions in the country to facilitate the verification of the A'level certificates of their respective students. While a significant number of these institutions have responded and had their students' A'level certificates verified and the admissions of their students consequently processed, NIPEDS is yet to receive any response from many institutions. This delay has, therefore, had the unintended effect of denying the candidates holding their A'level certificates from being considered for admission. In effect, all such candidates holding the certificates of these institutions would not be considered for admission until they are verified.

The table below features an updated list of institutions, which have still not responded to NIPEDS' request in spite of repeated requests/ advertisements:

ATTENTION!!!

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

- 🌿 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).
- 🌿 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advertise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
- 🌿 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.
- 🌿 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

- 🌿 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.
- 🌿 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
