FINAL DAY OF 2023 UTME REGISTRATION

...As Registrar's Team Monitors Exercise in Nasarawa and Delta

The Joint Admissions and Matriculation Board (JAMB) has finally decided to close the books on the 2023 UTME registration exercise as the extension announced the previous week elapsed on Wednesday, 22 February, 2023.

It will be recalled that the Board had granted the extension to accommodate candidates, who could not register for the 2023 UTME within the allowable window of Saturday, 14th January to Tuesday, 14th February, 2023, owing to exigencies related to recent developments in the country.

At the close of the registration exercise, 1,595,779 candidates had successfully registered for the 2023 UTME. This number does not include the Direct Entry component of the

exercise, which had commenced on Monday, 20th February, 2023 before it was put on hold on Tuesday, 21st February, 2023.

The Registrar's monitoring team, which had gone round the country, was in Nasarawa and Delta States on the final day of the exercise to oversee its conclusion.

In Asaba, Delta State, the team visited Trinity Innovation Hub CBT Centre; Delta State Polytechnic, Ogwashi-Uku CBT Centre 1 and 2; Delta State Library CBT and others. It was, however, remarkable that none of these centres had any candidates waiting to be registered indicating that almost all candidates, who desire to register for the exercise had done so.

The same situation was replicated in many centres in Nasarawa State as

few candidates were seen at all the centres a day to the closing date and even these were cleared before the close of work. Hence, from every indication, this year's exercise is shaping up to be the smoothest the Board has ever had.

However, based on reports received from the various monitoring teams across the country, the Board would review its SIM number swap policy as it will now require the Telcos to confirm that the old SIM being put forward for swapping previously belonged to the applicant but had been issued to another person, which would, therefore, preclude the possibility of a SIM welcome back before such swapping would be approved.

...Permanent Secretary, Education Ministry, Monitors 2023 UTME Registration

eventually turned during the extension noting that they could as well do their registration without making the Board go through the rigours of extension.

This submission of the distinguished personality was borne out by the fact that some of the candidates he interviewed, confessed that they could have registered during the first window but were waiting to see if they could secure last-minute admission with their previous year's UTME results from their institutions of

choice.

The Registrar, Prof. Is-haq Oloyede, in his response, remarked that the extension was uncharacteristic of the Board as it always sticks to its time frame but this time had to bend over backward to accommodate those, who might be experiencing some difficulties with some of the payment platforms on account of the ongoing financial restructuring in the country. He, however, noted that most of the centres were empty with zero number of candidates

registering during the extension. According to him, one positive thing about the extension was that the Board had been able to satisfy all righteousness by going the extra mile to be absolutely sure that no candidate had been disenfranchised.

He, therefore, called on all candidates to always register as of when due as the Board would not order any unwarranted extension in future exercises.

EDUCATION IN THE MEDIA

GUARDIAN NEWSPAPER MONDAY FEBRUARY 20TH 2023 - 2023 UTME:

JAMB Registers 1.6m Candidates For UTME: No fewer than 1.6 million candidates have been registered for the 2023 Joint Admissions and Matriculation Board (JAMB) Unified Tertiary Matriculation Examination (UTME) at the close of registration.

The Registrar of the Board, Prof. Is-haq Oloyede, disclosed this at the end of a joint monitoring exercise with the Permanent Secretary, Federal Ministry of Education, Mr. David Adejo, in Abuja on Monday.

Oloyede, however, disclosed that in the cause of the registration, 15 culprits were discovered to be defrauding the process, adding that the culprits have been apprehended and were currently detained for further investigations.

According to him, "So far we have registered about 1.6 million candidates because we do not expect more than that, and that is because the Direct Entry registration starts today."

"We have the challenge of the normal people who want to defraud the process as we have been monitoring what has been happening, but we are ahead of them even when they think they are clever."

The Permanent Secretary in his remarks said that there was need to extend the registration to give those who faced the challenge of naira redesigning the opportunity to register.

"This is especially because registration process is dependent on bank operations and we've not have the top level of bank operations in the last two to three weeks for understandable reasons." He said.

Oloyede noted that before the extension of registration for one

week, JAMB had actually registered about 98 per cent candidates, saying that no one would be left behind in its registration process.

JAMB Suspends 2023 DE Registration: The Joint Admissions and Matriculation Board (JAMB), Tuesday suspended the ongoing 2023 Direct Entry registration exercise which commenced on Monday, until further notice.

JAMB spokesman, Fabian Benjamin, in a statement, said this was to better serve prospective candidates.

He said a new date and fresh registration procedures, including upload of JAMB admission letters in the case of OND and NCE, admission letters issued by universities in the case of university diploma and admission letters issued by A' Level examination bodies (IJMBE, JUPEB, etc.), would be announced in due course so that candidates could proceed to JAMB offices nationwide to register.

TRIBUNE NEWSPAPER FRIDAY FEBRUARY 24TH 2023 - JAMB Closes

Registration For 2023 UTME: The Joint Admissions and Matriculation Board (JAMB) has closed the window for the 2023 Unified Tertiary Matriculation Examination (UTME) registration exercise as the extension announced the previous week elapsed on Wednesday, February 22.

Going by the successes recorded so far, the Board declared that this year's exercise was designed to shape up the process and that was why it was adjudged the smoothest the Board has ever had.

Recall that the Board had granted the extension to accommodate candidates, who could not register for the 2023 UTME within the allowable window of Saturday, 14th January to Tuesday, 14th February, 2023, owing to exigencies related to recent developments in the country.

At the close of the registration exercise, about 1.6 million candidates had successfully registered for the 2023 UTME.

Spokesperson of JAMB, Dr. Fabian Benjamin in a statement on Wednesday in Abuja, said the 1.6

million did not include the Direct Entry component of the exercise, which had commenced on Monday, 20th February, 2023 before it was put on hold on Tuesday, 21st February, 2023.

He noted that the Registrar's monitoring team, which had gone round the country, was in Nasarawa and Delta States on the final day of the exercise to oversee its conclusion.

In Asaba, Delta State, the team visited Trinity Innovation Hub Computer Based Test (CBT) Centre; Delta State Polytechnic, Ogwashi-Uku CBT Centre 1 and 2; Delta State Library CBT and others.

He said it was, however, remarkable that none of these centres had any candidates waiting to be registered indicating that almost all candidates, who desired to register for the exercise had done so.

NEW TELEGRAPH NEWSPAPER FRIDAY FEBRUARY 24TH 2023 - JAMB To Review SIM Swap Policy As 2023 UTME Registration Ends: The Joint Admissions and Matriculation Board (JAMB) has revealed plans to review its SIM number swap policy, as it announces the end of registration for the 2023 Unified Tertiary Matriculation Examination (UTME). Recall that the registration, which

was to end on February 14, 2023 was further extended by one week to enable candidates experiencing difficulties as a result of the cash crunch in the country an opportunity to be able to sit the examination.

A statement by the JAMB's Spokesman, Dr. Fabian Benjamin, reads, "...based on reports received from the various monitoring teams across the country, the Board would review its SIM number swap policy as it will now require the Telco's to confirm that the old SIM being put forward for swapping previously belonged to the applicant but had been issued to another person, which would, therefore, preclude the possibility of a SIM welcome back before such swapping would be approved." **Also available in THISDAY NEWSPAPER MONDAY FEBRUARY 24TH 2023.**

PUNCH NEWSPAPER FRIDAY FEBRUARY 24TH 2023 - NABTEB Result: 76% Of Candidates Obtain Five Credits: The National Business and Technical Examination Board (NABTEB) on Thursday released its November/December 2022 results with 21,103 candidates obtaining five credits and above including English Language and Mathematics. The Registrar/Chief Executive Officer of NABTEB, Prof. Ifeoma Isiugo-Abanihe, who disclosed this in Benin, said that the figure represented 75.96 per cent of the total candidates who sat for the examination.

Isiugo-Abanihe also stated that 26,561 candidates also scored five credits and above with or without English Language and Mathematics representing 95.6 per cent. She added, "The board has continued to strengthen its quality assurance mechanism, including measures to checkmate examination malpractices. For this examination, 123 candidates representing 0.39 per cent of the total candidates were found to be involved in examination

malpractices.

"This is an improvement compared to 244 candidates representing 0.75 per cent of the total candidates that sat the 2021 November/December certificate examination.

TRIBUNE NEWSPAPER FRIDAY FEBRUARY 24TH 2023 - Buhari inaugurates girls' education project:

President Muhammadu Buhari has officially flagged off the Adolescent Girls Initiative for Learning and Empowerment, (AGILE) project as part of the commitment of his administration towards upholding the education and empowerment of Nigerian women and girls.

He inaugurated the project in Abuja during the presidential launch of the High-Level Advisory Council, (HLAC) to support women and girls' projects and initiatives.

The essence of HLAC is to effectively coordinate women empowerment-focused programmes and initiatives in Nigeria such as the Adolescent Girls Initiative for Learning and Empowerment, (AGILE); the National Women's Economic Empowerment (WEE) Policy Dialogue; and Nigeria for Women Project Scale-Up (NFWP-SU).

HLAC is also meant to be a standing presidential committee focused on achieving Sustainable Development Goals (SDG 5) by the year 2030. It comprises representatives of government, multisectoral, public sector, private sector, social and technical sectors as well as an interministerial working group...

...The Adolescent Girls Initiative for Learning and Empowerment (AGILE) Project is a five-year (2020-2025) World Bank-assisted project aimed at improving secondary school opportunities for adolescent girls in the current implementing states namely Borno, Ekiti, Kaduna, Kano, Katsina, Kebbi, and Plateau states.

...FCSC EXAM: The Capacity of JAMB to Conduct Large-Scale Examinations is Not in Doubt - Prof. Oloyede

The Registrar, in his address, pointed out that the Board had the capacity to conduct large-scale assessments, tests or other data collection procedures, and administered tailored tests to large numbers of students at the same time. He, therefore, stated that the 5,000 candidates being expected by the Commission for registration and examination could not be compared to the huge number of candidates it examines annually in its Unified Tertiary Matriculation Examination (UTME), and its other third-party assessment commitments.

Furthermore, Prof. Oloyede disclosed that the Board had registered 1,595,779 candidates in less than 34 days in the just-concluded 2023 UTME registration exercise and advised the Commission to be sure of its records and ready its template

for a seamless registration exercise.

Earlier, the Permanent Secretary had stated that her delegation was in JAMB to express appreciation to the Registrar for attending the Commission's Management Retreat held on 6th February, 2023. She added that the visit was aimed at operationalising the resolve of the Commission to digitise its operations.

She also informed the Board that the Commission would hold its 2023 Civil Service Examinations between the months of May and June, 2023, and sought the support of the Board to ensure a smooth exercise.

According to her, the visit was to also afford her the opportunity to ask pertinent questions and seek clarifications on some other grey areas with a view to having a successful pilot scheme for the

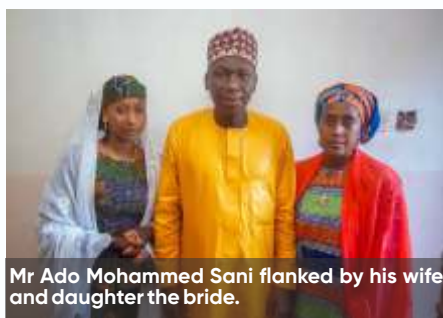

proposed digitisation.

It would be recalled that the theme of the Commission's Retreat was: "Repositioning Federal Civil Service Commission for Efficient and Effective Service" to further its digitisation drive, while the Registrar had presented a paper titled: "The Imperative of Computer-Based Test for the Conduct of Promotion Exercise in the Civil Service of Nigeria".

The Permanent Secretary, Federal Civil Service Commission (FCSC), Dr. Mary Okpe, receiving a souvenir from the Registrar of JAMB, Prof Is-haq Oloyede.

NEW STATE COORDINATOR MONITORS LAST DAYS OF 2023 UTME REGISTRATION IN MINNA

The newly-appointed Niger State Coordinator, Hajia Munirat A. Lawal, has hit the ground running as she raced to monitor the last days of the 2023 UTME registration exercise in some selected CBT centres within Minna metropolis. The exercise was finally brought to a close on Wednesday, 23rd February, 2023. Among the centres visited were 2H Computers CBT Centre;

FUTMINNA Centre 1 and 2; and Ahinsif Global Morris, Minna.

It would be recalled that the outgoing State Coordinator, Mr. Ibrahim Ndaliman, had earlier handed over the baton of leadership of the State Office to Hajia Lawal at a colourful ceremony held at the premises of the State Office in Minna.

At all the centres visited, Hajia Lawal had enjoined the proprietors to keep to their rules

of engagement to avoid the hammer of the Board noting that no erring centre would be spared if found wanting.

The 2023 UTME registration exercise in Niger State was adjudged one of the best in recent times as no untoward incident was recorded throughout the duration of the exercise.

NOVELTY MATCH: JAMB NHQ, ANNEX, ILORIN, VS NECO, KWARA STATE OFFICE

An atmosphere of conviviality prevailed recently when the football teams of National Examination Council (NECO) and the Joint Admissions and Matriculation Board (JAMB), faced off in a novelty football match held in honour of the retired Kwara State NECO Coordinator, Mr. Joshua Durotoye Jolaoye, at the pitch of Royal Palm International School, Ilorin.

The match, which began on a high tempo, saw both teams eager to take control of the game. Team JAMB started strongly and

dominated possession in the early stages, using their quick and nimble players to create several scoring opportunities. However, NECO's defence held strong, and the score remained 0-0.

As the first half progressed, the JAMB boys gradually began to assert themselves in the game with their powerful and physically imposing players overwhelming NECO's defense which eventually led to a breakthrough. JAMB, thus drew the first blood through a powerful kick from Segun Adeyanju. The scoreline was to remain 1-0 till the

end of the first half in favour of JAMB.

However, Team NECO came back through significant substitutions to equalize in the second half and eventually won the match 4 goals to 1 and were crowned winners.

The special Guest of Honor, Mr. Jolaoye, in his remarks at the end of the match, thanked the Director, NHQ, Annex Office, Ilorin, Alhaji Aliyu Kolawole Jibril, who was on hand to cheer his boys as well as his staff for their usual cooperation and the honour done him.

2023 UTME REGISTRATION: JAMB MANAGEMENT MONITORS EXERCISE IN CROSS RIVER STATE

As part of the efforts aimed at achieving a seamless 2023 UTME registration exercise, the Joint Admissions and Matriculation Board (JAMB) has reiterated its determination to continuously monitor the performance of its operatives and partners in the exercise of their franchise as well as prevent undue exploitation of hapless candidates by unscrupulous individuals and their collaborators.

In this regard, a team led by the Director, Special Duties, Dr. Beatrice Okorie, was on Monday, 13th February, 2023, in Calabar, Cross River State, to monitor the conduct of the exercise at the State Office, Calabar, and some accredited CBT centres across the State.

According to her, the exercise became necessary in order to ensure that all accredited CBT centres in the State comply with specified guidelines. She also restated the

determination of the Board to mete out appropriate sanctions to any individual or corporate body found to have committed infractions.

Earlier in her welcome address, the State Coordinator, Mrs. Oyinkansola A. Odhigada, had expressed appreciation to the management of the Board for its interest in the well-being of the teeming population of candidates in the State.

FEW FACTS ABOUT JAMB

- ✿ The Joint Admissions and Matriculation Board (JAMB) was established for the general control of the conduct of matriculation examinations for admissions into all universities, polytechnics, monotechnics, colleges of education and (recently added) Innovation Enterprise Institutes (IEIs).
- ✿ Section 5 (2)of the ACT establishing the Board provided as stated: For the avoidance of doubt, the Board shall be responsible for determining matriculation requirements and conducting examinations leading to undergraduate admissions and also for admissions to National Diploma and the Nigerian Certificate in Education courses, but shall not be responsible for examinations or any other selective process for postgraduate courses and any other courses offered by the tertiary institutions. In the implementation of this section, there is always a synergy with the National Universities Commission(NUC), the National Board for Technical Education(NBTE) and the National Commission for Colleges of Education(NCCE) with the endorsement of the National Council on Education(NCE).
- ✿ In exercising this power, the Board is always guided by admission guidelines approved by the Policy Meeting under the Chairmanship of the Hon. Minister of Education with all Heads of Tertiary Institutions and other stakeholders in attendance.
- ✿ Since the inception of the Interim Joint Matriculation Board Examination (IJMBE), JAMB appoints moderators for all its questions as well as the grading of candidates scores. It has always done this without failing to still accommodate 'HSC' within the current 6-3-3-4 system. The National Council on Education(NCE) guidelines for the Joint Universities Preliminary Examinations Board (JUPEB) also endorsed the practice for JUPEB.
- ✿ The Joint Admissions and Matriculation Board shall continue to operate within its laws.

STAFF WELFARE: ABIA STATE COORDINATOR UNVEILS PALLIATIVES FOR STAFF

In its bid to cushion the biting effects of the prevailing fuel scarcity and the cash crunch being experienced in many parts of the country, the Coordinator, Abia State Office, Mr. Johnson Adebiji, has announced some special welfare incentives to his staff.

According to the State Coordinator, the incentives were premised on staff welfare, which is one of the five-point agenda instituted by Prof. Is-haq Oloyede on assumption of office, and were designed to offer some relief to staff in the face of extant challenges.

Giving a breakdown of the palliative measures, Mr. Adebiji stated that the State Office had reached an understanding with the marketing outlets of two major oil marketers in Umuahia namely: the NNPC and Oando PLC for the provision of premium motor spirit to the State Office and its staff at the approved pump price of ₦194 per litre. This arrangement is coming on the heels of other palliatives currently being implemented to provide a safe and supportive work environment for staff.

Furthermore, Mr. Adebiji disclosed

that these facilities were to be enjoyed by all staff, regardless of their position within the Office. In his remarks, he stressed that the staff are the most treasured assets of any organisation and, as such, the Board would not relent in its efforts to ameliorate the impact of these existential challenges in any way possible. He reiterated the determination of the Board to continue to explore new ways of providing succour and empower its workforce.

deployment of certain measures, which are designed to better serve prospective candidates.

Consequently, the Board stated that a new date and fresh registration procedures, which will include Upload of JAMB Admission Letter in the case of OND and NCE,

Admission Letter issued by universities in the case of University Diploma, and Admission Letter issued by A' Level examination bodies (IJMBE, JUPEB, etc.), would be announced in due course so that candidates could proceed to JAMB offices nationwide to register.

It would be recalled that the Board had commenced DE registration on Monday, 20th February, 2023, and had slated it to end on Thursday, 20th April, 2023.

Candidates are also to note that only JAMB offices are approved to register them for Direct Entry.

No: 2022ff07

14th November, 2022

The IBASS complementary platform described in this document has been created for stakeholders including Regulatory Bodies, Institution heads and Directors of Admission, JAMB Registrar and JAMB Administrators. The platform aims to automate the request, review, approval and publishing process for new Programs and Institutions.

A single, simple automated platform provides benefits including increased productivity, improve Audit readiness, decrease in errors, and an improved standardized overall process.

ADVISORY ON MANAGING PROGRAMMES AND INSTITUTIONS FOR REGULATORY BODIES

PROCEDURE FOR ADDING NEW INSTITUTIONS

1. The Regulatory Body Admin logs into the system and uses the New Institution form to upload a new Institution.
2. The form will prompt for the entry of all relevant institution details as well as approval/accreditation attachments.
3. Programmes offered at the new institution may also be uploaded during the creation process.
4. All new Institutions uploaded will automatically be forwarded to the JAMB Administrative team to review and publish into the system.

PROCEDURE FOR ADDING NEW OR DELISTING PROGRAMMES

1. For existing institutions, the Regulatory Body Admin would sign into the system, search for an Institution and use the corresponding New Programme form to upload a new Programme.
2. All new Programme uploads must be accompanied with a scan of the Letter or Approval.
3. Additionally, existing Programmes can be delisted from this system. This process also requires an Approval document to be submitted along with the request.
4. All Programme changes including new Programmes and delisting would be automatically forwarded to the JAMB Administrative team to review and publish.

Contd in Pg 13

5. Regulatory users are also able to approve Programme Delist requests from Institutions under regulation. The Institution would select a Programme for delisting and the request is automatically forwarded to the Regulator for approval. The Regulator would login and under a list of Pending Approvals would review an individual request and provide necessary approval. A request may also be declined, in which case the regulatory user is prompted for an explanation, which is included in the feedback to the Institution.

PROCEDURE FOR MANAGING OTHER REGULATORY USER ACCOUNTS

1. The Regulatory Body Admin logs into the system and reviews the list of Regulatory Body users within its purview. E.g. NBTE admin can only view other NBTE users. The Regulatory user with administrative privileges is able to create a new user account and restrict to certain Institution categories as required.
2. This process takes immediate effect and the newly created user is able to log into the system. Newly created users are STRONGLY advised to change their password immediately upon first login.

PROCEDURE FOR USING INTERNAL MAIL COMMUNICATION TOOL

1. The Regulatory Body Admin logs into the system and selects the Mail menu which displays the Inbox, showing new and existing messages.
2. The user selects the Compose Message form and indicates the recipients which include the following options:
3. All Institutions under regulation
 - a. Specific Institution(s)
 - b. JAMB
4. The user completes the intended message and may also include an attachment.
5. The message is immediately sent to the chosen recipients who are also notified of the new communication.

ADVISORY ON MANAGING PROGRAMMES FOR TERTIARY INSTITUTIONS

PROCEDURE FOR ADDING NEW PROGRAMMES

1. All New Programmes are uploaded by the Regulatory Body on behalf on the Institution.
2. The relevant teams from the Institution would provide all Programme details and additional information to their Regulator, and in turn the Regulatory user would proceed to upload the Programme details and approval letter attachment into the system.
3. Once the new Programme details are submitted, it is automatically forwarded to the JAMB Administrative team to review and publish into the system.

PROCEDURE FOR UPDATING ADMISSION REQUIREMENTS

1. The DAP user profile logs into the system to view all existing Programmes in their Institution and affiliated Institutions.

2. A Programme from the list is selected for modification. The DE Requirements, UTME Requirements or UTME Subjects may be edited and an additional note may be included to provide further clarity. All changes must be accompanied by an attachment showing the approval by the Institution's Senate/Governing Board.
3. The changes will be forwarded to the head of the institution (VC, Provost, Head, Rector) for Approval.
4. Once approved it will be forwarded to the JAMB Administrative team for final review and publishing.

PROCEDURE FOR DELISTING AN EXISTING PROGRAMME

1. The DAP user profile logs into the system and selects a specific Programme for delisting. All Delist requests must be accompanied by an attachment showing the approval by the Institution's Senate/Governing Board.
2. The request is automatically forwarded to the head of the institution (VC, Provost, Head, Rector) for Approval.
3. Once approved it will be forwarded to the relevant Regulatory Body (NUC or NCCE or NBTE) for review and approval. The request may also be declined in case there is an error and the Regulatory user is prompted to provide a reason for declining the request.
4. If Approved by the Regulatory body the request is automatically forwarded to JAMB Administrative team for publishing (Programme is removed from the system).

PROCEDURE FOR MANAGING INSTITUTION USER ACCOUNTS

1. The Institution head user logs into the system and reviews the list of users in the Institution. The list is strictly limited to the current Institution and no Institution can view or interact with users from another Institution. The user with administrative privileges is able to create a new user account and configure the rights and privileges as required.
2. This process takes immediate effect and the newly created user is able to log into the system. Newly created users are STRONGLY advised to change their password immediately upon first login.

PROCEDURE FOR USING INTERNAL MAIL COMMUNICATION TOOL

1. The Institution user logs into the system and selects the Mail menu which displays the Inbox, showing new and existing messages.
2. The user selects the Compose Message form and indicates the recipients which may include fellow users from the same Institution, their Regulating Body or JAMB.
3. The user completes the intended message and may also include an attachment.
4. The message is immediately sent to the chosen recipients who are also notified of the new communication.

ADVISORY ON REVIEWING NEW PROGRAMMES AND INSTITUTIONS FOR JAMB REGISTRAR

PROCEDURE FOR REVIEWING NEW PROGRAMMES AND INSTITUTION

1. All New Programmes are uploaded by the Regulatory Body on behalf on the Institution.
2. The JAMB Registrar logs into the system to view a list of pending reviews and requests of new Institutions and Programmes. Each request from the Regulatory Bodies may be reviewed individually and subsequently enabled for Publishing.
3. Once this action is complete the JAMB Administrative team would publish the requested update or changes into the system.

PROCEDURE FOR APPROVING ADMISSION REQUIREMENTS CHANGES

1. The JAMB Registrar logs into the system to view a list of pending Programme Admission Requirement changes that need approval.
2. Once an Admission Requirement Change is reviewed it may be enabled for Publishing.
3. Once this action is complete, the JAMB Administrative team would publish the requested update or changes into the system.

PROCEDURE FOR MANAGING SYSTEM USERS

1. The JAMB Registrar logs into the system and reviews the list of users in the system. The list is unrestricted and includes users across JAMB, all Institutions and all Regulatory bodies. The Registrar has administrative privileges to create a new user account in any category and configure the rights and privileges as required.
2. This process takes immediate effect and the newly created user is able to log into the system. Newly created users are STRONGLY advised to change their password immediately upon first login.

PROCEDURE FOR USING INTERNAL MAIL COMMUNICATION TOOL

1. The JAMB Registrar logs into the system and selects the Mail menu which displays the Inbox, showing new and existing messages.
2. The user selects the Compose Message form and indicates the recipients which include the following options:
 - a. All System Users
 - b. Specific Users
 - c. All Institutions
 - d. Specific Institution(s)
 - e. Regulators
 - f. JAMB Administrative Team
3. The user completes the intended message and may also include an attachment.
4. The message is immediately sent to the chosen recipients who are also notified of the new communication.

ADVISORY ON PUBLISHING NEW PROGRAMMES AND INSTITUTIONS FOR JAMB ADMINISTRATORS

PROCEDURE FOR PUBLISHING NEW PROGRAMMES AND INSTITUTION

1. JAMB Admin user logs into the system to view all New Programmes and Institutions that have been enabled for Publishing by the Registrar.
2. The JAMB Admin user may finalize the process by publishing the new information, which automatically reflects across the system.
3. Once this action is complete the initiating party (Regulatory body) is automatically notified.

PROCEDURE FOR PUBLISHING ADMISSION REQUIREMENTS CHANGES

1. The JAMB Admin user logs into the system to view a list of new Programme Admission Requirement changes that have been approved and enabled for publishing.
2. The change request is published and automatically reflects across the system.

PROCEDURE FOR MANAGING SYSTEM USERS

1. The JAMB Admin user logs into the system and reviews the list of users in the system. The list is unrestricted and includes users across all Institutions and all Regulatory bodies. The JAMB Admin may have administrative privileges to create a new user account in any category and configure the rights and privileges as required.
2. This process takes immediate effect and the newly created user is able to log into the system. Newly created users are STRONGLY advised to change their password immediately upon first login.

PROCEDURE FOR USING INTERNAL MAIL COMMUNICATION TOOL

3. The JAMB Admin user logs into the system and selects the Mail menu which displays the Inbox, showing new and existing messages.
4. The user selects the Compose Message form and indicates the recipients which include the following options:
 - a. All System Users
 - b. Specific Users
 - c. All Institutions
 - d. Specific Institution(s)
 - e. Regulators
 - f. Other JAMB Administrative Team members
 - g. Registrar
5. The user completes the intended message and may also include an attachment.
6. The message is immediately sent to the chosen recipients who are also notified of the new communication.

ADVISORY ON EXTENDING THE SCOPE OF SERVICE FOR CBT CENTRES

Following persistent requests from CBT centres, the Board has approved that some services hitherto, restricted to JAMB Offices, be extended to other approved CBT centres.

2. These services being extended to the CBT centres are registrations for:
 - (i) **Part-time**
 - (ii) **NOUN**
 - (iii) **Sandwich**
 - (iv) **Distance Learning**
3. The following steps are to be followed by each centre while attending to these category of candidates:
 - a. First create a Profile for the candidate (note that profile creation is free);
 - b. Login to the Candidate's Profile on e-Facility;
 - c. Expand the "Other Registrations" Tab and select the appropriate registration for the candidate;
 - d. Follow the prompts to make the payment of N3,500 application fees online using the candidate's ATM card (do not collect any candidate's card details, let the candidate be the one to enter his/her card details);
 - e. After payment, the centre will proceed to register the candidate on the Registration App platform and print out the Registration Slip.
 - f. For DE candidates of 2017 onwards, after registration, only the Registration Slip is to be given to them as the candidate's registration information goes straight to CAPS;
 - g. For candidates of year 2016 and before, after registration, the centre is expected to give them both the Registration Slip and an Indemnity Form;
 - h. The service charge for this type of registration is N700 only and payable directly to the centre.
4. Do not write down or copy any vital data of the candidates such as card details, profile code, password etc.
5. Recall that like the UTME/DE, the template is to be uploaded while candidates are to go away with the original (hard copy) template.
6. CBT centres shall abide by the rules as severe sanctions would be meted out to infractors.

LET'S TALK HEALTH

IS BITTER KOLA SAFE FOR PEOPLE WITH HIGH BLOOD PRESSURE?

Bitter Kola (*Garcinia kola*) is a fruit-bearing tree native to West and Central Africa. It is known for its medicinal properties and is a common ingredient in traditional medicines. Bitter kola is believed to have several health benefits, including reducing inflammation, boosting immunity, and treating respiratory issues. It is also used as a natural remedy for high blood pressure, a common health problem that affects millions of people worldwide. However, there is some controversy surrounding the use of bitter kola for people with high blood pressure. In this article, we will explore the safety of bitter kola for people with high blood pressure.

What is high blood pressure?

According to webmd, High blood pressure, also known as hypertension, is a common health problem that occurs when the force of blood against the walls of the arteries is too high. This can lead to several health complications, including heart disease, stroke, and kidney disease. High blood pressure is often referred to as a "silent killer" because it usually has no symptoms until it reaches a critical level.

What is bitter kola?

Bitter kola is a bitter-tasting nut that is found inside the fruit of the *Garcinia kola* tree. It is commonly used in traditional medicine in West and Central Africa to treat a variety of ailments, including respiratory issues, digestive problems, and high blood pressure. Bitter kola contains several active compounds, including caffeine, theobromine, and flavonoids, which are believed to have medicinal properties.

How does bitter kola affect blood pressure?

There is limited scientific research on the effects of bitter kola on blood pressure. However, some studies have suggested that bitter kola may have a beneficial effect on blood pressure. A 2015 study published in the *Journal of Ethnopharmacology* found that bitter kola extract reduced blood pressure in rats with hypertension. The study concluded that bitter kola could be a potential treatment for high blood pressure. Another study published in the *Journal of Complementary and Integrative Medicine* found that bitter kola had a positive effect on blood pressure in humans. The study involved 32 participants with high blood pressure who were given bitter kola extract for four weeks. The researchers found that bitter kola extract significantly reduced both systolic and diastolic blood pressure in the participants. However, it is important to note that these studies were conducted on animals and a small sample of humans, and more research is needed to determine the safety and

efficacy of bitter kola for people with high blood pressure.

Is bitter kola safe for people with high blood pressure?

While bitter kola may have potential benefits for people with high blood pressure, it is important to note that it is not a substitute for conventional treatment. People with high blood pressure should always consult with their healthcare provider before using bitter kola or any other natural remedy.

Bitter kola contains caffeine, which can increase blood pressure in some people. Caffeine is a stimulant that can cause the heart to beat faster and increase blood pressure. People with high blood pressure should limit their caffeine intake, and consuming bitter kola may not be safe for those who are sensitive to caffeine.

Bitter kola may also interact with some medications used to treat high blood pressure. For example, bitter kola may enhance the effects of medications that lower blood pressure, which can lead to a dangerous drop in blood pressure. People who are taking medication for high blood pressure should consult with their healthcare provider before using bitter kola.

In addition, bitter kola can cause side effects in some people, including nausea, vomiting, and diarrhea. It can also cause allergic reactions in some people. People who are allergic to nuts should avoid bitter kola.

2023 UTME REGISTRATION PERFORMANCE: PRIVATE Vs PUBLIC OWNED CENTRES

Based on statistics obtained from the 2023 UTME registration data, it is crystal clear that privately-owned CBT centres performed better than their publicly-owned counterparts, which ironically have better facilities as they derived their funding from the public treasury.

Based on the post-registration analysis conducted by the Board, it was discovered that the below par performance of these publicly-owned centres is not on account of lack of facilities, competent personnel or needed resources but

for lack of sufficient commitment to drive the process.

The Board has looked at the gaps and found that some of the staff of these publicly-owned centres are not as motivated as their counterparts in the privately-owned ones.

It is, therefore, against this backdrop that the Board urges the management of all publicly-owned centres to motivate their staff by introducing incentives such as giving them a certain percentage of what is charged candidates no matter how negligible to spur them to do better,

which could be in terms of reporting for work early, closing late or reaching out to targeted candidates as is obtainable with the privately-owned centres.

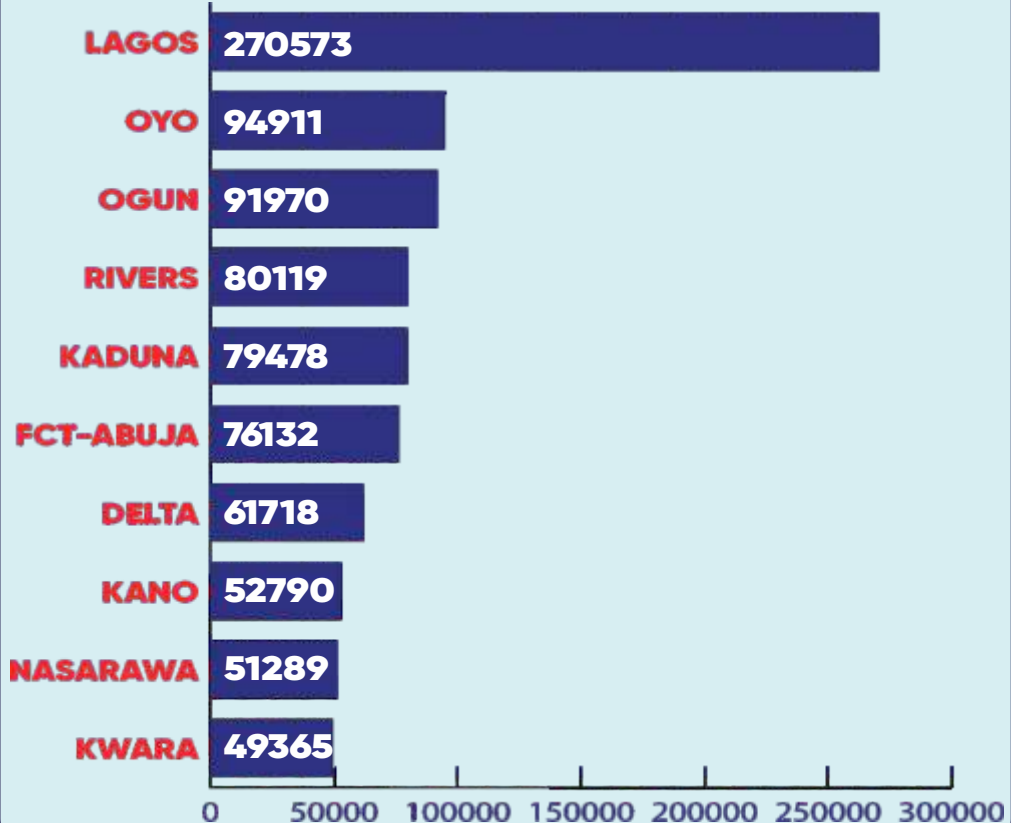

This would not only shore up the revenue base of these centres but would also ensure adequate utilisation of human and material resources at their disposal.

Below is a table showing ten top performed centres with highest registration figures.

ADVISORY TO INSTITUTIONS ON HOW TO HANDLE THE CONDONEMENT OF UNDISCLOSED ILLEGAL INSTITUTIONAL ADMISSIONS (CUIIA) (ADMISSIONS CONDUCTED OUTSIDE CAPS 2017-2020)

The Board introduced the **Central Admissions Processing System (CAPS)** in 2017 as the transparent platform for all admissions. Regrettably, some of the institutions continued to admit some, indeed large number of candidates (undisclosed to JAMB), thereby jeopardizing the interest of such candidates admitted through under-the table deals.

Recent events made the candidates protest the disadvantages of such non-disclosure and lack of formal recognition of their degrees. Such Institutions are now being compelled by necessity to confess their past deeds of undisclosed admission.

This Advisory is to guide the affected institutions on how the candidates can be rescued:

- i. The institutions should first and foremost declare the number of candidates admitted outside CAPS by sending a formal letter of confession and disclosure (LCD) to the Registrar of JAMB.
- ii. The letter of confession and disclosure should have the list of candidates attached. A copy of the letter and the list of candidates should be sent to JAMB state office where the institution is located. The list and total number of affected candidates for each year of admission should be clearly specified with the Programme (i.e Course of Study).
- iii. If the Board upon receiving the letter (and after due scrutiny and investigations) grants approval, the institution shall be contacted within 2 weeks of acknowledged receipt of the LCD.
- iv. The portal is then opened for the Institution to upload the list of candidates already submitted.
- v. The letter of approval from JAMB to the institution and the uploaded list shall contain the following:
 - the academic year for which the retroactive approval is granted;
 - total number of candidates, and
 - the period of grace (**not exceeding 60 days**) within which the affected candidates must complete the process of **Condonement of Undisclosed Illegal Institutional Admission (CUIIA)**. Only the candidates declared by the institutions are to visit JAMB office and complete the appropriate form online after paying the prescribed fee (i.e) the application fee of N4,000 only is paid by those without JAMB Registration number for the year and N5,000 penalty paid by every candidate involved.
- vi. The records of the candidates shall then be made available on CAPS after they have completed the online process.
- vii. The Admission Officer of the Institution shall retroactively propose formally the candidates to the Head of Institution who in turn shall recommend the candidates within the specified time.
- viii. The JAMB Desk officer too, shall retroactively approve the candidates on CAPS within the original list submitted by the institution. After approval, the previously illegal students will be able to print their JAMB admission letters from e-facility on JAMB Portal.
- ix. It should be noted that the admission letter would henceforth carry the date of the retroactive approval and not backdated to protect the Board's integrity of the data it might have provided before the condonement. The admission letter would also be named "**Retroactive Letter of Admission**" to reflect the correct history of the admission.
- x. Please **NOTE** that only candidates on the list declared by the institutions shall be attended to at the JAMB office. The Board shall not extend the period of grace granted to each institution. Any candidate that does not complete the process within the allotted (maximum two months) grace - period loses the remedial opportunity.

JOINT ADMISSIONS AND MATRICULATION BOARD

ATTENTION!!!

Serialisation of guidelines for the 2022 admissions exercise continues.

Second series.

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

- 🌐 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).
- 🌐 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advertise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
- 🌐 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.
- 🌐 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

- 🌐 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.
- 🌐 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
