2024 UTME REGISTRATION: IT IS MANDATORY TO SHOW PROOF OF PROFILE CODE/PIN VENDED ON PHONE AS RECEIVED FROM JAMB USSD

...Suspends Total Child Computer and CBT CTR. for Violation

The Joint Admissions and Matriculation Board (JAMB) has reiterated its directive that candidates, who visit CBT centres for

UTME registration, must display their profile codes and e-PINs as vended from the Board's USSD(55019 or 66019) on the mobile phones with which they had created such profile codes, otherwise they would not be registered.

This directive becomes necessary to avoid the perennial problem of identity mix-up, mutilation of candidates' details, as well as prevention of unnecessary litigation occasioned by candidates, who provide such information on pieces of paper only to later turn around to lay claims to different details.

A LETTER OF APPRECIATION AND COMMENDATION TO THE REGISTRAR, PROF IS-HAQ OLOYEDE

By Ashiru Abubakar, Servicom Unit, JAMB

I wish to express my heartfelt gratitude to the Registrar and the entire management of the Board for the commendable decision taken to waive 2024 UTME registration fees for candidates with disabilities who possess five credits in their O'level results.

This initiative is truly praiseworthy and is bound to have a positive impact on the disabled community as it would reduce the number of illiterate individuals and college dropouts in their midst.

...2024 UTME REGISTRATION: It is Mandatory to Show Proof of Profile Code/PIN Vended on Phone as Received from JAMB USSD

Furthermore, by instituting this policy, the Board aims to preclude the issue of identity theft, which is fast becoming the tool of choice employed by examination cheats worldwide to compromise examinations. In addition, the measure would ensure the accuracy and reliability of candidates' records, thereby saving the huge man hours and resources expended annually by the Board on needless data correction.

It would be recalled that the Board had, in an advisory made available to prospective candidates prior to

the commencement of the 2024 UTME registration, stressed the importance of providing this critical piece of information on their phones at the point of registration, while at the same time, charging CBT centres to ensure full compliance.

Meanwhile, the Board has suspended Total Child Computer and CBT Centre(TCCC), Abuja, from the ongoing 2024 registration exercise for violating this unambiguous directive.

Specifically, TCCC was suspended for registering candidates with e-PINs copied manually and

presented by candidates as against the mandatory display of the profile code and vended e-PINs as received on their phone screens. This act was viewed as a serious misconduct capable of causing mix-ups of candidates' biodata and other sensitive information given the fact that all centres have been sufficiently briefed on the huge implications of doing otherwise.

The Board warned other CBT centres to abide by their rules of engagement or be sanctioned accordingly.

JAMB REGISTRAR COUNSELS ANA ON CRISES RESOLUTION

Dr. Dame Joan Oji, General Secretary, ANA receiving a souvenir from Prof. Is-haq Oloyede, Registrar, JAMB.

Dr. Justina Anjilide, Kotso CEE Nasarawa State (Imapoly) receiving a souvenir from Prof. Is-haq Oloyede, Registrar, JAMB.

A call has gone to the feuding parties of the Association of Nigerian Authors (ANA) to eschew rancour and embrace lasting peace.

This call was made by the Registrar, Joint Admissions and Matriculation Board(JAMB), Prof. Is-haq Oloyede, when he received a five-man delegation from the Association in his office in Abuja.

According to the Registrar, the internal wrangling and perpetual infighting within the ranks of the Association is demoralising. He urged the new executives to set machinery in motion to reconcile warring factions of the State chapter. He said by doing so, aggrieved parties would come together and build a viable entity that would succinctly articulate the dreams of the founding fathers of the Association thereby making desired impact on the society and the education system at large.

By way of resolving the crisis, the Registrar urged the new Executives to visit some senior members of the Association in acknowledgement of their historical roles in the development of the Association.

The Registrar also commended the General-Secretary of the Association, Dr. Dame Joan Oji, who had informed Prof. Oloyede of her 33-year sojourn in Abuja and her close encounters with JAMB officials over time. Furthermore, he expressed his elation at hearing that an Oji, who had graduated from the University of Ilorin Medical School, is doing the institution proud in the USA as an Associate Professor of Pediatrics & Neonatology.

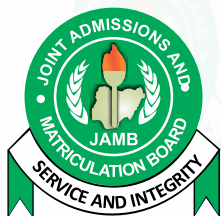

The Association of Nigerian Authors is a non-profit organisation founded on 27th June, 1981, to promote Nigerian literature and is the umbrella body of Nigerian creative writers at home and abroad. It was founded by Nigerian

novelist, Chinua Achebe, who served as its first president.

In his remarks, the ANA President, Dr. Usman Oladipo Akanbi, commended the Registrar for the warm reception accorded his delegation as well as the landmark achievements that the Board's helmsman had recorded since he assumed office. He pointed out that he was not surprised by Prof. Oloyede's achievements in JAMB on account of his legacy at the University of Ilorin, where he was a Vice Chancellor.

He commended the Registrar's implicit humanity adding that he was shocked at the sight of the powerful JAMB Registrar eating his lunch with subordinates at the staff canteen, where free meals are served to staff.

Highlights of the visit was the presentation of some JAMB souvenirs to the visitors.

TARABA STATE ERC VISITS JAMB

Executive Governor of Taraba State, His Excellency, Col. Agbu Kefas (Rtd.),

In its bid to alleviate the burden on parents, the Executive Governor of Taraba State, His Excellency, Col. Agbu Kefas (Rtd.), has indicated his desire to procure UTME application documents for all graduating Senior Secondary School Students across the State.

This was the message conveyed by the management of the Taraba State Education Resource Centre, to Mrs. Veronica Ayuba, the State Coordinator, Joint Admissions and Matriculation Board (JAMB), Taraba State Office, on Tuesday, 23rd January, 2024, during its courtesy visit to the facility in Jalingo, the State Capital.

In his address, the leader of the four-

man team, the Director of the centre, Mr. Mohammed J.G. Mang, expressed appreciation to the State Coordinator for her open-door policy and for being a good ambassador of the Board at all times.

Mr. Mang disclosed that the purpose of their visit was to sensitise the Board about the free education policy of the Executive Governor for public schools in the State as well as obtain necessary information on the modalities for offsetting the cost of the forms for the students.

According to him, the Executive Governor, His Excellency, Col. Agbu Kefas (Rtd.), had, in furtherance of the free education policy of his administration, informed the Permanent Secretary, Ministry of Education, of his kind intention to fund the 2024 UTME registration for Senior Secondary School (SSS 3) students in public schools across the State. He stated that it was in this regard that the team had visited the State Office to be apprised of the modalities and cost implications for the 2024 UTME registration so as to report to the Permanent Secretary, Ministry of Education and the Governor for further action.

In her response, the State Coordinator, Mrs. Veronica Ayuba, thanked the team for the visit and stated that her door is always open should they need information and assistance that is not beyond her scope.

Ayuba, who gave a step-by-step guide on the registration modalities to the visitors, while stressing other key components of the exercise to include the procurement of profile code, UTME subject combinations (using IBASS) and the cost implication of the registration exercise either with mock or without mock examination, among others. She, however, informed the team that the Board does not condone group registration. The Deputy Director, ERC, Mr. Aorabee Terkule, thanked the Coordinator for granting the team audience during the crucial time of the UTME registration exercise.

The Assistant Director, in charge of ICT, Mr. Zakka Rimamtatso, and the Assistant Director, Examinations, Mr. Ali Ahmed Lemu, promised that the team would report to the Governor accordingly adding that the delegation would brief the State Coordinator as the need arises.

...A Letter of Appreciation and Commendation to the Registrar, Prof. Is-haq Oloyede

As someone living with disability and who had personally experienced the financial challenges associated with UTME registration after completing my senior secondary school in 2013, I understand the significance of such a gesture as I had to work in a bakery for a year to save up for the UTME registration fees!

I believe this fee waiver for candidates with disabilities will undoubtedly alleviate the financial burden many of them face. Taking the UTME does not only offer an opportunity for People With Disabilities (PWD) to further their education but is also capable of serving as a means for this particular group of candidates to showcase their potential to their parents,

guardians and the Nigerian public, in general.

I would also like to also commend the Registrar, Prof. Is-haq Oloyede, for tackling some challenges that were, hitherto, envisaged as likely to hamper the implementation of this noble initiative, but which have been satisfactorily addressed by the Board's Public Communication Advisor, Dr. Fabian Benjamin, during an interactive session hosted at #TheTownHall with KEMKEM on an X (formerly Twitter) handle: @kempatriot on Sunday, 21st January, 2024.

During the interaction, Dr. Benjamin has clarified that PWD should vend pin at any CBT centre of their choice

and register for the UTME while their contact details would be harvested by the Board for subsequent refund of their money by the Board.

It is my belief that by addressing this particular problem, the initiative will adequately address the reservations expressed by intended beneficiaries of the fee waiver initiative, thereby contributing to their educational empowerment.

Therefore, on behalf of the National Association of the Deaf and National Commission for persons with disabilities, I commend the Board for this laudable policy and I remain optimistic about the positive impact of this noble gesture.

Thank you and God bless you for this noble course.

CAREER IN FOCUS

BY OMOTOYOSI ADENLE, QA DEPARTMENT

Career in Focus is a new column in the Board's weekly publication, JAMBulletin. This column would be featuring content on profitable but not popular courses in Nigerian tertiary institution as a means of creating career awareness for prospective candidates most of whom go extra lengths to study conventional courses such as Law, Medicine, Engineering, Accounting among others.

This month, the career in focus is Audiology.

Audiology is the scientific study of hearing, encompassing the assessment, diagnosis, and treatment of disorders related to the auditory and vestibular systems. It is a branch of healthcare science, which identifies and assesses hearing and balance disorders.

Audiologists and professionals in this field, specialise in identifying and managing various hearing impairments, communication disorders, and balance issues. They employ advanced technologies and conduct comprehensive evaluations to determine the extent and nature of a patient's auditory challenges.

The inception of Audiology as an academic discipline in Nigeria traces its roots back to its establishment as a branch of Special Education at the University of Ibadan and the University of Calabar. In the third year of undergraduate studies (300 Level), students are granted the

opportunity to specialise in Audiology and Speech Pathology, marking it as a rehabilitative science where merit is a crucial consideration.

At present, the University of Medical Sciences in Ondo stands out as the pioneering institution offering Audiology as an independent and singular course of study. Notably, the Federal University of Health Sciences in Ila-Orangun, has also incorporated Audiology into its initial line-up of courses, reflecting the growing recognition and importance of this field within the academic landscape.

Career prospects in Audiology are promising, as they are driven by an increasing awareness of hearing health and advancements in technology. Audiologists can find employment in diverse settings, including hospitals, private practices, schools, and research institutions. With an increasing aging population and the prevalence of hearing-related issues, the demand for audiologists is on the rise. Moreover, audiologists play a crucial role in rehabilitation, providing interventions such as hearing aids, cochlear implants, and therapeutic strategies to enhance communication skills. The profession is far from being not saturated in Nigeria.

Audiology offers a fulfilling career path for those passionate about improving the lives of individuals with hearing impairments. As society

recognises the importance of hearing health, the role of audiologists becomes increasingly significant, making it an intellectually rewarding and socially-impactful profession with promising long-term career prospects.

It is a five-year course under the faculty of medical sciences and faculty of education in most institutions.

UTME subjects required are: Use of English, Physics, Mathematics and Biology.

O' level requirements are credit passes in English Language, Mathematics, Chemistry, Physics and Biology. For special waivers from institutions, check the brochure on www.ibass.jamb.gov.ng Institutions offering Audiology (single or combined with speech therapy) include University of Ibadan as Special Education, University of Medical sciences, Ondo, University of Calabar and others.

The professional bodies monitoring the profession are the Speech Pathology and Audiology Association of Nigeria, and Medical Rehabilitative Therapist Board. Professor Clement A. Bakare, Prof. Wahab D. Owolabi and Prof. Julius Ademokoya are notable Audiologists in Nigeria.

EXPLORE PENSION TRANSPARENCY TRANSFER WINDOW - PFA

To curb the stress associated with accessing their contributory pension scheme after retirement, the Federal Government has introduced a flexible transfer window to allow retirees monitor the progress of their pension funds.

This issue came to the fore on 20th January, 2024 during an interactive session between Sterling Crusaders Pensions and staff of the Joint Admissions and Matriculation Board (JAMB), Ekiti State Office, Ado-Ekiti. The Sterling Crusaders team led by Mr. Michael Adubi, underscored the

necessity of pension contributors to constantly engage with their Pension Fund Administrators (PFAs) noting that such would reduce incidence of financial misappropriation.

Furthermore, he remarked that such engagements would assist both parties to determine appropriate marketing strategies that could be deployed to further contributors' interest.

Earlier, the Ekiti State Coordinator of JAMB, Mr. Hassan Lawal, had pointed out the inherent advantages in the timely

intervention of the Federal Government as it was capable of empowering contributors with the means by which they could assess the progress of their contributions.

The interactive session also afforded staff the opportunity to seek clarifications, where necessary while the Head, Matriculation Unit, Mr. Ganiyu Ishola, on behalf of the State Office, expressed appreciation to the PFA team for the enlightenment/outreach programme.

...BPSR Assesses JAMB Performance Index Via SAT

Innovation and Research of the Bureau, Ms. Mercy Okon, in his office, the Registrar, Prof. Is-haq Oloyede, welcomed the visitors to the Board's National Headquarters. He disclosed that he had taken time out of his tight schedule to receive them, particularly when he learnt that the Director-General, BPSR, Dr. Dasuki Arabi, would be in attendance. He added that it would not be proper for him not to be available to personally receive such an august visitor.

He subsequently directed the Director, Human Resources Department, Mr. Mohammed S. Shehu, to guide the visitors through the operations of the Board as well as provide them with all necessary information they might require.

In his welcome address, the Director, Human Recourses Department, urged all participants to participate actively in the exercise and be objective when ventilating their views and opinions about the Board's activities during the exercise, stressing that the essence of the exercise was to ascertain

whether the Board had been focused and had sustained high level of productivity and efficiency in its service delivery over the years.

In his remarks, Dr. Dasuki Arabi who was represented by Ms. Mercy Okon highlighted the various thematic areas/strategic activities of the Board that the exercise would be focusing on such as financial management, strategic planning and operational leadership, operational and service delivery processes, human resource management and planning, partnership and resources mobilisation, key performance management, procurement processes and change management. While taking the participants through the performance indices drawn up for these highly-

strategic areas, which required prompt attention, the Bureau Desk Officer, SAT, Mr. Felix Izenyi, explained that there was no pass or fail in the ratings, stressing that the "strong areas" signified that the Board had performed excellently while "well-placed" rating means that the Board had done well but there was still room for improvement and expansion. He stated that those indices tagged 'developing areas' means that the Board has started something reasonable in that regard but more has to be done while 'need attention areas' call for urgent attention to achieve effective service delivery.

Director - General BPSR, Dr. Dasuki Arabi

NIPEDS: PROGRESS REPORT ON VERIFICATION OF A'LEVEL CERTIFICATES

The Board, on 23rd February 2023, issued an Advisory to guide the registration of candidates seeking to gain admissions through Direct Entry in the 2023/2024 Academic Session. That was basically to address the issue of candidates using unacceptable or forged A' level certificates/qualifications to gain admission.

However, recent discoveries from the verification exercises conducted by the Nigeria Post-secondary Education Data System (NIPEDS) have compelled the Board to introduce further steps to address the series of sharp practices and inconsistencies in the ongoing 2023 DE admission exercise.

As part of efforts to arrest these series of unwholesome practices, NIPEDS has written to all tertiary institutions in the country to facilitate the verification of the A'level certificates of their respective students. While a significant number of these institutions have responded and had their students' A'level certificates verified and the admissions of their students consequently processed, NIPEDS is yet to receive any response from many institutions. This delay has, therefore, had the unintended effect of denying the candidates holding their A'level certificates from being considered for admission. In effect, all such candidates holding the certificates of these institutions would not be considered for admission until they are verified.

The table below features an updated list of institutions, which have still not responded to NIPEDS' request in spite of repeated requests/ advertisements:

JAMB OPENS MORE SPACES FOR MOCK - UTME

JAMB OPENS MORE SPACES FOR MOCK-UTME The Joint Admissions and Matriculation Board (JAMB) has opened additional spaces for Mock-UTME. Consequently, interested candidates are urged to register immediately within one week as the Board would not create any further space once these are exhausted. By virtue of this expansion,

candidates, who had registered and acquired the Mock e-PIN before the initial spaces were exhausted, have been automatically slated for the mock exercise on account of the newly-created spaces. They would also sit the examination in their chosen examination towns. The JAMB Mock-UTME is an annual optional examination introduced by the Prof.

Is-haq Oloyede-led administration in 2017 to prepare prospective candidates for the main Unified Tertiary Matriculation Examination (UTME). The examination was also designed as a vehicle to enable the Board ascertain the readiness of its facilities ahead of the main examination.

Prof Olutayo Adesina celebrated his 60th birthday on Sunday 27th January, 2024. The event was witnessed by the Registrar of Joint Admissions and Matriculation Board (JAMB), Prof Is-haq Oloyede and other dignitaries in the academic world especially from the University of Ibadan. Other guests at the event included the younger brother of the celebrant, Chief Femi Adesina, former Special Adviser to President Muhammadu Buhari on Media & Publicity.

ATTENTION!!!

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

-  All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).
-  No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advertise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
-  Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.
-  The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

-  Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.
-  It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
