

Plans and Modalities for the 2018 Mock Examination

Notice to All Technical Officers

The Board has scheduled the following activities for the 2018 Mock Examination Test for Technical officers who have signified interest. The Test will take place in the various designated locations at 9am on Tuesday, 20th February 2018.

Successful candidates will then proceed to Abuja for Training and Deployment according to the schedule below.

Training and Deployment Schedules

A. JAMB STAFF

Successful staff of JAMB will be trained according to the following schedule:

1. JAMB Staff from Headquarters, Kaduna, FCT, Nassarawa, Kogi and Niger States will arrive Abuja on Wednesday, 21st February 2018.
2. Training and Hand On practice will be held on Thursday, 22nd February 2018.
3. JAMB staff from other states not listed in 1 above are to arrive in Abuja on Thursday, 22nd February 2018.
4. Training and Hands On practice for JAMB Staff from other states will have their Training and Hands On session on Friday, 23rd February, 2018.

B. NON-JAMB STAFF

Successful candidates that are Non-JAMB staff have the following schedule

1. Arrival in Abuja on Thursday, 22nd February, 2018
2. Training and Hands On practice on Friday, 23rd February, 2018.
3. If you are not invited, do not come to Abuja
4. Please visit JAMB website on Tuesday afternoon for the list of those invited to Abuja.

During the training, the following activities have also been scheduled

1. Assignment of Technical Staff – All Technical staff are to ensure they receive their Postings before the end of the Training Exercise
2. Finance - Technical Staff are to ensure they have accurate banking detail information with the finance department
3. Verification - Technical Staff are to ensure they inspect their assigned Laptops and other provided equipment and ensure proper working order before leaving the Head Office.

All Technical Staff (JAMB and NON-JAMB Staff) who have successfully completed their training will travel on Saturday, 24th February, 2018 to their various designated locations.

All Technical staff are to ensure they visit their designated Centers on Sunday, 25th February 2018 for Pre-Examination preparations.

The Mock Exam will be held on Monday, 26th February, 2018 for one day only.

We wish you safe travels and a successful examination.
